Stand the Storm Lynn Abbott, Doug Seroff, 2025-07-15 Black education in the South was the great social program of the post Civil War era Desperately strapped for operating capital the first freedmen's schools resorted to a bold fundraising experiment Student troupes were sent to the North singing Negro spirituals the sacred songs of slavery in order to generate goodwill and entice

financial support The Fisk University Jubilee Singers set this strategy in motion in 1871 in the wake of their success it was adopted by HBCUs throughout the Southland Intrepid student singers introduced the outside world to the Negro spirituals the genuine jewels they brought from their bondage and sang up school buildings in the process Negro spiritual singing was a revelation for the northern public it was their initial exposure to an emergent distinctly American kind of creative energy Male quartets became the standard bearers of this venerable Black music tradition In Stand the Storm Spiritual Quartet Singing in the Struggle for Black Education award winning authors Lynn Abbott and Doug Seroff dive into the history of three generations of fundraising quartets from seven representative schools Fisk Hampton Tuskegee Penn Calhoun Utica and Piney Woods They acknowledge the heroic founders of the schools and restore the names of forgotten singers to the historical record They reevaluate the industrial education model that guided these schools Finally they plot the evolution of Negro spiritual singing after Emancipation by scrutinizing early published song collections and comparing them with songbooks and recordings from subsequent eras

Choral Music in Nineteenth-Century America Lee N. Orr, Dan W. Hardin, 1999-08-28 Choral music represented an important part of American cultural life during the nineteenth century whether integral to worship or merely for entertainment Despite this history choral music remains one of the more neglected studies in the scholarly community In an effort to fill this gap N Lee Orr and W Dan Hardin offer a new approach to the study of choral music by mapping out and bringing bibliographical control to this expansive and challenging field of study Their unique guide focuses on literature related to choral music in the United States from the end of the second decade of the nineteenth century through the earlier part of the twentieth century Choral Music in Nineteenth Century America explores the entire range of choral music conceived written published rehearsed and performed by an ensemble of singers gathered specifically to present the music before an audience or congregation The guide expertly sifts through the extensive literature to cite the most notable sources for study and provides individual chapters on the leading nineteenth century composers who were instrumental in the development of choral music
