Bardson Wolfe James Blackthorne, 2014-07-28 The author James Blackthorne portrays his characters as having a strong fighting spirit The main emphasis is on a character referred to as Bardson Wolfe He is the son of the grand wizard Leon Davith Bard is a Glorious Golum that faces overwhelming odds in this well placed adventure The bronze Golum remains true to his ideals and takes a firm commitment to his father despite every setback Leon returned to the room with the large mirror The pen was still lying on the desk He sat down with his son Bard and explained how generations upon generations born into the Black Army culture rose to die None questioned it none cared and their culture was founded around the ideal of slaughter of merciless battle They knew nothing of cities save for the ones they razed and when none would challenge or oppose them in their great power they would challenge themselves battling their own ranks for the sake of maintaining the slaughter Eventually this self sustaining death machine this device of war mutated into the ones that were known today as the Black Army The Army was the result of the chaotic masses suddenly coming Some called them the black ones others Shadow lords None dared to call them a friend It was here that battle was fought daily not for the sake of any ideal or concept but due to the sheer boredom the armies had amassed for many ages long since born into the culture of war a civilization forged from death new lord was proclaimed A far more savage brutal and intelligent lord than the Black Army could have ever hoped for And this new high general began creating a bastion for the otherwise vagrant army of darkness and once it had been devised he took a name fitting his status and power Malakaezar the Black Dragon head of the army of darkness But he wasn't content to merely let his army settle into the Dark Continent as his predecessor had and hungrily this rogue turned his gaze to the lands beyond licking his lips at the unfazed lands just Bardson Wolfe the high golem was up to Screaming as those heads fell over them the black warriors

perished then and there at the hands of the Sarganatas Hydra a horrific monster that planted itself into the ground waiting for prey to come to it Born to destroy born to kill raised from the youngest available age to kill or be killed to devote oneself to senseless bloodshed And no god could hold sway over their hearts They knew for many were those who had been attacked by divine magic intended to sway their hearts away from what the majority of the warriors considered to be their true purpose However to a black warrior such as divine magic was simply considered a jest for gods could never exist within their hearts They were immune to holy intervention though it had been tried many times Most if not all the warriors were so resilient to divine magic and spells that a single warrior could weather out a smite spell considered to be the strongest of Divine Magic because the God connected to it was the one attacking *The Christian Satanist* Lucifer Jeremy White,2022-02-25 A truly good look into the religion of Christian Satanism and The Christian Satanist s place within it Christian Satanism is a worldly gray sided religion worked into the middle area of life its thoughts things and substance It gives its followers both a soul and a spirit and a love for earth and our lives within it After all the world exists between heaven and hell It prefers philanthropy and morality over being sinister or diabolical in some sort of weird way On the other hand it doesn t strive to judge or condemn through Christianity This book is for anyone who may find the gray side a more attractive thing **The Mammoth Book of Best New Horror** Stephen Jones,Ramsey Campbell,2003 **Slayer's Heart** Marcelle Cooper,2014-02-09 Since childhood Sufoh has lived his life according to the principle of Slayer s Heart a technique which rids him of all emotion and renders him a ruthless bloodthirsty killer Such a reputation is a badge of honor among the warrior race of Macaris from which he hails But when Sufoh accidentally releases six legendary demons that threaten to plunge the world into chaos he must leave his people to undo what he has done As he ventures into a world that hates and fears him Sufoh is forced to confront not only the evil he has unleashed but the evil within himself and learn what it truly means to be human **Realm of the Black Mountain** Elizabeth Roberts,2007 Comparatively little is well known about Europe s newest and one of its smallest independent states the small mountain fastness Montenegro In a book written for specialists and general readers alike Elizabeth Roberts traces its history from pre Slavic times including its part in the 1389 battle of Kosovo and its prominent role in resisting the Ottomans She recounts Montenegro s development under its Prince Bishops toward the independence achieved at the Congress of Berlin and lost after the Versailles Conference when the Podgorica Assembly voted to join the new Kingdom of Yugoslavia When Slobodan Milosevic spoke of Montenegro and Serbia as two eyes in the same head he encapsulated a view that has deep roots in both nations But not all Montenegrins agreed and many chafed at being forced to play the role of Serbia s junior partner Indeed Montenegro s complex and shifting cultural and political identity is the main theme of Roberts s witty and dispassionate book which culminates in Montenegro s defining referendum and subsequent international recognition in the summer of 2006 The history of Montenegro is at once a colorful often bloodily violent story and instructive about how land religion and politics both domestic and international have
