Splendid Obsession:

Now To Him J. John, Simon C Ponsonby, 2011-08-10 The authors a theologian and a worship leader are concerned that modern worship is growing self indulgent more about performance less about an encounter with the divine They consider what the Bible teaches about worship addressing four key concerns Worship as entertainment worship which lacks wonder and awe worship as irrelevant to mission worship which gratifies the worshipper rather than honouring the Almighty The authors each contribute six chapters looking at biblical aspects of worship They tackle worship and holiness worship with passion worship and the danger of idolatry How they ask can we rediscover the mystery of an encounter with God in corporate worship How can leaders open themselves and their congregations to the heart of God releasing his presence and power How should we craft the unique dynamic of a people gathered to sing to God **The Art of Appreciation** Peggy Halevi, 2009-12 The Art of Appreciation by Peggy Halevi uplifts its readers with personal encouragement to create a much better life through responsible positive thinking and thought heart emotional connections The reader is inspired to utilize the procedures described to relax into a growing awareness of their own happiness and self worth through the simple act of Appreciating The book entwines real experiences stories feelings and profound wisdom into contributing factors of enlightenment based upon the Law of Attraction **Stalking the Antichrists (1965-2012) Volume 2** George E. My Petition For More Space John Hersey, 2019-09-04 A street in New Haven A line of people blocks long more closely packed than the rush hour subways of the good old times Poynter has been on the line since before dawn

as are thousands of others pressed together waiting their turns at the window to present their individual petitions His is for more space a notion so preposterous that when it is discovered it shocks reverberates down the line almost triggering violent reactions In front of Poynter so tightly jammed against him that he can see no more than the side of her face is a girl petitioning to change her job And locked together in this fearful proximity they talk explore their predicaments and perhaps fall in love My Petition for More Space chills by its glimpse of a world grown so crowded that dissent is an inconceivable crime and acquiescence the law of survival Feelings of hope and fear desire anger frustration erupt sporadically sparked by the friction of numbers Call it tonight s disturbing dream or a coldly logical scenario of things to come John Hersey s taut novel stings the mind

Fingerprints of the Gods Graham Hancock,2025-06-17 Could the story of mankind be far older than we have previously believed Using tools as varied as archaeo astronomy geology and computer analysis of ancient myths Graham Hancock presents a compelling case to suggest that it is Graham Hancock is featured in the popular Ancient Apocalypse a Netflix original docuseries Hancock structure his arguments through the scientific method He s asking the right questions If it s true then it can significantly change the course of history and our understanding of our civilisations Medium In Fingerprints of the Gods Hancock embarks on a worldwide quest to put together all the pieces of the vast and fascinating jigsaw of mankind s hidden past In ancient monuments as far apart as Egypt s Great Sphinx the strange Andean ruins of Tiahuanaco and Mexico s awe inspiring Temples of the Sun and Moon he reveals not only the clear fingerprints of an as yet unidentified civilization of remote antiquity but also startling evidence of its vast sophistication technological advancement and evolved scientific knowledge A record breaking 1 bestseller in Britain Fingerprints of the Gods contains the makings of an intellectual revolution a dramatic and irreversible change in the way that we understand out past and so our future And Fingerprints of the Gods tells us something more As we recover the truth about prehistory and discover the real meaning of ancient myths and monuments it becomes apparent that a warning has been handed down to us a warning of terrible cataclysm that afflicts the Earth in great cycles at irregular intervals of time a cataclysm that may be about to recur

Integrated Ego Psychology David P. Farrington,2017-07-05 Ego psychology is the aspect of psychoanalytic theory concerned with how people adapt to the demands and possibilities of their worlds in accordance with their inner requirements All substantial theories of personality refer to adaptation but there are several features special to ego psychology It offers by far the most elaborate picture of the adaptive apparatus and of the varied devices humans have for negotiating among their drives and their life situations More than any other theory of psychology it emphasizes the complicated transactions that go on in people s minds of which many are outside conscious awareness Norman A Polansky argues that we must be disciplined enough to commit ourselves to one consistent line of theory if we are to harness reasoning to go beyond what we can directly observe Few who are or aspire to be caseworkers therapists or counselors come to this book innocent of all the ideas contained herein Much will seem familiar from previous training and

from experiences with people Moreover many Freudian terms have been adopted into the working vocabularies of all educated people Words like instinctual drive defense mechanism anxiety guilt conflict unconscious and the like are used all the time in estimating each other One task of Integrated Ego Psychology is defining such terms with precise meanings as well as showing the logical connections among them Psychoanalytic theory has envolved for about a century and some grand simplicities have finally emerged This book for practitioners indicates the need for a theory to guide work if we are to help people effectively The theory must be elaborate enough to cover a very wide range of human activity and it must meet certain other standards as well
