

# NOTES ON A CONCEPTUAL FRAMEWORK FOR UNITARY SOCIAL WORK PRACTICE

Ron Baker\*

["Plurality which is not reduced to unity is confusion; unity which does not depend on plurality is tyranny".

Pascal, *Pensees*, 1670.

"It is not enough to teach a man a speciality. Through it he may become a kind of useful machine but not a harmoniously developed personality. It is essential that the student acquire an understanding of and a lively feeling for values. He must acquire a vivid sense of the beautiful and of the morally good. Otherwise he — with his specialized knowledge — more closely resembles a well trained dog than a harmoniously developed person. He must learn to understand the motives of human beings, their illusions, and their sufferings in order to acquire a proper relationship to individual fellow-men and to the community".

Albert Einstein, on *Education for Independent Thought* — 1952.

"Theory without practice is sterile and practice without theory is blind".

Unknown (Often attributed to Karl Marx).

"Innovation springs from the collision between traditional assumptions and changing realities between theory and practice in a creatively irreverent mind capable of perceiving how poorly conventional wisdom fits the evolving world".

David Donnison, *Social Policy and Administration Revisited*.]

ONE of the most crucial issues facing students, practitioners, and educators is whether social work practice is a unique activity that is grounded in a distinctive practice theory. The issue is com-

plex, controversial, and central to any discussion of unitary (generic)\*\* social work. The first part of this paper explores a number of positions and questions in relation to this issue and identifies purposes which are

\*Professor of Social Work, University of New South Wales, Sydney, Australia.

\*\*For the purposes of this paper the terms 'unitary', 'generic' and 'integrated' are used synonymously.

# Social Work Practice A Unitary Approach

**Stephen Clarke**

## **Social Work Practice A Unitary Approach:**

**Social Work Practice: a Unitary Approach** Howard Goldstein, 1973 FOUNDATIONS OF PRACTICAL GERONTOLOGY SECOND EDITION REVISED Edited by ROSAMONDE R BOYD and CHARLES G OAKES A revised edition of the book that Library Journal recommended as a resource for specialists for seminars in gerontology and for concerned individuals The 1971 White House Conference on Aging revealed that a significant transition from the more theoretical to more practical considerations of coping with the major problems of the elderly had occurred during the preceding decade This shift in emphasis and increasing activity at all levels of government make appropriate and imperative this revised edition of Foundations of Practical Gerontology As a sourcebook and a manual it can be used to inform and challenge professional staff members and lay volunteers in program planning and implementation As a textbook for courses in gerontology it serves both to instruct and to guide students interested in one of the newer fields of service and professionalization For all of us it provides new insights into the aging process New chapters discuss preretirement counseling volunteerism and retirement villages The chapters on sociomedical problems and aging roles have been extensively revised and rewritten and the remaining chapters reflect the advances of recent years

**Human Behavior Theory for Social Work Practice** Terry Koenig, Rick Spano, John Thompson, 2019-03-06 Human Behavior Theory for Social Work Practice provides an in depth examination of human behavior theories and helps students apply each theory to social work practice Authors Terry Koenig Rick Spano and John Thompson cover a broad spectrum of theories including ecological psychological and sociopolitical before applying them to a wide range of case examples that represent different stages across the human lifespan Drawing from their extensive knowledge and experience in social work practice and teaching the authors also feature scholarly research and writing to support the understanding of the theoretical overview in each chapter

**Practising Social Work** Christopher Hanvey, Terry Philpot, 2002-08-26 Practising Social Work provides a systematic exploration of a range of social work approaches Each chapter focuses on a single theme and explains the practice implications of a particular method

**An Introduction To Applying Social Work Theories And Methods** Teater, Barbra, 2014-03-01 A student friendly introduction to social work theories and methods drawing on current social work research

*Evidence-based Social Work* Mel Gray, Debbie Plath, Stephen Webb, 2009-05-08 This book provides a critical analysis of evidence based practice in social work It introduces readers to the fast changing research policy legislative and practice context and illuminates how adopting the methodology and language of evidence based practice fundamentally alters the conditions under which social work takes place

**An A-Z of Social Work Theory** Malcolm Payne, 2021-09-15 Puzzled by terminology skills law or theory Revising for your placement or exam Then look no further This series of concise and easy to use A Zs will be your guide Designed for both students and newly qualified social workers this book will introduce you to over 350 key theories theorists and concepts in a concise and no nonsense way Careful cross referencing will help you make important connections while selected further

