Social Work Practice With Clients Who Have Alcohol Problems

Michael G. Vaughn, Brian E. Perron

Social Work Practice With Clients Who Have Alcohol Problems:

Social Work Practice with Clients who Have Alcohol Problems Edith M. Freeman, 1985 *Social Work Practice in the Addictions* Michael G. Vaughn, Brian E. Perron, 2012-12-09 Social workers represent the largest body of addiction and mental health service providers and there is a consistent need for up to date information Social Work Practice in the Addictions is a comprehensive evidence based volume Contributing authors of this volume have been carefully selected to ensure representation of the leading social work addiction researchers Additionally researchers from other allied fields including psychiatry psychology and public health will also be involved to ensure a strong interdisciplinary perspective Unlike other texts on addiction this book incorporates ideas of social justice practice with diverse communities and ethics to represent the entire knowledge base of social work

International Aspects of Social Work Practice in the Addictions Shulamith L A Straussner, Larry Harrison, 2014-06-03 Examine the worldwide phenomenon of substance abuse and addiction International Aspects of Social Work Practice in the Addictions examines current social work practice in the addictions around the world Researchers and practitioners address the abuse of and addiction to alcohol and other drugs and the current policies impacting the treatment of these substances in different countries The book looks at the substances abused the scope of the problems the social reactions the treatment approaches and the role of professionals in addressing issues unique to each country providing a more critical understanding of the socioeconomic and cultural influences on treatment systems International Aspects of Social Work Practice in the Addictions presents cross cultural perspectives on the effects of substance abuse and addiction on social policies institutional practices sources of funding and social work methods The book examines the rapid social changes that go hand in hand with increased rates of psychoactive substance problems and recognizes addiction as a complex biopsychosocial phenomenon that responds to intervention The countries represented by the book s contributors include Israel Ireland Germany Australia Singapore the Netherlands the United Kingdom the former Soviet Union and the United States International Aspects of Social Work Practice in the Addictions also includes book reviews related to cultural issues and a roundtable discussion concerning the legalization of drugs with perspectives from Australia the United Kingdom and the United States This unique book is a vital resource for clinicians academics and researchers

Alcohol, Social Work, and Helping Stewart Collins, 2023-09-29 First published in 1990 Alcohol Social Work and Helping provides coherent and imaginative advice on how to counsel the growing number of clients whose use of alcohol causes of problems It locates intervention within societal and agency contexts and tackles such practical issues as how to work with a problem drinker which short term goals to suggest what kind of help to apply and how to assist in the event of a relapse The contributors with backgrounds in academic statutory and voluntary settings focus on key areas of intervention family and group contexts and there is a chapter on the particular circumstances and needs of women All relevant information both general and specialized is presented in a clear easy to read style and is aimed at developing existing

knowledge and skills This book will be of interest to students of health social work and sociology **Social Work Licensing Clinical Practice Test** Dawn Apgar,2020-10-26 Features ASWB test taking strategies and in depth rationales for every question The second edition of the bestselling acclaimed full length practice test for the ASWB Social Work Clinical Exam has been updated to include additional test taking strategies and evaluation tools Consisting of 170 questions that mirror the ASWB exam in length structure and content this practice test is an indispensable tool for promoting exam success and includes strategies for every question along with in depth rationales for correct answers helping readers to discover gaps in their knowledge identify strengths and target weak areas Additional test taking tips matched with specific direction on the Knowledge Skills and Abilities KSAs for each question makes this the 1 practice test for the ASWB exam New to the Third Edition New assessment tools for diagnosing problems Updated NASW Code of Ethics content reflecting the 2018 revision including standards to technology Key Features Authoritative developed and written by a renowned social work educator who has helped thousands of test takers pass the exam through her workshops and books Knowledge Gaps helps test takers to identify gaps in knowledge and errors in problem solving with updated rationales Confidence mirrors the structure and wording of the actual ASWB exam to provide confidence and familiarity KSAs identifies KSAs for each question so test takers can easily locate relevant source material for further study Complete Learning Package purchase includes access to fully interactive Q A to help identify strengths and weaknesses Distinct questions are distinct from those in the author s Social Work Licensing Clinical Exam A Comprehensive Study Guide 3e Complementary can be used on its own or in conjunction with Social Work Licensing Clinical Exam A Comprehensive Study Guide 3e **Bibliography and Resource Guide on Alcohol and Other Drugs for Social Work Educators** Project Cork Institute. Resource Center,1989 **Social Work with Drug, Alcohol and Substance Misusers** Anthony Goodman,2013-10-14 It has long been recognised that clients with addiction problems need a skilled and thoughtful response when they come into contact with social services However students often find that policy and the law surrounding working with drug alcohol and substance misusers can be complex and often unclear This fully revised third edition will help students cultivate the skills required to work effectively with clients and service users who misuse drugs and alcohol There are clear introductions to the law and to social policy in this area while the author considers how a holistic approach can be effective when working with this particular client group Case studies and reflective exercises are used to draw out these key skills The book also features sections on anti oppressive practice with a focus on service user empowerment With this third edition comes new material on social work practice with alcohol misusers making this book even more essential reading for students and practitioners who want to engage with clients who struggle with addiction **Social Work ASWB Clinical Practice Test** Dawn Apgar,2017-11-30 Print version of the book includes free access to the app web iOS and Android which offers interactive Q A review plus the entire text of the print book Please note the app is included with print purchase only This full length practice test with answers and rationales

