in a season of weariness we will also find that a season of transition is upon us While we may feel as though nothing is happening nothing is changing or nothing is moving the truth is in the midst of our standstill the Lord is moving and rearranging things on our behalf However when we don t see anything happening in the natural it sometimes becomes too difficult to comprehend that God is truly for us and consequently we need a reason to press on *The Day I Met Jesus* Frank Viola,Mary DeMuth,2015-02-24 Two thousand years ago Jesus Christ met face to face with people just like you Broken

Tracy Groot,2018 The sons of Joseph run a successful carpentry business in Nazareth At least it was successful until the oldest brother Jesus left home to tell the world he will forgive their sins and save their souls Now everyone is hearing outlandish reports of healings and exorcisms Business is suffering not many people want a stool made by the family of the local crazy man When one of his brothers starts listening to Jesus troubling speeches and fanatical Zealots descend on Nazareth to convince his family to join their fight against Rome James wants nothing more than to shut out these rumblings and have a normal life But normal walked out the day his brother did James knows that this year s Passover pilgrimage will be more important than ever Hearing about a possible plot against Jesus he must find him and talk some sense into him before it s too late And he must decide for himself who his brother really is But on the dusty road to Jerusalem more than one faction has murder on its mind **Seer Stone v. Urim & Thummim** L. Hannah Stoddard,James F. Stoddard III,2019-04-06

Seer Stone v Urim and Thummim places the Book of Mormon translation on trial presenting the latest research in one of the most comprehensive treatments of the translation process to date providing encouragement for Latter day Saints who fear they have been betrayed by the translation history taught by the Church for over 190 years Did Joseph Smith study and master the Nephite language Did the Prophet tutor some of the early Brethren in ancient Nephite characters Did Joseph Smith translate the Book of Mormon using a dark seer stone in a hat Why are progressive historians creating a new history using sources from a man who vowed to wash his hands in the blood of Joseph Smith while boasting that he had deceived the Prophet and his God Has The Church of Jesus Christ of Latter day Saints covered up its history for nearly 200 years Was Joseph Smith a treasure digger During his life did the Prophet artfully suppress his alleged treasure digging past Did Joseph Smith cover up his use of a seer stone during the translation feigning use of the Urim and Thummim What new information has The Joseph Smith Papers Project uncovered that challenges our understanding of the translation process Is David Whitmer a credible witness of the Book of Mormon translation Did you know that David Whitmer consulted a witch and occultic seer stones denounced Joseph Smith as a false prophet and aided the mob in the persecution of the Missouri Saints Was Joseph Smith involved in sorcery astrology and ritual magic Seer Stone v Urim and Thummim makes a great case for

simply going back to the basics That is accepting the translation of the Book of Mormon as Joseph said it was done as opposed to how others claim it was done It is well researched and very enlightening and a must read for those who are willing to accept the words of Joseph and other prophets at face value Kay M Godfrey Author Joseph Smith Epoch Historian As you read this book it will validate your knowledge that the Book of Mormon is a real history of a real people The Stoddards have once again born witness that Joseph Smith was and is truly our Prophet Seer and Revelator You will love this book Rian Nelson Author and speaker FIRM Foundation The Stoddards present a thorough and careful analysis of the numerous errors and sometimes outright falsehoods that have crept into many of the translation narratives even some by respected scholars who relied on changing accounts from both fallible acquaintances and also outright enemies Leslie Pearson Rees Author Ye Have Been Hid Finding the Lost Tribes of Israel *Madman* Tracy L. Groot,2007-05-01 If there is a way into madness logic says there is a way out Logic says Tallis a philosopher s servant is sent to a Greek academy in Palestine only to discover that it has silently ominously disappeared No one will tell him what happened but he learns what has become of four of its scholars One was murdered One committed suicide One worships in the temple of Dionysus And one is a madman From the author of The Brother s Keeper comes a tale of mystery horror and hope in the midst of unimaginable darkness the story behind the Geresene demoniac of the gospels of Mark and Luke **Stone Virgin** Barry Unsworth,1995 As Simon Raikes restores a fifteenth century Venetian masterpiece he becomes obsessed with the sculpture becoming involved in a crime as he reconstructs the past and is drawn into the mysteries of love betrayal and violence *Six Miles From Jesus* Jonathan Rishel,2019-04-23 Would You Kill the Savior of the World Uzzi and Ezekiel have spent their entire lives hearing of the promised Messiah While training at the temple they hear of a baby born in a manger who seems to fulfill all the prophecies The rabbis tell the boys to ignore the rumors but how can they not check it out Bethlehem is only six miles away Will Uzzi and Ezekiel choose to listen to the rabbis or seek out the truth for themselves The choices we make as children can greatly affect our lives The choices made by these young men will change their lives forever One will be led toward love and mercy while the other is driven down a dark path full of hatred and murder Join these friends on their journey and see the Easter story like never beforethrough the eyes of the enemies of Christ Whether you are planning on performing this story as a play or reading it for pleasure Six Miles from Jesus will touch your heart Filled with many relatable characters and spiritual truths this book is a must have for any library
