Culture and Customs of Taiwan Gary M. Davison, Barbara Reed, 1998-09-24 Taiwanese society is in the midst of an immense exciting effort to define itself seeking to erect a contemporary identity upon the foundation of a highly distinctive history This book provides a thorough overview of Taiwanese cultural life The introduction familiarizes students and interested readers with the island s key geographical and demographic features and provides a chronological summary of Taiwanese history In the following chapters Davison and Reed reveal the uniqueness of Taiwan and do not present it simply as the laboratory of traditional Chinese culture that some anthropologists of the 1950s through the 1970s sought when mainland China was not accessible The authors examine how religious devotion in Taiwan is different from China in that the selected deities are those most relevant to the needs of the Taiwanese people Literature and art particularly of the 20th century reflect the Taiwanese quest for identity more than the grand Chinese tradition The Taiwanese architecture festivals and leisure activities music and dance cuisine and fashion are also highlighted topics The final chapter presents the most recent information regarding children and education and explores the importance of the Taiwanese family in the context of meaningful relationships amongst acquaintances friends and institutions that make up the social universe of the Taiwanese This text is a lively treatment of one of the world s most dynamic societies

Distancing Martin Kantor MD, 2003-11-30 Kantor focuses on a misunderstood but common condition that brings severe and pervasive anxiety about social contacts and relationships He offers psychotherapists a specific method for helping avoidants overcome their fear of closeness and commitments and offers a guide for avoidants themselves to use for developing lasting intimate anxiety free relationships Fear of intimacy and commitment keeps avoidants from forming close meaningful relationships Types of avoidants can include confirmed bachelors femme fatales and people who form what appear to be solid relationships only to tire of them and leave with little warning often devastating their partners victims Kantor takes us through the history of this disorder and into clinical treatment rooms to see and hear how avoidants think feel and recover He offers psychotherapists a specific method for helping avoidants overcome their fear of closeness and commitments and offers a guide for avoidants themselves to use for developing lasting intimate anxiety free relationships The avoidance reduction techniques presented in this book recognize that avoidants not only fear criticism and humiliation but also fear being flooded by their feelings and being depleted if they express them Acceptance is feared as much as rejection because avoidants fear compromising their identity and losing personal freedom Kantor describes the different therapeutic emphasis required for the four types of avoidants including those who are withdrawn due to shyness and social phobia such as people who intensely fear public speaking those who relate easily widely and well but cannot sustain relationships due to fear of closeness those whose restlessness causes them to leave steady relationships often without warning and those who grow dependent on and merge with a single lover or family member and avoid relating to anyone else
