Robert Faricy SJ

Spiritual Theology Of The Priesthood

Alfred Hughes

Spiritual Theology Of The Priesthood:

Spiritual Theology of the Priesthood Dermot A. Power, 1998-01-01 Hans Urs von Balthasar's writings have pastoral implications that even now are barely recognised and hardly developed. Here a pastorally experienced theologian who knew von Balthasar personally unfolds this pastoral dimension for the first time. Integrating Christology and Ecclesiology with the profound spirituality that for von Balthasar is inseparable from authentic theology. Fr Power demonstrates the paradoxical grandeur and weakness of the Catholic priesthood. He highlights the roles of the Catholic priest as servant bridegroom, shepherd, victim, teacher, prophet, celebrant and minister of reconciliation. At a time when many priests feel their identity called into question, this book offers new hope for the renewal of the priesthood in the Catholic Church. *Spiritual Theology of the Priesthood* Dermot Power (Fr.), 1998. Hans Urs von Balthasar's writings have pastoral implications that even now are barely recognised and hardly developed. Here a pastorally experienced theologian who knew von Balthasar personally unfolds this pastoral dimension for the first time. Integrating Christology and Ecclesiology with the profound spirituality that for von Balthasar is inseparable from authentic theology. Fr Power demonstrates the paradoxical grandeur and weakness of the Catholic priesthood. He highlights the roles of the Catholic priest as servant bridegroom, shepherd, victim, teacher, prophet, celebrant and minister of reconciliation. At a time when many priests feel their identity called into question, this book offers new hope for the renewal of the priesthood in the Catholic Church. Bloomsbury Publishing. *A Spiritual Theology of the Priesthood, The Mystery of Christ and the Mission of the Priest* Dermot Power, 1998. **Bérulle's Spiritual Theology of Priesthood** Clare McGrath-Merkle, 2018. The widely reported crisis facing the Roman Catholic priesthood has brought to the fore fundamental questions regarding the theology of the ministerial priesthood. A return to traditional sources has been proposed as one means of inspiration and renewal. The particular spiritual theology of priesthood proposed by the founder of the French school of spirituality, cardinal and statesman Pierre de Bérulle (1575-1629), had a major influence on seminary formation as late as the era leading up to the Second Vatican Council. Newly reflected in part in Pope St John Paul II's post-synodal exhortation *Pastorale Dabo Vobis*, this spiritual theology of priesthood again enjoys a wide appreciation. This monograph represents the first in-depth critical appraisal of Bérulle's ideas and his influence on the development of the Roman Catholic theology of the priesthood, principally through his use of concepts adapted from the realm of speculative mysticism that is philosophical speculation regarding mystical experience and shaped into an applied metaphysic. Key notions underlying his polemicized positive theology and related to the Christological debates of the Reformation and Counter-Reformation eras include such concepts as subsistence, relation, substance, obediency, potency, person, causality, image, being and more. The author's thesis is that Bérulle's spiritual theology of priesthood created a sea change in the theology of priesthood heretofore unrecognized, as his ideals survived mainly in formation literature and have been underexplored by theologians and philosophers who have passed over the pertinence of this category of work in particular and spiritual

theology in general in the shaping of theological concepts related to the priesthood This study details how Berulle s project to renew the priesthood fostered the absorption of certain Reformist and Counter Reformist inheritances and aporias into mainstream tradition including an interpretation of exemplar causality as generative and of the priest as public person and transparent image

Spiritual Theology Jordan Aumann,1980-01-06 Spiritual theology is both speculative and practical it deals with Christian life in relation to the perfection of charity This theology is based on the Doctors of the Church Thomas Aquinas John of the Cross and Teresa of Avila

The Unchanging Heart of the Priesthood Thomas Acklin,2006 In The Unchanging Heart of the Priesthood Father Thomas Acklin presents an apologetic for that which is immutable that which cannot change since it is found in the unchanging heart of Christ Father Acklin refutes modern misconceptions and false understandings of the priesthood while uncovering the beauty strength and hope that is found in God s plan This book will encourage the heart of every priest and help the laity to understand and appreciate the reality and mystery of the priesthood in the Church In The Unchanging Heart of the Priesthood Father Thomas Acklin presents an apologetic for the immutability of the priesthood that which cannot change since it is found in the unchanging heart of Christ Father Acklin refutes modern misconceptions while uncovering the beauty strength and hope that is found in God s plan bringing the reader to an appreciation of the reality and mystery of the priesthood in the Church

