The Heavenly Octave Frank William Boreham,1939 *The Heavenly Octave* F. W. Boreham,2013-10 This is a new release of the original 1936 edition **The Heavenly Octave** Frank Boreham,1936 The world has its own idea of blessedness Blessed is the man who is always right Blessed is the man who is satisfied with himself Blessed is the man who is strong Blessed is the man who rules Blessed is the man who is rich Blessed is the man who is popular Blessed is the man who enjoys life These are the beatitudes of sight and this present world It comes with a shock and opens a new realm of thought that not one of these men entered Jesus mind when he treated of blessedness Ian Maclaren p 8 **The Beatitudes through the Ages** Rebekah Eklund,2021-04-27 The Beatitudes are among the most influential teachings in human history For two millennia they have appeared in poetry and politics and in the thought of mystics and activists as Christians and others have reflected on their meaning and shaped their lives according to the Beatitudes wisdom But what does it mean to be hungry or meek or pure in heart Is poverty a material condition or a spiritual one And what does being blessed entail In this book Rebekah Eklund explores how the Beatitudes have affected readers across differing eras and contexts From Matthew and Luke in the first century to Martin Luther King Jr and Billy Graham in the twentieth Eklund considers how men and women have understood and applied the Beatitudes to their own lives through the ages Reading in the company of past readers helps us see how rich and multifaceted the Beatitudes truly are illuminating what they might mean for us today Heavenly Octave Frank Boreham,1979-03-01 **The Workbook on the Beatitudes** Maxie Dunnam,Kimberly Dunnam Reisman,2017-02-01 Want to become more Christlike in your daily life Best selling father daughter authors Dunnam and Reisman will help you do that through this 8 week study When we wrote our previous workbook on the 10 Commandments we intended to add a workbook on the Beatitudes said Dunnam and Reisman The 10 Commandments from Mount Sinai and the Beatitudes from the mount in Capernaum combine to provide a way to be to walk and to relate They offer critical values and principles to guide our every decision While the 10 Commandments bear the notion of terrible judgment and what not to do the Beatitudes offer promise and blessedness to the humblest the weakest the weariest Jesus masterpiece sermon is the blueprint for Christlike living Journey to the slopes above Capernaum where Jesus delivered history s greatest most sublime sermon Be challenged to view the Beatitudes not just as a code of conduct to obey but as ethics of grace leading to kingdom living As with other workbooks by Dunnam this book connects wisdom from the Bible Christian tradition and theological insight with how you live your life each day You ll find these helpful tools daily readings tied to biblical text exercises for reflection and blank space to record responses practical suggestions for weaving ideas into your life detailed plans for weekly group meetings Live the lifestyle of the new creation by adopting the true Jesus way of life The Upside Down Kingdom Chris Castaldo,2023-05-19 An Examination of the Beatitudes and Jesus s Counterintuitive Promises In our sinful world we often struggle with anxiety loneliness and heartache Everywhere we look we see broken families and divided communities

How can we truly cultivate God's kingdom on earth as it is in heaven in such a broken place In the Beatitudes Matthew 5:2-12 Jesus urges us to set ourselves apart from the world living in a counterculture with a new identity rooted in him The Upside Down Kingdom examines this counterintuitive wisdom and explores its relevance for today Drawing on insights from the biblical story of redemption church fathers Reformation scholars throughout history and contemporary life this book equips and encourages readers to get their spiritual bearings in an upside down world Author Chris Castaldo ultimately points readers to the kingdom of Christ not as a set of rules but as a means of bringing peace and blessing here and now Written for Laypersons and Teachers of the Word Perfect for those interested in issues confronting the church Thorough Study of the Beatitudes Each chapter explores a core teaching in Christ's Sermon on the Mount Appeals to Pastors and Disciple Makers A historically informed biblically rich and countercultural vision of Christian life Download Study Guide
