A Sister's Night Before Christmas Evelyn Beilenson, 2003-06 A metal Christmas tree attached to ribbon bookmark

Sisters in Captivity Colin Burgess, 2023-07-05 The incredible account of Sister Betty Jeffrey OAM and the Australian war nurses who survived the bombing of evacuation ship SS Vyner Brooke in February 1942 and subsequently spent three years in Japanese prison camps in Sumatra During those perilous years surviving in squalid conditions Sister Jeffrey kept a secret diary of day to day events which after the war was turned into a hugely successful book and radio serial White Coolies She would often write of the powerful sisterhood that evolved as the prisoners of war took strength from each other even forming a vocal orchestra White Coolies was a major inspiration for the 1997 film Paradise Road Sisters in Captivity builds on those diaries to not only re live the years the nurses spent as POWs but also recounts the early life and influences that encouraged Betty Jeffrey into the field of nursing as a lifelong endeavour A tireless advocate for returned nurses she co founded the Australian Nurses Memorial Centre with sole survivor of the Banka Island Massacre fellow POW and her longtime friend Vivian Bullwinkel Featuring 32 pages of photos including personal mementos of Betty Jeffrey courtesy of her family and her drawings from the prison camps this is a powerful account of women s resilience amidst the devastating brutality of war

The Kindergarten and First Grade ,1917 **When You and Your Mother Can't Be Friends** Victoria Secunda, 1991-05-01 A book of great value for every daughter and every mother useful for sons too Benjamin Spock M D From the Introduction The goal of this book is to help readers achieve that separation so that they can either find a way to be friends with their mothers or at least recognize and accept that their mothers did the best they could even if it wasn t good enough and to stop blaming them Among the issues to be covered To understand how a daughter s attachment to her mother more so than her relationship with her father colors all her other relationships and to analyze why it is more difficult for daughters than sons to separate from their mothers as well as why daughters are more subject than sons to a mother s manipulation To recognize the difference between a healthy and a destructive mother daughter connection and to define clearly the bad mommy in order to help readers who have trouble acknowledging their childhood losses to begin to comprehend them To conjugate what I call the Bad Mommy Taboo why our culture is more eager to protect the sanctity of maternity than it is to protect emotionally abused daughters To describe the

evolution of the unpleasable mother in all likelihood she was bereft of maternal love as a child and to recognize the huge and often poignant stake she has in keeping her grown daughter dependent and off balance To illustrate the consequent controlling behavior in some cases cloaked in fragility or good intentions of such mothers which falls into general patterns including the Doormat the Critic the Smotherer the Avenger the Deserter To understand that the daughter has a similar stake in either being a slave to or hating her mother the two sides of her dependency and immaturity To illustrate the responsive behavior and survival mechanisms of daughters which is determined in part by such variables as birth rank family history and temperament and which also falls into patterns including the Angel the Superachiever the Cipher the Troublemaker the Defector To show how to redefine the mother daughter relationship so that each can learn to see and accept the other as she is today appreciating each other's good qualities and not being snared by the bad Finally to demonstrate that a redefined relationship with one's mother adult to adult frees you from the past whether that redefinition ultimately results in real friendship affectionate truce or divorce