Priest, Prophet, Pilgrim Todd Edmondson,2014-02-14 Priest Prophet Pilgrim Types and Distortions of Spiritual Vocation in the Fiction of Wendell Berry and Cormac McCarthy provides a reading of characters in the novels and short stories of two important contemporary American writers through the lens of spiritual theology Applying the work of Rowan Williams Nicholas Lash and others Edmondson constructs a theological framework that takes seriously the notion of Christian spirituality not as an invitation to flee from this world but rather as a way of life that seeks reconciliation and joy within this world encountering and embracing God s presence within everyday existence in the contexts of such realities as corporeality communities and the created order as a whole This framework is then applied to the fiction of two American authors Wendell Berry and Cormac McCarthy By comparing these writers the characters they create and the worldviews that shape their narratives Priest Prophet Pilgrim demonstrates in ways that can be applied to other works and other characters how the reading of fiction can inform the pursuit of the spiritual life

Theology of the Priesthood Jean Galot,2014-02-25 Since the end of Vatican II in 1965 more active involvement of the laity has led many people to wonder about the priest s place in the Church In this masterful work theologian Jean Galot S J clarifies the nature of the priesthood He explains how the Jewish priesthood the perfect priestly ministry of Jesus and the role of the Twelve help us understand the ministerial priesthood He considers how the priesthood of the faithful and the ministerial priesthood relate to each other and how the latter is by God s design necessary for the former *Theology of the Priesthood* carefully examines the priest s role as minister of sacrifice and the sacraments prophet of the Word and leader of the Church These and other aspects are summed up according to Galot in the priest s ministry as

shepherd This ministry is itself a sharing in Jesus role as Shepherd The priest does not draw the inspiration for his pastoral zeal from his own feelings from his own personal resolve to create a better world Fr Galot writes He is shepherd on the strength of God s pastoral intention and represents specifically Christ the shepherd Consequently he is called upon to fulfill his pastoral mission not according to ideas of his own and his own personal ambitions but in keeping with God s own dispensation and the design of salvation devised by the Father and carried out by Christ Like Jesus himself the priest is at the service of the Father The book also explores the spiritual life of priests including the role of celibacy It concludes with a discussion demonstrating that the male character of the ministerial priesthood is based on the will of Jesus and is not contrary to women s dignity on their role in the Church *The Voice of the Bridegroom* Benjamin A. Roberts, 2021-02-02

Preaching is a relational act This book explores the relationship between the preacher and the assembly as a spousal relationship Written by a parish pastor with a doctorate in preaching and rooted in the Roman Catholic notion of the priest as bridegroom of the church this work examines characteristics of the spousal relationship between husband and wife and then provides an analysis of the ministerial priesthood through this nuptial lens This nuptial reflection on the ministerial priesthood is then applied to preaching This book presents a nuptial hermeneutic or vision for preaching and the implications of this vision for the assembly the preacher the homily and the homiletical method The appendices include a one page strategy for preaching summarizing the homiletical method a rubric for homily evaluation by members of the assembly and two sample homilies *The Concept of the Diocesan Priesthood* Joseph Clifford Fenton, 1951 **The Priesthood of All**

Believers Cyril Eastwood, 2009-05-20 The doctrine of the Priesthood of all Believers underlies all the great and far reaching religious movements of the last five hundred years Apart from that doctrine it is impossible either to understand or appreciate the cause of the Reformation the impetus of the Puritan Movement or the widespread influence of the Evangelical Revival Yet nowhere can the student find a thorough examination of its meaning for no such systematic statement exists Here is an attempt to fill this gap An examination of Reformation Theology shows that this doctrine is the basis of three dominant concepts which Luther stressed Faith Word and Congregation and that Luther s seven marks of the true Church arise from it A study of Calvin leads to the conclusion that the doctrine of vocation is the necessary counterpart of the Priesthood of all Believers that election is always related to consecration service and mission it is an election to priesthood An investigation of Wesley shows that he took this doctrine seriously and provided opportunities for the People of God to exercise their priestly privileges in the service of the Word of the Church and of the World From all this comes the inescapable conclusion that in Reformation Theology the spiritual priesthood of justified believers consists in their proclamation of God s justifying love to the world This book is an attempt to present a clear and constructive statement of a doctrine which lies at the very heart of Protestantism and is closely connected with three important issues in current theological discussion the union of the Churches the doctrine of vocation and the liturgical revival **Balthasar and Prayer** Travis LaCouter, 2021-12-02 This

