Cheruparampil, 2001 **Shepherding the Family of God** Fr Gustavo Castillo, 2019-06-18 This is an important book and it comes at a crucial moment when there is growing awareness that we are living in a time of reform and renewal in the Catholic Church The troubles of the Church in our times are not unique In fact we see striking similarities between our times and those of St John of Avila in pre Reformation Europe What Pope Francis has said about our times also applies to St John's times We are not living in an era of change but a change of era As in John's time the Church carries out her mission today in an emerging global society marked by rapid and profound changes technological economic political and cultural These changes challenge the Church's moral authority and institutional structures and call into question her truth claims in a secularizing society In every period of the Church's history the key to her reform and renewal is the reform and renewal of the priesthood Do Diocesan Priests Have a Spirituality? Peter Addai-Mensah, 1997 *The Concept of the Diocesan Priesthood* Joseph Clifford Fenton, 1951 **The Spirituality of the Diocesan Priest in the New Millennium in the Writings of Pope John Paul II** Joseph ShunFeng Wen, 2004 **The Diocesan Priest** David Bohr, 2009-07-01 In a robust and engaging manner David Bohr offers us a thorough review and timely reanalysis of the Catholic diocesan priesthood Biblical historical and sacramental voices dialogue with the relevant documents of the Second Vatican Council other papal pronouncements and the perspectives of some of the major commentators on the state of the Catholic priesthood today Clergy and laity alike will find in Bohr's models of priestly ministry and the topics of consecration mission and celibacy a flash point reigniting the discussion of the past present and future of the Catholic diocesan priesthood *Spiritual Theology of the Priesthood* Dermot A. Power, 1998-01-01 Hans Urs von Balthasar's writings have pastoral implications that even now are barely recognised and hardly developed Here a pastorally experienced theologian who knew von Balthasar personally unfolds this pastoral dimension for the first time Integrating Christology and Ecclesiology with the profound spirituality that for von Balthasar is inseparable from authentic theology Fr Power demonstrates the paradoxical grandeur and weakness of the Catholic priesthood He highlights the roles of the Catholic priest as servant bridegroom shepherd victim teacher prophet celebrant and minister of reconciliation At a time when many priests feel their identity called into question this book offers new hope for the renewal of the priesthood in the Catholic Church Notes from the Underground Donald Cozzens, 2013 In this his most prophetic and personal book Father Donald Cozzens calls attention to a vast underground church whose heart is beating for change and renewal This church is a pilgrim people who believe that the Holy Spirit is loose in the world and whose rumours of wisdom might be found in any of God's people as well as in their ordained leaders Spirituality of the Diocesan Priest in the Writings of John Paul II Owen Keenan, 2001 **An Introduction to Christian Spirituality** F. Cozzens, 2017-06-15 Few today would contest that the priesthood is in a state of crisis The nature and implications of that crisis however remain the subject of considerable discussion and debate In *The Changing Face of the Priesthood* Fr Donald Cozzens offers insight into the crisis by reflecting on the issues challenges concerns and realities of the priesthood today The same year that Pope John XXIII surprised the Catholic world with his call for an ecumenical council Cozzens began his formal study of theology As a seminarian he felt the shaking of the priesthood's foundations The very face of the priesthood was evolving even as he arrived at his first parish assignment A generation later the face of the priesthood continues to reveal new contours fascinating features and sadly some tragic blemishes In *The Changing Face of the Priesthood* Cozzens takes a long honest look at the present state of the priesthood He provides this examination not merely from an empirical scientific perspective but also from a personal pastoral perspective Drawing on clinical data church documents and his nearly forty years of pastoral experience Cozzens gives shape and form to the changing face of the priesthood Through his reflections he leads readers to both concern and hope for the priesthood of the twenty first century Chapters are Discovering an Identity Guarding One's Integrity Loving as a Celibate Facing the Unconscious Becoming a Man Tending the Word Considering Orientation Betraying Our Young and *The Changing Face of the Priesthood* Donald Cozzens PhD a priest and writer is author of two award winning titles *Sacred Silence* and *The Changing Face of the Priesthood* and editor of *The Spirituality of the Diocesan Priest* all published by Liturgical Press He is writer in residence at John Carroll University where he teaches in the religious studies department

Revitalizing the ministerial spirituality of the priests of Xian Xian diocese in China Duan Wei Qiang, 2009 Diocesan priests should be convinced that without a strong spiritual life and a generous apostolic commitment in close union with Christ the Priest and Good Shepherd aiming at the heights of sanctity in line with the spirituality proper to them it will be impossible for them to realize their priestly identity and persevere generously in their ministry In China today everything is changing rapidly For the Chinese diocesan priests these are various challenges and opportunities at the same time Furthermore in the eyes of people a priest is expected to be a humble servant of all a spiritual man and a man of God Therefore to have a strong spiritual life is most important for the present and future diocesan priests What then is the spirituality of a diocesan priest and how to renew the ministerial spirituality of the diocesan priests in the context of Chinese society today The researcher will explore it and present some proposals in this study