reading will provide you with a springboard to further learning      *Paradigms of Clinical Social Work* Rachelle A. Dorfman, 2015-11-17 This fully integrated volume written by the leading experts in the field of social work presents a wide range of therapeutic paradigms Especially noteworthy is the common framework provided for all paradigms discussed thus facilitating comparison and contrast between each approach These paradigms include cognitive brief oriented and psychosocial therapies as well as Adlerian theory and radical behaviorism      **Social Workers' Desk Reference** Lisa Rapp-McCall, Al Roberts, 2022 The Social Worker's Desk Reference fourth edition remains the definitive resource for social work students and professionals Expanded sections on current hot topics such as white nationalism gaming disorder substance abuse LGBTQ populations suicide sexual violence in the military and vulnerable populations make the fourth edition a fully updated and essential reference      Social Workers' Desk Reference , 2015-01-13 People all over the world are confronted by issues such as poverty a lack of access to quality education unaffordable and or inadequate housing and a lack of needed health and mental services on a daily basis Due to these issues there is a need for social workers who have access to relevant and timely scholarly materials in order to meet the needs of those facing these issues The social psychological and biological factors resulting from these issues determine the level of a person's mental health at any given point in time and it is necessary for social workers to continue to evolve and develop to the new faces and challenges of the times in order to adequately understand the effects of these issues In the first and second editions of the Social Workers Desk Reference the changes that were occurring in social work practice education and research were highlighted and focused upon This third edition continues in the same tradition and continues to respond to the changes occurring in society and how they are impacting the education research and practice of social work as a whole With 159 chapters collaboratively written by luminaries in the profession this third edition serves as a comprehensive guide to social work practice by providing the most recent conceptual knowledge and empirical evidence to aid in the understanding of the rapidly changing field of social work Each chapter is short and contains practical information in addition to websites and updated references Social work practitioners educators students and other allied professionals can utilize the Social Workers Desk Reference to gain interdisciplinary and interprofessional education practice and research      **The Compleat Social Worker** David Howe, 2014-11-20 The role of the social worker is to be found lying interestingly between society and the individuals they work with As a result social workers often feel pulled between the demands and challenges that each presents The Compleat Social Worker explores the many debates the profession enjoys including those between nature and nurture care and control thought and feeling art and science facts and values In examining these ideas and the discussions they sponsor it celebrates social work's rich heritage of scientific thought and human relationships It is out of these many divisions and disagreements and their resolution that the idea of the well rounded compleat social worker emerges For those wishing to explore and enjoy argue and acknowledge what it is to be a good social worker this elegant book will prompt lively interest and debate      **101**

**Social Work Clinical Techniques** Francis J. Turner, 2013-06-06 This book addresses the concept of Technique and its place in contemporary practice of Social Work It does so by reviewing the concept of technique analyzing the necessary component parts of a definition formulating a definition then presenting a discussion of the nature and use of 101 Techniques for Clinical Social Work practice

*Social Work With Groups* Stanley Wenocur, 2014-01-14 *Social Work With Groups* describes continuity and change in group work It revisits the theoretical ideas of group work and group work topics of the past decade focusing on the continuity of group work theory and practice At the same time it emphasizes the need for change to more effectively work with deal with people in new groups in need people with AIDS gangs persons in grief and minorities as well as groups always in need but now with new and additional needs families children adolescents This book deals with how to meet the needs of existing and emerging populations It shows a good combination of theory and practice of group work in a variety of settings and using traditional techniques with new groups Chapters in this book revisit the theoretical ideas of group work such as stages of development and the question of self determination in groups The sections of theory are the basis for the more practical emphasis of what today s group worker is doing and how they are doing it *Social Work With Groups* is very practice oriented As such anybody who uses groups to help people will find much to read and reflect upon With its across the board appeal persons new to group work will delight in the practical information and experienced group workers will find the revisiting of the issues a helpful and refreshing approach Clinical social workers and faculty with an interest in theory and theoretical approaches to group work will appreciate the theory addressed in the book Social change oriented practitioners searching for new methods of empowerment among the people will find helpful suggestions in this book for social political and grassroots activism

**Perspectives in Social Work** Noel Timms, Rita Timms, 2018-11-09 *Perspectives in Social Work* was originally published in 1977 and provides a text for social workers in training to use The book argues for a more philosophical approach to both understanding and doing social work and seeks to establish simple and basic elements in social work asking questions such as what should a social worker be able to do What should a social worker know and believe Does social work actually work In answering these questions the book offers a wide ranging and critical review of literature of the time and looks at social work as a method of altruism This book is still topical today and acts as a useful document on the subject of social work both through the discussions within and through the lens of modern change It will be of particular interest to those studying the history and changes in social work

**Social Work with Addictions** James G. Barber, 2002-08-28 The new edition of this important text has been fully revised and is an essential resource for those working in the field of drug addiction Drug misuse tends to be encountered in the context of other often more pressing social problems such as child abuse homelessness domestic violence or emergency relief This book responds to the needs of social workers in this position by covering the spectrum of brief empirically validated intervention methods which can be readily incorporated into broader casework plans at any stage of the change process from extreme resistance

to avoidance of relapse This clear and realistic text employs social work s person in situation perspective to identify targets of intervention at the level of individuals families and even the broader social policy context It includes new material on recent or more commonly used substances such as designer drugs and methamphetamine It also provides an update on the latest research evidence on the aetiology and psychosocial treatment of addictions This is an invaluable versatile text that is wholly attuned to social work needs New to this Edition Includes new material on designer drugs and other new commonly used substances