study renders an original and constructive Catholic theology of prayer drawing on the work of Hans Urs von Balthasar 1905 1988 Travis LaCouter explores the trinitarian Christological ecclesial anthropological and eschatological dimensions of prayer in Balthasar's theology and shows how these combine to give a powerful account of prayer's proper theological scope and purpose There is also a critical dimension of prayer which is arguably underdeveloped in some of Balthasar's key texts but which LaCouter shows to have significant dialogical potential with contemporary accounts of parrhesia since Foucault This approach demonstrates the centrality of prayer to Balthasar's entire theological system and does so in a way which itself constitutes an exercise in Catholic systematics This study is also distinctive for establishing a method of proceeding through Balthasar's sprawling oeuvre and the similarly vast secondary literature by arguing for three categories of texts in Balthasar's writings and separately three waves of Balthasar readers Thus this study is a resource not just for those interested in prayer but for anyone interested in reading Balthasar today **With the Silent Glimmer of God's Spirit** Lambert

Leijssen, 2006 *With the Silent Glimmer of God's Spirit* gives a comprehensive account of recent developments in sacramental theology in the context of postmodern thinking How can we think and speak about the sacraments in our postmodern world with its suspicion of static and rigid categories The author resolves this by using the concepts of gift and icon both of which imply interaction between giver and recipient between the reality looked at and the one looking BOOK JACKET *Viri Dignitatem: Personhood, Masculinity and Fatherhood in the Thought of John Paul II* David H. Delaney, 2023-10-30 In numerous works both before and after his papal election John Paul II offers ample reflection on the themes of personhood relationality and sexual complementarity but while he advances a clearly articulated theology of femininity and motherhood as in his apostolic letter *Mulieris Dignitatem* he might seem to offer no equivalent treatment of masculinity and fatherhood In *Viri Dignitatem* David Delaney seeks to surface and systematize the rich but often overlooked theology of masculinity and fatherhood that is found dispersed throughout John Paul II's writings demonstrating its essentiality for understanding his larger anthropology In the first part of the study Delaney treats the foundations of this anthropology establishing John Paul II's thought on personhood relation and human action Building on this the second part considers sexual differentiation drawing out from John Paul II's teaching on the body femininity Mary and the Church his corresponding perspective on masculinity which is itself rooted in nuptial complementarity and the revealing work of Christ The third part focuses on John Paul II's theology of fatherhood which Delaney presents as both a natural and spiritual vocation that is based on the Fatherhood of God as this is manifested and imaged by the incarnate Son Finally the fourth part provides a synthetic assessment of this theology of masculinity and fatherhood showing its coherence and addressing contemporary criticisms and misinterpretations At a time of accelerating crises of sexuality the family and fatherhood Delaney's *Viri Dignitatem* provides a welcome and important elaboration of John Paul II's teaching on the dignity and vocation of man *Religious Leadership* Sharon Henderson Callahan, 2013-05-20 This 2 volume set within The SAGE Reference Series on Leadership tackles issues

relevant to leadership in the realm of religion It explores such themes as the contexts in which religious leaders move leadership in communities of faith leadership as taught in theological education and training religious leadership impacting social change and social justice and more Topics are examined from multiple perspectives traditions and faiths Features Benefits By focusing on key topics with 100 brief chapters we provide students with more depth than typically found in encyclopedia entries but with less jargon or density than the typical journal article or research handbook chapter Signed chapters are written in language and style that is broadly accessible Each chapter is followed by a brief bibliography and further readings to guide students to sources for more in depth exploration in their research journeys A detailed index cross references between chapters and an online version enhance accessibility for today s student audience

A Life of Daring Simplicity Michael A. Becker, 2014 If priests want the people entrusted to their care to develop a meaningful spiritual life they must provide a living example of what that is In *A Life of Daring Simplicity* Daily Meditations on the Priesthood Michael Becker helps priests provide that example Monsignor Becker has gathered a powerful collection of reflections drawn from an impressively wide array of great spiritual guides Pope Saint John Paul II is well represented here and so is Karl Rahner We also hear from Catherine de Hueck Doherty and Adrian Von Speyr Pedro Arrupe and Columba Marmion and many more Each passage challenges priests to reflect on their own vocation Every page is filled with holy wisdom that will nourish priestly ministry and invite readers to embrace a life of daring simplicity words used by Pope Saint John XXIII to describe his own life Each day includes a Scripture verse an inspiring insight on the priestly life and a closing prayer or question to prompt deeper reflection Spend a few minutes every day with these meditations and you will deepen your own commitment to your ministry and find ever more zeal to serve those entrusted to your care

