Musings: Socio-Political and Spiritual Thoughts of a Targeted Individual Fredricka

Gaines, 2021-05-30 This book is the chronicle of the life of a targeted individual It lays out the growth and struggles of a disenfranchised American family during the era of the second great migration It provides insight into the experiences that shaped the author's psyche as she pursued what seemed to be at times the elusive American dream It documents the withering of that American dream which is gradually replaced by a living nightmare The author shares a step by step outline

of the terrifying events that left her paralyzed with fear Through her sometimes wavering faith she manages to summon enough spiritual strength to survive the initial mental emotional and physical onslaught Only after recognizing a meaningful purpose for her life did she experience a resurrection of life She writes of finding a true purpose in life and of hope for stemming the tide of moral decline in America
