Kazandjian, 2002-06-13 Accountability Through Measurement A Global Healthcare Imperative looks at the need for healthcare organizations to become more accountable for their performance The book discusses the necessary mindset structures tools and communication modes needed for healthcare to be accountable to itself as well as to external audiences about its own performance At the heart of this is the need for a greater degree of disclosure which in turn requires rigorous methods of measurement This book places the requirement of disclosure at the center of the accountability mandate and presents concrete ways in which performance can be measured analyzed communicated and used toward performance improvement This approach does not place the responsibility of accountability on the providers only but makes it a joint effort between the providers and recipients *Textbook of Psychiatric Administration and Leadership, Third Edition* Sy Saeed, M.D., M.S., FACPsych, John Lauriello, M.D., Laura Weiss Roberts, M.D., M.A., 2022-12-15 Preceded by Textbook of administrative psychiatry new concepts for a changing behavioral health system edited by John A Talbott Robert E Hales 2nd ed c2001

Rightsizing Deborah L. Walker, David N. Gans, 2003 Rightsizing is the process of determining whether a medical practice has the right number of staff doing the right things at the right time with the right resources to achieve optimal practice performance With declining reimbursement and increasing costs medical practice executives frequently look to staffing as a means of reducing costs Before taking action however they need to know that a higher level of staffing may increase practice revenue Authors Deborah Walker and David Gans provide the systematic approach to rightsizing staff in the medical practice They outline a five step process to benchmark and analyze current staffing productivity and work processes to realign staffing levels and responsibilities This book includes a number of tools and resources to help practice executives apply the staff rightsizing process to their organizations By following the authors guidelines practice leaders will realize that rightsizing doesn't always mean downsizing or reducing costs It means having the right number and right mix of staff to ensure optimal physician productivity and practice efficiency to maximize the practice's financial performance Book jacket Infusion Therapy in Clinical Practice Infusion Nurses Society, 2001 This reference text comprehensively addresses every aspect of infusion therapy The new second edition now includes discussion of intrathecal intraosseous and epidural procedures as well as coverage of subcutaneous pain management conscious sedation and the use of catheters not being

inserted intravenously Addressing every aspect of infusion therapy this text can be applied to any healthcare setting
INFUSION THERAPY IN CLINICAL PRACTICE also covers management quality assurance entrepreneurial roles and future considerations for infusion therapy Each chapter can stand alone making it a great reference tool for practitioners