Priests in Love with God and Eager to Witness to the Gospel Alfred Hughes, 2021-09-26 Rooted in the lessons of history and the saints and woven together with prayer Archbishop Emeritus Hughes calls present and future ministers of the Church back to the transformative basics of the priesthood From the foreword by Bishop Robert Barron Clerical sexual abuse COVID 19 declining parishes and racial unrest these are some of the many challenges facing Catholic priests and bishops today Where can they find the wisdom they need to address these and other daunting difficulties Archbishop Emeritus Hughes draws on the some of the greatest spiritual guides the Church has ever known to offer a vision for contemporary priestly life Ignatius of Antioch Augustine Gregory the Great and beyond He also turns to the timeless advice found in great conciliar documents What emerges from his survey of the past is the understanding that the Catholic priesthood has overcome many trials throughout its history and the confidence that it will do so in our own day by rediscovering the timeless sources of renewal This book is intended to serve a double purpose It can be used as a text for seminarians together with a reader drawn from the cited classics or as a rich source of spiritual reading for priests and bishops

The Spirituality of the Diocesan Priest Donald B. Cozzens, 1997 Beyond the dramatic drop in seminarians and the declining numbers of priests beyond the sexual misconduct scandals shaking the confidence and trust

once readily given to priests a spiritual deepening and maturing is renewing the spirit and confidence of the diocesan priest In this collection of essays twelve priests including four bishops reflect on the spirituality of the diocesan priest from their personal and pastoral experience Have diocesan priests finally transcended the monastic and religious order spiritualities that have shaped their prayer and interior lives for centuries Is a spirituality particular to the diocesan priest emerging precisely at a time when the priesthood is under such close scrutiny The contributors pastors theologians poets and bishops grapple with the maturing of the diocesan priest s soul touch the mystery of the priesthood and unveil personal often moving dramas of grace Contributors and their articles include Tenders of the Word by Donald B Cozzens Personal Symbol of Communion by Denis Edwards Confessions of a Pilgrim Pastor by William Hammer A Kindled Heart by Frank McNulty A Glorious and Transcendent Place by Robert F Morneau The Conciliar Documents and the 1983 Code by Edward G Pfnausch Ruminations of a Canonist by James H Provost Heralds of the Gospel and Experts in Humanity by Sylvester D Ryan Servant of the Servants of God by Robert Schwartz Speaking Out for the Inside by William H Shannon Paul of Tarsus A Model for Diocesan Priesthood by Richard J Sklba and Spirituality of the Diocesan Priest Using the Wrong Measure by Kenneth Untener

The Mystical Meaning of the Ceremonies of the Mass Jean-Jacques Olier, 2024-09-18 Olier s The Mystical Meaning of the Ceremonies of the Mass first published in 1657 and presented here with an Introduction by Abb Claude Barthe is an outstanding example of the application to the liturgy and its actions of the search for a deeper meaning that has also been so influential throughout the history of contemplative Christianity in the resonant anagogical reading of the Bible Olier shows us that there is nothing in the traditional Catholic Mass that lacks its own progressively deeper levels of meaning and that for this reason cannot inspire in us new spiritual insights new visions of heaven Olier writes as eloquently as he spoke the flow of his eloquence carries us with him as he brings to light many a sparkling gem lying too long concealed in the spiritual treasure trove of the Mass To follow him in his inspired excavations is an unforgettable spiritual adventure of discovery

After the Heart of God Julian Porteous, 2011-08-16 This book on the priesthood is a reflection on the times and the needs of the Church and society It is offered to priests to assist them in their own reflection on their lives and ministry and it is written in a particular way for seminarians as they look to their future service in the Church Backcover

Spiritual Theology Of The Priesthood Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Spiritual Theology Of The Priesthood free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Spiritual Theology Of The Priesthood free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Spiritual Theology Of The Priesthood free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Spiritual Theology Of The Priesthood. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic

literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Spiritual Theology Of The Priesthood any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Spiritual Theology Of The Priesthood Books

1. Where can I buy Spiritual Theology Of The Priesthood books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
