thought Latinox studies religion in the United States and related topics **Suspended God** Maeve Louise Heaney, 2022-03-24 Heaney traces the hidden history of music's presence in Christian thought including its often unrecognized influence on key figures such as von Balthasar, Barth, and Bonhoeffer. She uses Lonergan's theological framework to explore musical composition as a theological act showing why, when, and how music is a useful symbolic form. The book introduces eleven ground-breaking theologians, and each chapter offers an entry point into the thought of the theologian being presented through an original piece of music which can be found on the companion website <https://bloomsbury.pub/suspendedgod>. Heaney argues that music is a universally important means of making sense of life with which theology needs to engage as a means of expression and of development. Musical composition is presented as an appropriate and even necessary form of doing theology in its quest to engage with the past, mediate truth to the present, and tradition into the future.

Modern Christian Thought: The twentieth century James C. Livingston, Francis Schüssler Fiorenza, This widely acclaimed introduction to modern Christian thought, formerly published by Prentice Hall, provides full scholarly accounts of the major movements and thinkers, theologians and philosophers in the Christian tradition since the eighteenth century. Enlightenment together with solid historical background and critical assessments. This second edition deals with the entire modern period in both Europe and America and is the first to include extensive treatment of modern Catholic thinkers, Evangelical thought, and Black and Womanist theology.

Spirituality beyond Borders Kathleen McCallie, 2024-06-18 How do international encounters in Nicaragua connect spiritual formation and liberation theology to transform communities? Seekers of justice from around the world found inspiration in the Nicaraguan revolution and struggle for freedom. After recognizing the patronizing neocolonial structure of missionary models of aid, pastor Leslie Penrose founded a nonprofit organization, JustHope, with core values of solidarity, mutuality, collaboration, and sustainability in partnership. Hundreds of participants have joined this quest to enact the compassionate and just ethics of the Hebrew prophets and the liberating power of Jesus. Inspiring stories of Nicaraguans led creativity exploring a new future with volunteers from the U.S. are told by pastoral theologian and ethicist Kathleen McCallie. Framed as an interdisciplinary case study of seminary students traveling for solidarity to explore social justice with JustHope, the book offers glimpses of one group's journey. Readers explore possibilities for an international partnership between U.S. volunteers and Nicaraguan community organizers. The Nicaraguan base community model offers critiques of and alternatives

to the church in the U S and neoliberal development McCallie contributes to academic and activist discourses about dismantling abusive theology racism sexism and U S hegemony **Screening Schillebeeckx** A. Sison,2006-11-13 The book is an exploration of the creative crossings between the liberative stream of the eschatology of Edward Schillebeeckx and the stylistic strategies of Third Cinema political cinema dedicated to the representation of Third World liberation

Resurrection and Discipleship Thorwald Lorenzen,2004-01-30 The authority of the Bible in the Gospel narratives and Paul s impassioned epistles revolve around the factual basis and foundational nature of Christ s resurrection for Christianity The question is how can the resurrection best be understood In Resurrection and Discipleship Thorwald Lorenzen provides a balanced and nuanced investigation of this question *Virtue Ecclesiology* John Fitzmaurice,2017-05-15 Critiquing a paradigm of growth within the church this book contends that the church s growth ethic should be replaced by one based on virtue Drawing on the work of Sennett Fromm and Hauerwas John Fitzmaurice argues that an approach taking growth to be the overriding task of the church is found to be shallow and risks infantilising the faith it purports to proclaim MacIntyre s proposal for a recovery of a virtue based ethic is examined and interpreted theologically through the concepts of narrative theology community sacraments and sanctification the role of practices in developing virtuous character is central The nature of a virtuous organisation is explored through a lens of organisational psychodynamics this understanding informs a model of church as a community of interpretation Fitzmaurice suggests that it is in and through sacramental practices that the transitional space for these virtues to be formed is created Tracing a similar corrosion of character within secular institutions that have opted for an overriding focus on growth this book offers an alternative based on the formation of corporate as well as individual virtuous character and considers the implications of a virtue based growth ethic on theological education and ministerial formation as well as in terms of public theology and the manner of the church s engagement with society *Between the 'Mysticism of Politics' and the 'Politics of Mysticism'* David Ranson,2013-08-31 Between the Politics of Mysticism and the Mysticism of Politics traces the dialectic of the mystical and the political from both a theological and an historical perspective It presents the dialectic as a hermeneutic for the rise of the new ecclesial communities within the Roman Catholic Tradition and suggests it as the framework by which a trajectory for Christian holiness might emerge in the 21st century **SCM Studyguide to Christian Spirituality** Ross Thompson,2008-09-01 TheSCM Studyguide Christian Spiritualityis designed as an introduction to spirituality for students of all religious backgrounds coming to the subject for the first time *The Routledge International Handbook of Sociology and Christianity* Dennis Hiebert,2023-10-18 The Routledge International Handbook of Sociology and Christianity examines the intersection of the sociology of religion a long standing focus of sociology as a discipline and Christianity the world s largest religion An internationally representative and thematically comprehensive collection it analyzes both the sociology of Christianity and Christian approaches to sociology with attention to the Roman Catholic Orthodox and Protestant branches of Christianity An authoritative state of the art

