Stop Whining And Start Winning:

Stop Whining and Start Winning Joel Christiansen, 2006-07 Stop Whining and Start Winning The Power of Life's Choices is an invaluable guide for anyone who no longer wants to live the life of a whiner but would rather experience the life of a winner Author Joel Christiansen suggests that whiners are life's drainers and takers and that whining is so toxic it can mutate and spread from person to person Gone untreated it becomes a hazardous landfill of negativity and despair which only results in pessimism and failure In clear simple and easy to understand language Christiansen points out that winners are life's enhancers and givers who create positive energy and success through optimism and hope Stop Whining and Start Winning The Power of Life's Choices is an excellent resource for anyone who has reached his or her misery level index with whining and has a desire for a more purposeful peaceful and prosperous life A terrible tragedy and waste is when a whiner fails to see and understand the negative ripple effect their whining creates Joel Christiansen Joel Christiansen also wrote the book Out of the Ashes the Resurrection of an Addict Visit Joel at www.noblesoulenterprises.com **Stop Whining--and**

hope that they are equally useful to those who are or would be leaders and to those who study the topic As recent events have served to remind us it is too important a topic to be ignored by psychologists
