Juicing Recipes For Weight Loss Valerie Alston, 2013-09-29 Juicing is the process of extracting the juice from different fruits and vegetables and drinking the juice instead of eating the whole fruit and vegetable raw or cooked Juicing is now a popular method of consuming fruits and vegetables because of several reasons One juicing makes it easy for people to consume vegetables especially if they don't love the taste of these foods Since juicing just means gulping down the juice instead of chewing it the taste no longer has to linger in the taste buds longer This is the same with those who do not love the taste of certain fruits Two juicing is a lot easier and healthier than when you cook vegetables because it only takes minutes and you can already have a nutrient packed meal or snack
