Eradication of Illicit Domestic Marihuana , 1984 **Medical Cannabis** Corey Hebert, 2025-08-15 Medical Cannabis is an extremely socially relevant topic however when people discuss its legality there is a universal lack of knowledge Invariably they are bombarded with a multitude of scientific terms that are unfamiliar to the layperson which causes unnecessary apprehension when one is considering using one of the oldest and most misunderstood holistic medications in the history of the world In this text the author chronicles the history of medical marijuana how it is being utilized presently and the social and political landscape that is ever changing The author s common sense no nonsense approach makes this book a must read for the person who wants to know more about the realistic nuances of cannabis and its general medicinal uses

Department of Justice Regional Task Forces United States. Congress. House. Committee on the Judiciary. Subcommittee on Crime, 1983 **The 15 Ounce Pound** Joseph R. Pietri, 2014-06-01 In the United States cannabis is currently illegal but this book investigates how big pharmaceutical companies are looking at an end game of legality controlled by them It examines how the Amsterdam scene has been transformed how home growers have been manipulated into using inferior techniques and how companies with help from the Drug Enforcement Agency DEA and big pharma are patenting cannabis strains for control and profit The leadership of the cannabis industry want to legalize marijuana with taxation and regulation but the pharmaceutical industry cannot take over medical cannabis without first shutting down the scene today The book predicts that legalized production will be tightly controlled by major players using the IRS and DEA as a means of removing other growers Regulation will also control the amount of tetrahydrocannabinol THC in each marijuana cigarette forcing stronger cannabis to be available to medical patients by prescription only A black market will still exist so people will still go to jail and the drug war will go on With history and explosive behind the scenes looks at big pharma collusion this book is both an expos and an in depth look at the arc of freedom and probable control through use of pharmaceutical patents for
