Spiritually Yours Applying Gospel Principles For Personal Progression:

Spiritually Yours S. Brent Farley, 1982 We must all learn how to keep the commandments and how to follow the process of repentance in order to stay on the straight and narrow road Through humility in our lives and by living in moderation all of God's children are able to gain eternal life This book is important for all Latter-day Saints because it demonstrates that the goal of exaltation is within the grasp of all who will put forth the effort require What's So Good about Christianity Emma S. Etuk, 2000 Dialogue, 1984 A journal of Mormon thought Discovering Your Temple Insights Aaron, Julie Bujnowski, 2023-03-22 For Latter-day Saints the temple is a most sacred place where we can make covenants with our Father in Heaven and receive His guiding inspiration But there is more to the experience than simply visiting the temple grounds and following the motions Using personal anecdotes and fundamental gospel doctrine authors Aaron and Julie Bujnowski present an approach for attending the temple spiritually as well as physically With writing space to record your thoughts and question prompts to inspire deeper thinking on sacred topics found in the temple this guide will help you recognize the divine patterns and symbolism of temple principles apply broader temple insights to your specific circumstances see that we are all imperfect children progressing toward perfection Attending the temple regularly is not a checkmark or a chore on the road to salvation it is a heavenly gift and a divine opportunity to feel the Lord's presence and receive personal revelation from Him This reverent workbook will revitalize your temple experience and help you gain greater insights from your Savior in His house **The Fixed and the Voluntary Principles** Edward Miall, 1859 Subject Guide to Books in Print, 1993 Book of Mormon Seminary Home-Study Guide The Church of Jesus Christ of Latter-day Saints, 2013-10-22 The home study seminary program is designed to help you strengthen your understanding of the gospel of Jesus Christ and apply its teachings in your daily life through a study of the scriptures For your study this school year you will first complete reading assignments from the scripture text for this course the Book of Mormon and then you will complete the individual lessons Once a week you will meet with a seminary teacher to submit your work and participate in a weekly lesson Seminary is a daily religious education program Prayerfully studying your scriptures should be a daily practice You will need to work on your seminary assignments each school day even though you will not attend a seminary class each day There are 32 units to be completed during the course The reading chart on page viii shows what you should study for each unit Your teacher will help you understand when each unit is due The lessons in this study guide should each take about 30 minutes to complete in addition to your daily scripture study You should have two scripture study journals or two notebooks separate from your personal journal in which you will write the assignments from the study guide activities Each week that you meet with your teacher you should turn in the scripture study journal containing the completed assignments from the study guide activities you completed for that week Your teacher will read and respond to the assignments and return that scripture study journal to you the following week You could also write your responses on paper in a loose leaf binder and turn in the pages you did that

week Then when your teacher returns the pages you could put them back into the notebook

The DEVIL'S ADVOCATE: A Spiritual Man's Case Against the LORD God Dr. Alonzo Richard Fleming Jr.,2008-01-31 The Serpent Told the Truth But he is called the Devil And though LORD God admitted to the truth he still cursed all mankind plus GOD s creation Though he is the evil one he is worshipped as a loving God And his children act out of his evil nature universally Dr Alonzo Fleming Jr presents a compelling case against LORD God He is willing to say what everyone is thinking For centuries man has resisted and quieted the voice inside his own head that asks the obvious questions How could God curse his own children and creation then call it love How could he tell everyone else to love their enemies yet he gladly kills his own How could he instruct us to bless and not curse yet he curses Why would God set his children up to die in the first place We challenge the reader to consider what we say in the light of the world s present condition Who is controlling the present world He that blessed or he that cursed Be instructed
