**Social Work** Jan Fook, 2012-04-05 Social work is a human profession founded on social justice. It is difficult however to negotiate this in the constantly changing context of the twenty first century. Now in its Second Edition this book considers the critical tradition of social work and updates it with postmodern thinking. Jan Fook draws on critical reflection to help social workers deliver flexible, responsible and responsive practice and to celebrate the ageless ideals of the profession. Jan Fook draws on her own experiences to relate theoretical ideas to real life. Summaries, exercises and further reading are also included in each chapter.

*Methodologies and Ethics for Social Sciences Research* Demircioğlu, Aytekin, 2024-01-16 Ethics, the moral compass guiding our actions, stands at the core of academic integrity. In the field of social sciences research, ethical violations persist as a silent threat, overshadowing the pursuit of knowledge. Uncovering the pervasive challenges, *Methodologies and Ethics for Social Sciences Research* boldly addresses the often overlooked ethical breaches within scientific research. From plagiarism to the distortion of data, the book meticulously dissects common ethical pitfalls, emphasizing their significance in maintaining the credibility and trustworthiness of research outcomes. Recognizing the global nature of academic endeavors, the book sheds light on the cultural factors influencing ethical considerations, fostering a collective awareness among scholars. *Methodologies and Ethics for Social Sciences Research* transcends geographical boundaries, offering a comprehensive exploration of research methodologies in social sciences. It equips researchers, academics, teachers and students with the tools to navigate the intricate terrain of scientific inquiry while upholding ethical standards. With a focus on the multicultural perspective, the book features contributions from academics worldwide, enriching the narrative with diverse experiences and insights. By incorporating practical examples of ethical violations from different countries, it not only highlights common ethical dilemmas but also provides a foundation for a shared global understanding of research ethics.
