Split Stories From A Generation Raised On Divorce

Margaret McCarthy

Split Stories From A Generation Raised On Divorce:

Not Your Mother's Divorce Kay Moffett, Sarah Touborg, 2010-03-24 No matter what your age divorce is one of life's greatest challenges. But while your parents, friends, and lawyers may be chock full of advice, the truth is that young women who divorce today face a brand new set of issues and possibilities far removed from those of women a generation before. If you're looking for a fresh, empowering, and thoroughly modern guide to starting this new chapter of your life, *Not Your Mother's Divorce* offers the ultimate roadmap, from wading through legal jargon to getting back into society as told by your best girlfriends who've been there. Based on the experiences of more than thirty women who divorced in their twenties and thirties without children, *Not Your Mother's Divorce* offers camaraderie and practical counsel on breaking the news to family and friends, coping with sudden singledom, from living arrangements to changing your name, protecting yourself financially, and dividing your assets. Legalese 101 making the legal process work for you. Reentering the dating scene. How to handle encounters with your ex. Warm and insightful, *Not Your Mother's Divorce* gives you the tools to find your way through this difficult time and emerge a stronger, wiser, happier you.

The Children of Divorce Andrew Root, 2010-08 A recognized authority on youth ministry, Root explores from a theological and spiritual standpoint the baffling sense of loss of self experienced by children of divorce.

Split Ava Chin, 2002 Essays reflect life in homes with divorced parents, discussing familiar issues such as emotional unavailability on behalf of parents living with step parents and adapting to a new lifestyle after a divorce.

Between Two Worlds Elizabeth Marquardt, 2006-09-26 Is there really such a thing as a good divorce? Determined to uncover the truth, Elizabeth Marquardt herself a child of divorce, conducted with Professor Norval Glenn a pioneering national study of children of divorce, surveying 1,500 young adults from both divorced and intact families between 2001 and 2003. In *Between Two Worlds*, she weaves the findings of that study together with powerful, unsentimental stories of the childhoods of young people from divorced families. The hard truth she says is that while divorce is sometimes necessary, even amicable divorces sow lasting inner conflict in the lives of children. When a family breaks in two, children who stay in touch with both parents must travel between two worlds, trying alone to reconcile their parents' often strikingly different beliefs, values, and ways of living. Authoritative, beautifully written, and alive with the voices of men and women whose lives were changed by divorce, Marquardt's book is essential reading for anyone who grew up between two worlds. Makes a persuasive case against the culture of casual divorce. *Washington Post*. A poignant narrative of her own experience, Marquardt says she and other young adults who grew up in the divorce explosion of the 1970s and 1980s are still dealing with wounds that they could never talk about with their parents. *Chicago Tribune*.

Asian American Literature Keith Lawrence, 2021-08-25 *Asian American Literature: An Encyclopedia for Students* is an invaluable resource for students curious to know more about Asian North American writers, texts, and the issues and drives that motivate their writing. This volume collects in one place a breadth of information about Asian American literary and cultural history, as well as the authors and texts that best define it.

A dozen contextual essays introduce fundamental elements or subcategories of Asian American literature expanding on social and literary concerns or tensions that are familiar and relevant. Essays include the origins and development of the term Asian American, overviews of Asian American and Asian Canadian social and literary histories, essays on Asian American identity, gender issues and sexuality, and discussions of Asian American rhetoric and children's literature. More than 120 alphabetical entries round out the volume and cover important Asian North American authors. Historical information is presented in clear and engaging ways, and author entries emphasize biographical or textual details that are significant to contemporary young adults. Special attention has been given to pioneering authors from the late 19th century through the early 1970s and to influential or well-known contemporary authors, especially those likely to be studied in high school or university classrooms.

Helping Those Experiencing Loss Robert J. Grover, Professor Emeritus, Susan G. Fowler, 2011-07-13 This book provides a guide for grieving youth and adults as well as extensive descriptive lists of recommended professional literature resources. Grief caused by loss is both a very common human experience and a highly individualized one. For example, children experience a number of losses that are unique to their young age, such as sibling and parent death, adoption, or divorce, and should be given special consideration by professionals and parents helping them in these situations. For gay, lesbian, or cohabiting heterosexual couples that suffer the loss of a partner, societal standards often deny the survivors in these relationships the right to grieve. *Helping Those Experiencing Loss: A Guide to Grieving Resources* is a book like no other, supplying compassionate information for navigating the emotional distress that every man and woman will experience in their lifetime, as well as a comprehensive guide to the literature of bereavement and grieving. It explains the grieving process, interpreting the results of research on the topic in plain language, and addressing specific groups: children, young adults, parents who have lost a child, adults who have lost spouses, and the aging population.

How to Sleep Alone in a King-Size Bed Theo Pauline Nestor, 2009-02-03 I feel like I've joined an enormous club, something like the Veterans of Foreign Wars. We are weary with battle fatigue and sometimes even gripped by nostalgia for the good old, bad old days, but our numbers are large. Writes Theo Pauline Nestor in this wry, fiercely honest chronicle of life after divorce: Less than an hour after confronting her husband over his massive gambling losses, Theo banishes him from their home forever. With two young daughters to support and her life as a stay-at-home mother at an abrupt end, Nestor finds herself slipping from middle-class grace as she attends a court-ordered custody class, stumbles through job interviews, and much to her surprise falls in love once again. As Theo rebuilds her life and recovers her sense of self, she's forced to confront her own family's legacy of divorce. I'm from a long line of stock market speculators, artists of unmarketable talents, and alcoholics, writes Nestor. The higher, harder road is not our road. We move, we divorce, we drink, or we disappear. Nestor's journey takes her deep into her family's past to a tiny village in Mexico where she discovers the truth about how her sister ended up living in a convent there after their parents divorced in the early sixties. What she learns ultimately brings her closer to understanding her own divorce and its impact on

