Psychological Implications of Preterm Birth Livio Provenzi, Evalotte Mörelius,Mia McLean, Minesh Khashu,2025-03-14 Preterm birth which comprises about 10% of births globally has significant short and long term implications for the child its

parents and the wider family. It poses a significant physical and mental health as well as economic burden on society. While the physical health complications of preterm birth are reasonably well documented in the literature, the data in terms of psychological impacts is still quite thin, especially for the long term. Indeed, preterm birth and the precocious hospitalization in the Neonatal Intensive Care Unit (NICU) might be highly distressful for both infants and parents. Different sources of stress, e.g. lights and sounds, parental separation, invasive and painful procedures, have been described, and their impact on preterm infants' socio-emotional and socio-cognitive development, as well as for parental well-being and adaptation, deserve further investigations. The psychological implications of early interventions during and after NICU stay are also noteworthy, and accumulation of data in this field is highly needed. The quality of parent-child interaction from the immediate NICU admission to the first years of life is also a topic that merits investigation, as it is one of the most critical sources of protection for the developmental trajectories of preterm infants.

Conscious Inclusion Catherine Garrod, 2023-04-24 Business Book Awards 2024 Finalist. How to do EDI: Unless you're consciously including people, you're almost certainly unconsciously excluding people. Discover 99 decisions and 5 simple habits for creating more inclusive organisations inside and out. Rather than top-down change initiatives involving huge teams, Catherine Garrod advocates for combining skill and will to guide people in their everyday thinking. Then developing reporting to create social accountability and track departmental progress. When every voice is heard, every person is empowered, and everybody takes action, the outcomes are extraordinary. This is the how-to book of EDI. Catherine led Sky to become the most inclusive employer in the UK, with 80% of teams increasing their diversity. Now, as the Founder of Compelling Culture, she blends the power of listening and data to transform the organisations she works with, collaborating with leaders and their teams to define the practical actions they can implement today, tomorrow, and the day after. One decision at a time. **Equity Diversity Inclusion**

The Legal Regulation of Pregnancy and Parenting in the Labour Market Grace James, 2008-11-19. This theoretically informed book deconstructs the legal regulation of pregnancy and parenting in the labour market and asks why, despite policy ambitions and ample legislation, law is failing to protect pregnant workers and parents from detrimental treatment in the labour market. **A Pragmatic Approach to Be the Best Parent Ever** Dr. Kiran Sharan, Dr. Diwakar Tejaswi, 2020-08-29. With society changing from joint family to nuclear family, from rural to urban, from agriculture to industrialization, and socio-centric to self-centered, there is a need to help oneself to be practical and tactful in managing the situation arising in emergency conditions in day-to-day life. *A Pragmatic Approach to Be the Best Parent Ever* will be helpful not only in building healthy and happy future generations, but it will prove to be a good help book for domestic science students also. Although every type of learning and teaching material is available all around, from net surfing, one can easily be confused what to follow and what to avoid. This book is written by experienced pediatricians and family physicians to help clear doubts and solve the problem easily. *Conceive Magazine*, 2010. **Jurisdiction, Recognition and Enforcement in Matrimonial and Parental Responsibility Matters** Cristina
