 campaign to articulate nationality transformed every facet of culture from architecture to painting and in the realm of letters
 literary jingoism embroiled American authors in the heated politics of nationalism The age demanded stirring images of U S
 virtue often achieved by contriving myths and obscuring brutalities Between these sanitized narratives of the nation and U S
 social reality lay a grotesque discontinuity vehement conflicts over slavery Indian removal immigration and territorial
 expansion divided the country Authors such as Washington Irving James Fenimore Cooper Catharine M Sedgwick William
 Gilmore Simms Nathaniel Hawthorne and Lydia Maria Child wrestled uneasily with the imperative to revise history to
 produce national fable Counter narratives by fugitive slaves Native Americans and defiant women subverted literary
 nationalism by exposing the plight of the unfree and dispossessed And with them all Edgar Allan Poe openly mocked literary
 nationalism and deplored the celebration of stupid books appealing to provincial self congratulation More than any other
 author he personifies the contrary alien perspective that discerns the weird operations at work behind the facade of
