[Social Life at Rome](#) W. Warde Fowler, 2015-06-16 Excerpt from *Social Life at Rome In the Age of Cicero* This book was originally intended to be a companion to Professor Tucker's *Life in Ancient Athens* published in Messrs Macmillan's series of *Handbooks of Archaeology and Art* but the plan was abandoned for reasons on which I need not dwell and before the book was quite finished I was called to other and more specialised work As it stands it is merely an attempt to supply an educational want At our schools and universities we read the great writers of the last age of the Republic and learn something of its political and constitutional history but there is no book in our language which supplies a picture of life and manners of education morals and religion in that intensely interesting period The society of the Augustan age which in many ways was very different is known much better and of late my Mend Professor Dill's fascinating volumes have familiarised us with the social life of two several periods of the Roman Empire But the age of Cicero is in some ways at least as important as any period of the Empire it is a critical moment in the history of Graeco Roman civilisation About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important