created by a prominent educator of social work licensure candidates is a key resource for social workers preparing for the ASWB Clinical exam. It can be used either on its own or in conjunction with the author's Social Work ASWB Clinical Exam Guide: A Comprehensive Study Guide for Success. The 170 questions contained in this resource mirror the test in length, structure, and content. These are unique questions distinct from those in the author's complementary study guide that serve as a valuable diagnostic tool to improve exam success. With in-depth rationales and specific strategies for correctly answering each question, this resource helps social workers identify gaps in knowledge and errors in problem solving. Knowledge domains are grouped together so test takers can identify the specific content area and competency being tested, a valuable asset for increasing understanding. In addition, the Knowledge Skills and Abilities statements (KSAs) are identified for each question so test takers can easily locate relevant source materials for further study. Tips for reading the questions, avoiding common pitfalls, and other valuable test-taking strategies, including an assessment of learning styles, add to this book's value as a highly useful resource and diagnostic tool.

Key Features: Written by a renowned educator of social work licensure candidates. Mirrors the actual ASWB Clinical exam. Includes a full practice test with 170 questions. Provides answers with full rationales and specific test-taking strategies for all questions. ASWB is a registered service mark of the Association of Social Work Boards, which neither sponsors nor endorses this product.

Social Work with Adults Martin Brett Davies, 2012-03-20. This best-selling book explores the crucial role of social workers in securing a better future for vulnerable and disadvantaged adult service users. Tackling the problems most common to this branch of social work, it focuses on four major themes: personalization, mental health, substance use, and old age. Edited by the highly respected Martin Davies and with contributions from some of the leading names in the field, *Social Work with Adults* provides a clear map and guidance to help navigate between the different elements of social work knowledge and practice. Whether a student on an undergraduate degree taking a module on working with adults or a qualified professional wanting to ensure they are providing the very best service they can, this is essential reading. The breadth and depth of coverage makes this text a perfect handbook for students of adult social work.

Social Work Practice Eileen Gambrill, 2012-10-31. The first textbook to emphasize the importance of critical thinking skills to practice, this third edition of the classic *Social Work Practice* retains its unique focus on thinking critically about decisions that social workers make daily. Organized around the phases of helping: this hands-on introduction highlights the decision points that social workers encounter during assessment, intervention, and evaluation. This text, together with its companion website, provides students with a wealth of hands-on exercises for developing and assessing their practice skills. Most importantly, it helps students enhance client well-being by becoming critical thinkers and evidence-informed practitioners.

Supporting People with Alcohol and Drug Problems Sarah Galvani, 2012. This book addresses the gap in social work education by providing a combination of research evidence, policy frameworks, and practical hints and tips for good social work practice for all those in children's and adults' social work and social care settings who are working with

