 in understanding the human body and maintaining physical health *Old Religion, New Spirituality: Implications of  
 Secularisation and Individualisation in Estonia* ,2021-09-06 Estonia is often described as one of the most secularised  
 countries in the world in terms of de institutionalisation and de Christianisation Old Religion New Spirituality Implications of  
 Secularisation and Individualisation in Estonia edited by Riho Altnurme starts with the question what are the historical  
 reasons for Estonia to be so secularised The decisive factor in the diminishment in the importance of Christianity was the  
 overlap between social classes and ethnicities The national identity of Estonians became disconnected to any religion Second  
 what are the consequences How are the secularity of Estonia and the picture of individualised religiosity in this country  
 linked This book provides fresh results from surveys archival work and analysis by a group of Estonian researchers  
 Contributors include Riho Altnurme Lea Altnurme Priit Rohtmetes Indrek Pekko Toomas Schvak Ringo Ringvee Alar Kilp and

 China and Hong Kong to discuss the heritage of Husserl s Logical Investigations Readers will learn of the early reception of  
 Husserl s Logical Investigations in China and understand how Husserl s doctrine of intentionality of consciousness has paved  
 the way to a novel phenomenological explication of religious experience *New-Church Messenger* ,1912 *Princeton  
 Alumni Weekly* Jesse Lynch Williams,Edwin Mark Norris,1995 **Semantics and Psychology of Spirituality** Heinz  
 Streib,Ralph W. Hood, Jr.,2015-10-16 This book examines what people mean when they say they are spiritual It looks at the  
 semantics of spirituality the visibility of reasons for spiritual preference in biographies in psychological dispositions in  
 cultural differences between Germany and the US and in gender differences It also examines the kind of biographical  
 consequences that are associated with spirituality The book reports the results of an online questionnaire filled out by 773  
 respondents in Germany and 1113 in the US personal interviews with a selected group of more than 100 persons and an  
 experiment Based on the data collected it reports results that are relevant for a number of scientific and practical disciplines  
 It makes a contribution to the semantics of everyday religious language and to the cross cultural study of religion and to  
 many related fields as well because spirituality is evaluated in relation to personality mysticism well being religious styles  
 generativity attachment biography and atheism The book draws attention to the new and ever changing ways in which people  
 give names to their ultimate concern and symbolize their experiences of transcendence **Messy Methods in**

**Researching Religion** ,2025-05-03 This unique book investigates the real world complexities challenges and mistakes that are often encountered when researching religion values and culture Featuring the reflections of researchers from across the social sciences and humanities it offers vivid accounts of designing and executing both small scale and much larger projects Some chapters describe in detail the process and rationale behind methodological decisions including challenges adaptations and revisions Others reveal how things went wrong in the research process even past the point of recovery and what was learned There is reflection on wider conceptual theoretical and ethical debates about religion and what they mean in practice In acknowledging the messiness of researching religion the volume seeks to humanize and improve it The honest reflections it contains will help researchers avoid some common mistakes and face others openly without losing heart *Spiritually Speaking II* Rev. Ronald L. Koch,2018-03-03 In this book I will talk about those things with the express purpose of helping you to recognize the fact that problems pop up in our life all the time There are answers to all problems even though they are not always obvious Problems are part of life so that we can learn and be challenged by them in order to grow spiritually The first article talks about Life s Little Problems and the fact that we all have them The second article in this book I talk about Who Am I The reason for this article is that people have told me that they know me very well but in reality we cannot really know anyone The third article wants you to answer the question Do You Know What I m Thinking Is it even possible
