Stories Of Awe And Abundance:

Stories of Awe and Abundance Jose Hobday, 1999-04-19 Sister Jose Hobday is one of America's most popular speakers on prayer and spirituality. Her stories drawn from her own experience growing up as a Native American Catholic in the American Southwest eloquently communicate her relationship with and commitment to God, family and community. In *Stories of Awe and Abundance*, Sister Jose explores topics ranging from Native American Spirituality to living simply, women in the church and peace and justice.

Touching the Heart William J. Bausch, 2007 No one can write about storytelling like Father Bill Bausch. Both his words and his stories are compelling, convincing and completely absorbing. Here in this landmark work, which he insists is his last, his goal is to help readers see the centrality of stories to read and hear Scripture as story and not as history and to learn to enrich and expand their lives by looking at the story behind the story. He wants to break readers out of the literalism that constricts their spiritual and social lives so they might gain an appreciation of metaphor and symbol and the sacramentality of the world.