**Dictionary of Social Welfare** Noel W Timms,Rita Timms,2016-06-10 First published in 1982 this dictionary offers a practical aid to students of social work and of social policy in their conversation about social welfare It explains the meaning or range of meanings of common terms and explains their applications in welfare legislation policy and use by welfare practitioners It helpfully cross references terms with similar or related terms that might be considered alongside In addition most entries are concluded by references which introduce the reader to a more extended treatment of the term or an elaboration of its application in the language of social welfare Although first published in 1989 this book will be a valuable resource for students of social work social policy and social welfare

**Child Welfare Revisited** Joyce Everett,Sandra Stukes Chipungu,Bogart R. Leashore,2004 Why are there proportionally more African American children in foster care than white children Why are white children often readily adoptable while African American children are difficult to place Are these imbalances an indication of institutional racism or merely a coincidence In this revised and expanded edition of the classic volume Child Welfare twenty one educators call attention to racial disparities in the child welfare system by demonstrating how practices that are successful for white children are often not similarly successful for African American children Moreover contributors insist that policymakers and care providers look at African American family life and child development from a culturally based Africentric perspective Such a perspective the book argues can serve as a catalyst for creativity and innovation in the formulation of policies and practices aimed at improving the welfare of African American children Child Welfare Revisited offers new chapters on the role of institutional racism and economics on child welfare the effects of substance abuse homelessness HIV AIDS and domestic violence and the internal strengths and challenges that are typical of African American families Bringing together timely new developments and information this book will continue to be essential reading for all child welfare policymakers and practitioners

**Social Work as Community Development** Stephen Clarke,2018-02-06 This title was first published in 2000 The second edition of Social Work as Community Development is thoroughly revised and updated taking into account lessons from community development and international experiences applicable in developed economies The application of system theory to the problems of managing change is the core theme The book will be essential reading for the UK DipSW MScEcon in Applied Social Studies and MScEcon in Community Care Studies as well as for students of community development and social work in the USA Asia and Australia It will also be useful for practitioners and policy makers across social work social welfare and social policy

**Social Welfare**

**in Western Society** Gerald Handel, 2009-01-01 Social welfare has a three thousand year history in Western society This book offers a sociological framework that provides conceptual order to the countless details of that history while highlighting its essentials Social welfare in all its forms is based on one central concept help But there are many versions of help and multiple debates about those versions The outcomes of some debates have led to withholding help and these outcomes are an inescapable part of this domain in the past and in the present The major versions their development and the debates are carefully examined in this volume Social Welfare in Western Society argues that in history five basic concepts of help have emerged These five explored and developed are charity based on a relationship between private donors and recipients public welfare based on a relationship between the state and its recipients social insurance based on a relationship between the state and beneficiaries of its programs social service based on people skilled in interaction providing skill based time to their clients mutual aid groups sometimes misleadingly called self help groups whose members are simultaneously helpers and those helped There are multiple versions of each of these five concepts now usually referred to as social policy issues There are fierce disagreements about what is helpful and which supposed forms of help are harmful to the wider society The book concludes that major debates have centered and continue to center around these major issues Should the poor be helped or punished Who is to blame Do the poor have the same rights as other people Who should pay Who should decide What is the effect of receiving welfare on incentive to work Who should be helped This is a masterful text designed for professional and public reading Gerald Handel is professor emeritus of sociology at The City College and The Graduate Center City University of New York He is the author of Making a Life in Yorkville Experience and Meaning in the Life Course Narrative of an Urban Working Class Man editor of Childhood Socialization and co editor of The Psychosocial Interior of the Family all published by Transaction Publishers

*Social Work* Colin Pritchard, Richard Taylor, 2024-03-08 First published in 1978 Social Work is concerned with relating social methods and objectives to political ideology Social work grew out of the fertile tradition of mainstream Liberal radicalism in the nineteenth century and to appreciate its largely implicit contemporary value framework it is essential to analyse the ideologies of Conservatism and social democracy which have dominated Britain in the twentieth century The links between social work methods and aspirations and political ideology are thus explored in some detail A key argument which closely involves social work relates to the potential for social change within the existing institutional structures The question of Legitimation is thoroughly examined in this context from all viewpoints and the conclusions for social work development are discussed This book will be of interest to students of social work sociology and political science

**The Paradigm of International Social Development** Murli Desai, 2013-10-30 This book takes a historical approach to analyse ideologies policy approaches and development systems that have constructed the paradigm of international social development It aims to review the social construction of development by tracing the historical dynamics of the modern ideologies and political economy of industrialization colonization the Cold War and globalisation to examine the process of

reconstruction of development as social development based on alternate ideologies and alternate policy approaches and review the roles played by the development systems and to trace the history of social policy approaches from welfare to rights based universal comprehensive and preventative social policies for social development and identify the roles played by non government organizations and the social work profession

### Social Work Practice A Unitary Approach Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Social Work Practice A Unitary Approach PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Social Work Practice A Unitary Approach PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while

supporting the authors and publishers who make these resources available. In conclusion, the availability of Social Work Practice A Unitary Approach free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

### FAQs About Social Work Practice A Unitary Approach Books

1. Where can I buy Social Work Practice A Unitary Approach books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
