West, 2008-09-15 A leader of a global superpower is betrayed by his mistress who makes public the sordid details of their secret affair His wife stands by as he denies the charges Debates over definitions of moral leadership ensue Sound familiar If you guessed Clinton and Lewinsky try again This incident involved former Japanese prime minister Sosuke Uno and a geisha In Secrets Sex and Spectacle Mark D West organizes the seemingly random worlds of Japanese and American scandal from corporate fraud to baseball cheaters political corruption to celebrity sexcapades to explore well ingrained similarities and contrasts in law and society In Japan and the United States legal and organizational rules tell us what kind of behavior is considered scandalous When Japanese and American scandal stories differ those rules rules that define what s public and what s private rules that protect injuries to dignity and honor and rules about sex to name a few often help explain the differences In the cases of Clinton and Uno the rules help explain why the media didn t cover Uno s affair why Uno s wife apologized on her husband s behalf and why Uno and not Clinton resigned Secrets Sex and Spectacle offers a novel approach to viewing the phenomenon of scandal one that

will be applauded by anyone who has obsessed over or ridiculed these public episodes *Moral Panics and School Educational Policy* Grant Rodwell, 2017-07-06 This book explores school educational policy through the lens of moral panic theory at a theoretical level and through a select history of moral panics in school education during the twentieth and twenty first centuries *Climate Change and Society* John Urry, 2011-06-20 This is the first book to develop a proper sociology of climate change and will be an excellent companion to Tony Giddens *The Politics of Climate Change* *Schools for Scandal* Sheldon Anderson, 2024-05-22 For well over a century big time college sports has functioned as a business enterprise one that serves to undermine the mission of institutions of higher education This book chronicles the long and tortured history of the NCAA s attempt to maintain the myth of amateurism and the student athlete along with the attendant fiction that the players academic achievement is the top priority of Division I athletic programs It is an indictment of the current system making the case that big time college sports cannot continue its connection to universities without undermining the mission of higher education It concludes with bold proposals to separate big time college sports from the university transforming them into on campus business operations *Scandalous Economics* Aida A. Hozic, Jacqui True, 2016 This book is about the neglect of gender and race in explanations of the Global Financial Crisis It is also about the sexual scandals and gendered austerity policies that have relegated public debate and the crisis itself We need to look at the activities and the privileges of the advantaged the TED women of the crisis as much as the victimization of the disadvantaged to fully grasp the interplay between gender and economy in this age of restoration **The Scarlet Thread of Scandal** Charles W. Dunn, 1999-12-22 Never before have Americans been more concerned about the moral dimensions of presidential leadership What role should morality play in the decision making of our most powerful elected official What did the Founders think about the significance of morality in this cherished political institution Does the private behavior of a president influence his or her ability to lead our nation In *The Scarlet Thread of Scandal* eminent scholar Charles W Dunn turns a penetrating eye to the history of presidential scandals to answer these and other pressing questions Scandals are surely nothing new in the White House_ever since the creation of the republic presidents have made morally questionable judgments whether constitutional ethical legal or personal In eloquent and judicious prose Dunn chronicles the numerous controversies in presidential history paying particular attention to their impact on the American people and public memory *The Scarlet Thread of Scandal* will make all Americans think differently about past present and future presidents
