Splendor Edward Swift, 1978-12-12 *The Violet Hour* David Bergman, 2004 The members of the literary circle known as the Violet Quill Andrew Holleran Felice Picano Edmund White Christopher Cox Michael Grumley Robert Ferro and George Whitmore collectively represent the aspirations and the achievement of gay writing during and after the gay liberation movement David Bergman s social history shows how the works of these authors reflected advanced and criticized the values principles and prejudices of the culture of gay liberation In spinning many of the most important stories gay men told of themselves in the short period between the 1969 Stonewall Riots and the devastation of the AIDS epidemic during the 1980s the Violet Quill exerted an enormous influence on gay culture The death toll of the AIDS epidemic including four of the Violet Quill s seven members has made putting such recent events into a historical context all the more important and difficult The work of the Violet Quill expresses the joy suffering grief hope activism and caregiving of their generation The Violet Hour meets the urgent need for a history of the men who bore witness not only to the birth but also to the decimation of a culture State of Minds Don Graham, 2011-03-29 John Steinbeck once famously

wrote that Texas is a state of mind For those who know it well however the Lone Star State is more than one mind set more than a collection of clich s more than a static stereotype There are minds in Texas Don Graham asserts and some of the most important are the writers and filmmakers whose words and images have helped define the state to the nation the world and the people of Texas themselves For many years Graham has been critiquing Texas writers and films in the pages of Texas Monthly and other publications In State of Minds he brings together and updates essays he published between 1999 and 2009 to paint a unique critical picture of Texas culture In a strong personal voice wry humorous and ironic Graham offers his take on Texas literary giants ranging from J Frank Dobie to Larry McMurtry and Cormac McCarthy and on films such as The Alamo The Last Picture Show and Brokeback Mountain He locates the works he discusses in relation to time and place showing how they sprang or not from the soil of Texas and thereby helped to define Texas culture for generations of readers and viewers including his own younger self growing up on a farm in Collin County Never shying from controversy and never dull Graham s essays in State of Minds demolish the notion that Texas culture is an oxymoron **Literary and Visual**

Scheick,2021-05-11 Ann Beattie Annie Dillard Maxine Hong Kingston Toni Morrison Cynthia Ozick Grace Paley Marge Piercy Anne Redmon Anne Tyler and Alice Walker all seem to be especially concerned with narrative management The ten essays in this book raise new and intriguing questions about the ways these leading women writers appropriate and transform generic norms and ultimately revise literary tradition to make it more inclusive of female experience vision and expression The contributors to this volume discover diverse narrative strategies Beattie Dillard Paley and Redmon in divergent ways rely heavily upon narrative gaps surfaces and silences often suggesting depths which are lamentably absent from modern experience or which mysteriously elude language For Kingston and Walker verbal assertiveness is the focus of narratives depicting the gradual empowerment of female protagonists who learn to speak themselves into existence Ozick and Tyler disrupt conventional reader expectations of the anti novel and the family novel respectively Finally Morrison's and Piercy's works reveal how traditional narrative forms such as the Bildungsroman and the soap opera are adaptable to feminist purposes In examining the writings of these ten important women authors this book illuminates a significant moment in literary history when women's voices are profoundly reshaping American literary tradition *Sometimes a Wheel Falls Off* Connie Cronley,2001