people who use alcohol or other drugs The Challenge of Permanency Planning in a Multicultural Society Gary R. Anderson, Bogart R. Leashore, 1997 Explains to child welfare workers supervisors trainers and program managers the importance of cultural knowledge sensitivity and skill for putting permanency and stability into the lives of at risk children Considers the role of culture in a family's life and how to use that understanding to prevent unnecessary out of home placements judge when the time is right to reunify parents and children and determine when adoption is the best choice Paper edition 0302 3 19 95 Also published as the Journal of Multicultural Social Work v 5 nos 1 2 3 4 1997 Annotation copyrighted by Book News Inc Portland OR Substance Use in Social Work Education and Training Hilda Loughran, Wulf Livingston, 2017-10-02 Substance use has become an increasingly common concern for all aspects of social work practice and especially when working with mental health and vulnerable families This requires all social workers to have sufficient education and training in alcohol and other drugs across a range of settings This volume presents evidence from a number of major studies which examine the current state of social work education in relation to substance use These contextual considerations are complemented by specific applied analyses which explore classroom methodological practice and theoretical considerations within both the UK and America Substance Use in Social Work Education and Training provides a strong evidence base for the effectiveness of appropriately targeted education and support given to social workers It further substantiates calls for a greater inclusion of more on substance use in social work education and curricula This book is based on a special issue of the journal Social Work Education **Social Workers' Desk Reference** Albert R. Roberts, 2009 This is a new edition of the wildly successful everyday reference for social workers Like the first edition it has been crafted with the help of an extensive needs assessment survey of educators and front line practitioners ensuring that it speaks directly to the daily realities of the profession It features 40% new material and a more explicit focus on evidence based practice **The Blackwell Companion to Social Work** Martin Davies, 2013-04-01 Fully revised and restructured this fresh edition offers students and trainee social workers an incisive and authoritative introduction to the subject As well as entirely new sections on theory and practice the expert contributions which have shaped the companion's leading reputation have been updated and now include innovative standalone essays on social work theory Comprehensively reworked new edition comprising six substantive sections covering essential topics for trainee social workers in effect six books in one Includes an extensive introduction and chapters by leading experts on the focus and purpose of social work Provides a unified textbook for trainees and an invaluable professional reference volume Features a wealth of new material on theory and practice alongside detailed expositions of the social and psychological framework stages in the human life cycle and the objectives and core components of social work Each chapter lists five key points to remember questions for discussion and recommendations for further reading Social Work in Mental Health Bruce A. Thyer, John S. Wodarski, 2007-06-30 An essential desk reference for all helping professionals Social Work in Mental Health An Evidence Based Approach is a comprehensive and contemporary

guide to the delivery of evidence based care Covering a wide spectrum of mental health disorders editors Thyer and Wodarski have brought together noted experts to provide the most current empirically supported techniques in the assessment diagnosis and treatment of disorders as classified by the DSM IV TR Coverage ranges from disorders seen in early infancy and childhood through the adolescent and adult years Disorders covered include Autism ADHD Substance abuse Schizophrenia Mood disorders Anxiety disorders Eating disorders Sexual disorders Personality disorders Mental Retardation Written and organized in an accessible style Social Work in Mental Health An Evidence Based Approach provides helping professionals with an engaging and easy to follow guide to learning how to deliver the most up to date mental health care Examples of evidence based interventions guide the reader through the process and provide insight into the philosophy as well as the scientific basis underlying each technique and intervention presented Chapters begin with learning objectives that alert you to the main ideas covered and conclude with provocative study questions that are designed to test your understanding while providing an opportunity for review and reinforcement of the key concepts covered Ideal for all helping professionals from those just starting out to the most seasoned clinician this guide is a vital reference for anyone looking to stay abreast of contemporary techniques in the delivery of mental health services *Modern Social Work Theory, Fourth Edition* Malcolm Payne, 2014-07-01 This masterly text is a classic in its field and will be a reliable companion throughout the course of your studies and your career as a social work practitioner In this substantially reworked and updated fourth edition of his best selling text Malcolm Payne presents clear and concise evaluations of the pros and cons of major theories that inform social work practice and comparisons between them Modern Social Work Theory is now more accessible and comprehensive than ever offering the most complete coverage of social work theory from classic perspectives to the very latest ideas including a new chapter dedicated to strengths narrative and solutions approaches a host of brand new case examples showing how theories can be applied to everyday practice new analysis of the ethical dimensions of different social work theories and what common values they share Pause and Reflect questions to encourage you to draw on your own experience and develop your thinking and updated Example text sections which summarize the most current thinking and help bridge the gap between introductions to each theory and more specialist writing **Modern Social Work Theory, Fourth Edition** Malcolm Payne, 2014-06 This masterly text is a classic in its field and will be a reliable companion throughout the course of your studies and your career as a social work practitioner In this substantially reworked and updated fourth edition of his best selling text Malcolm Payne presents clear and concise evaluations of the pros and cons of major theories that inform social work practice and comparisons between them Modern Social Work Theory is now more accessible and comprehensive than ever offering the most complete coverage of social work theory from classic perspectives to the very latest ideas including a new chapter dedicated to strengths narrative and solutions approaches a host of brand new case examples showing how theories can be applied to everyday practice new analysis of the ethical dimensions of