her two daughters I knew from experience that for children divorce means half the world is constantly eclipsed When you re with one parent the other must always slip out of view Nestor writes Funny openhearted and brave How to Sleep Alone in a King Size Bed will speak to anyone who has passed through the halls of divorce court or risked tenderness after loss It marks the debut of an enchanting deeply truthful voice Torn Asunder Margaret McCarthy,2017-01-22 A timely unsettling of old settled questions surrounding divorce Amid the current nationwide debate over what marriage is this book examines anew the nature and meaning of marriage from the standpoint of what adult children of divorce have actually experienced Upholding the inextricable link between our personal identity and our origin in a union of two and more deeply in the Fatherhood of God the contributors to this volume reflect on the damage that divorce does to children opening up important questions for all of us What does it mean to be human What does it mean to love and to marry After decades of talk about the rights of adults to get a divorce and the benefits for children of an amicable split between parents a so called good divorce these authors theologians philosophers political scientists lawyers psychologists sociologists and cultural critics effectively unsettle conventional opinion **Mott Street** Ava Chin,2024-04-23 Essential reading for understanding not just Chinese American history but American history and the American present Celeste Ng 1 bestselling author of Little Fires Everywhere TIME 100 Must Read Books of 2023 San Francisco Chronicle s Favorite Nonfiction Kirkus Best Nonfiction of 2023 Winner of the Chinese American Librarians Association Best Non Fiction Book Prize Library Journal Best Memoir and Biography of 2023 One of Elle s Best Memoirs of 2023 So Far An ALA Notable Book The Angela s Ashes for Chinese Americans Miwa Messer Poured Over podcast As the only child of a single mother in Queens Ava Chin found her family s origins to be shrouded in mystery She had never met her father and her grandparents stories didn t match the history she read at school Mott Street traces Chin s quest to understand her Chinese American family s story Over decades of painstaking research she finds not only her father but also the building that provided a refuge for them all Breaking the silence surrounding her family s past meant confronting the Chinese Exclusion Act of 1882 the first federal law to restrict immigration by race and nationality barring Chinese immigrants from citizenship for six decades Chin traces the story of the pioneering family members who emigrated from the Pearl River Delta crossing an ocean to make their way in the American West of the mid nineteenth century She tells of their backbreaking work on the transcontinental railroad and of the brutal racism of frontier towns then follows their paths to New York City In New York s Chinatown she discovers a single building on Mott Street where so many of her ancestors would live begin families and craft new identities She follows the men and women who became merchants paper son refugees activists and heads of the Chinese tong piecing together how they bore and resisted the weight of the Exclusion laws She soon realizes that exclusion is not simply a political condition but also a personal one Gorgeously written deeply researched and tremendously resonant Mott Street uncovers a legacy of exclusion and resilience that speaks to the American experience past and present **Generation Ex** Jen Abbas,2004 In this book for adult children

of divorce Abbas helps them to understand the gives them the tools to create a dramatically different legacy **Divorce**
 Laurie Willis,2007 Discusses the affects of divorce its prevalence in the United States and its effects on children families and
 society Divorce Christina Fisanick,2007 Essays discuss the effect of marriage contracts on the rate of divorce the affect
 of divorce on social values the positive and negative aspects of divorce and the role of court systems in divorce proceedings
Overcoming Your Parents' Divorce Elisabeth Joy LaMotte,2008 A guide for adult children of divorce that discusses how to
 identify their inherited distrust of relationships and go on to have rich fulfilling and lasting relationships of their own
Forthcoming Books Rose Arny,2002 **The Publishers Weekly** ,2002 **Body & Soul (Watertown, Mass.)** ,2002
The Family Auriana Ojeda,2003 Authors examine the state of the family discussing marriage and divorce alternative
 families adoption and family policies **Books in Print Supplement** ,2002 *Generation Esther* Lisa Ryan,2013-01-16
 Just as Esther was set apart for her destiny by her character and her commitment to God He is preparing young women today
 to influence their generation for Him This companion book to For Such a Time as This profiles the lives of several modern
 day Esthers from headliners like Rebecca St James Heather Mercer and Dayna Curry to low profile unexpected heroines
 Each girl s story illustrates important character strengths such as purity friendship honesty advocacy prayer servanthood and
 courage that influenced her response to challenging choices and cultural pressures These profiles will inspire every young
 woman who wonders what God can do through her You re more than just a pretty face You want something more In a culture
 that wants you to live for sex hate your parents become apathetic and get wasted something inside is calling you to a life of
 purpose And you re not alone Rebecca St James Heather Mercer and Dayna Curry are just a few examples of Gen E girls
 young women who like Esther in the Bible have been set apart for an incredible destiny by their intense commitment to God
 These profiles of modern day Esthers ordinary girls in the hands of an extraordinary God will inspire you to find out how God
 is preparing you for such a time as this **The British National Bibliography** Arthur James Wells,2004

Split Stories From A Generation Raised On Divorce Introduction

In today's digital age, the availability of Split Stories From A Generation Raised On Divorce books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Split Stories From A Generation Raised On Divorce books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Split Stories From A Generation Raised On Divorce books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Split Stories From A Generation Raised On Divorce versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Split Stories From A Generation Raised On Divorce books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Split Stories From A Generation Raised On Divorce books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Split Stories From A Generation Raised On Divorce books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them

accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Split Stories From A Generation Raised On Divorce books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Split Stories From A Generation Raised On Divorce books and manuals for download and embark on your journey of knowledge?

FAQs About Split Stories From A Generation Raised On Divorce Books

1. Where can I buy Split Stories From A Generation Raised On Divorce books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
