J. Rushdoony, 2023-06-09 We live in an age of practical atheism where men pay lip service to God and then do as they please Our time is marked by a failure to meet our responsibility while believing that nothing will happen that God will not judge His church as He's judged His people throughout history As we know judgment begins at the house of God because the church bears the greater burden of guilt for possessing the greater privileges of God's covenant grace salvation and courage We must take our lesson from Jerusalem of old to whom God sent prophets like Zephaniah Haggai and Zechariah to remind them of their covenant responsibility to provide the standard and word to the wicked nations around them In this volume R J Rushdoony brings out the two edged sword of God's law word through these three minor prophets to both warn and encourage us to greater faithfulness and ministry Like the faithful in ancient Jerusalem we can feel small marginalized and peripheral to history but Rushdoony reminds us that our security and effectiveness are determined by the God who controls history and not the evil machinations of men In this book is the message of hope that we desperately need right now To continue the great work of Christian Reconstruction we must walk by faith and not focus on the smallness of our efforts or our seemingly small results We must set our hearts and minds on the reality of God's promises and know that all power and dominion are in His hands What we cannot do God does not ask us to do What we can do God requires us to do We must stand in obedience to God and fulfill our responsibility to be faithful in our duty and calling as workers parents ministers and churchmen As heirs together of the grace of life 1 Peter 3:7 our obedience helps our prayers to be heard and God's judgment to be enacted The future belongs to the dedicated minorities who commit themselves to God and His Word while not despising the day of small things This is how we face the world of our day *NLT, New Spirit-Filled Life Bible* Thomas Nelson, 2013-06-18 Find the Holy Spirit throughout the Bible Dr Jack Hayford founding pastor of The Church on the Way has led a team of anointed leaders to produce the New Spirit Filled Life Bible This outstanding resource offers a fresh look at the Scriptures and the work of the Holy Spirit This Bible addresses important issues of Spirit filled living in the context of solid biblical scholarship Features include Kingdom Dynamics 41 themes throughout the Scripture that give us values as we advance the gospel throughout the world Word Wealth More than 550 key terms defined and brought to life pulling the language from the original Greek and Hebrew to everyday English Truth In Action Practical charts pulling out

S. Idestrom,2023-02-10 What does Scripture mean when it speaks of the glory of God The answer to this question is not as straightforward as we might think In Show Me Your Glory Rebecca Idestrom invites the reader on a journey to discover what the Old Testament teaches us about God s glory While exploring this biblical theme she examines various scriptural passages about the glory of the LORD within their larger narrative context in each biblical book She also considers the different key words used for glory as well as the many diverse images and themes connected to God s glory This thematic investigation demonstrates that the Old Testament Scriptures present a deeply profound and multifaceted portrait of the glory of God Although it is impossible to fully capture what the Bible says about God s majestic glory Show Me Your Glory yields many wonderful insights into its depiction meaning and significance resulting in a deep and rich biblical theology of divine glory      *Ezra & Nehemiah* Matthew Levering,2007-10 This commentary on Ezra Nehemiah provides guidance to pastors and academics in reading the Bible under the rule of faith      *The Books of Haggai and Malachi* Pieter A. Verhoef,1987-03-10 Verhoef s study on the Books of Haggai and Malachi is part of The New International Commentary on the Old Testament a series which devotes considerable care to achieving a balance between technical information and homiletic devotional interpretation The commentary itself is based on the author