review of current research it is organized into five inter connected thematic sections considering the overlapping emergence of both the Christian religion and the social science the conceptualization of and engagement with Christianity by sociological theory the ways in which Christianity shapes and is shaped by various social institutions the manner in which Christianity resists and promotes various forms of social change and the identification diagnosis and correction of social problems by sociology and Christianity This volume is an invaluable collection for scholars and advanced students with special appeal for those working in the fields of sociology and social theory as well as religious studies and theology

The Oxford Handbook of Mystical Theology Edward Howells, Mark A. McIntosh, 2020-02-25 The Oxford Handbook of Mystical Theology provides a guide to the mystical element of Christianity as a theological phenomenon It differs not only from psychological and anthropological studies of mysticism but from other theological studies such as more practical or pastorally oriented works that examine the patterns of spiritual progress and offer counsel for deeper understanding and spiritual development It also differs from more explicitly historical studies tracing the theological and philosophical contexts and ideas of various key figures and schools as well as from literary studies of the linguistic tropes and expressive forms in mystical texts None of these perspectives is absent but the method here is more deliberately theological working from within the fundamental interests of Christian mystical writers to the articulation of those interests in distinctively theological forms in order finally to permit a critical theological engagement with them for today Divided into four parts the first section

introduces the approach to mystical theology and offers a historical overview Part two attends to the concrete context of sources and practices of mystical theology Part three moves to the fundamental conceptualities of mystical thought The final section ends with the central contributions of mystical teaching to theology and metaphysics Students and scholars with a variety of interests will find different pathways through the Handbook

Teaching in a World of Violent Extremism Eleazar S. Fernandez, 2021-05-21 Violent extremism is not new but we have witnessed its rise to the point that it has become a defining issue of our time We cannot brush it aside any longer it characterizes who we are as a people and as a global society Why is violent extremism rising What are its drivers and triggers These questions must be asked and answered first and Teaching in a World of Violent Extremism takes up the questions and the answers In an effort to end violent extremism the next questions that must be pursued are these How shall we prevent and undo extremism especially the militant and violent kind In this world of violent extremism what curriculum designs educational programs and pedagogies shall we employ to develop competent citizens civic leaders and pastors as well as resilient communities

Religion, Diversity and Conflict International Academy of Practical Theology. Meeting, 2011 While religion can be a source of healing peace and reconciliation it can also be a trigger if not an underlying cause for conflict between peoples of varying beliefs With that awareness the International Academy of Practical Theology convened its 2007 meeting around the theme of Religion Diversity and Conflict From the multiple seminars lectures and studies presented at that meeting a selection was chosen for this book Representing contributions from four continents and drawing upon perspectives from African traditional religions Judaism Islam and Christianity the book offers a rich introduction to the problems and promises of religion in dialogue with 21st century diversity Religion Diversity and Conflict will serve as a veritable primer on the field of practical theology Series International Practical Theology Vol 15
