Stories of the Rose Anne Winston-Allen, 2010-11-01 In its most basic form the rosary is a series of prayers and meditations designed to bring the worshiper closer to God through the Virgin Mary But as Anne Winston Allen shows there was no single text of the rosary prayer different versions some in German and some in Latin evolved over the course of the late Middle Ages as communities of believers experimented with their own forms She also finds that rosary prayers were influenced by secular even courtly literature that used images of the rose and rose garden in the rosary Mary is the Mystical Rose *The Virgin Mary in the Perceptions of Women* Joelle Mellon, 2016-04-21 Once the Virgin Mary was a pivotal element of Christianity a holy figure at the heart of most Christians spiritual lives She was invoked at all major life passages baptisms weddings childbirths and funerals and images of the Virgin Mary could be found virtually anywhere from pub signs to sacred texts Medieval women especially looked to Mary to answer their prayers be their role model and serve as their advocate in heaven They prayed to her several times a day and sometimes devoted their entire lives to her service This book investigates perceptions of the Virgin Mary through several centuries of literature Focusing especially on the depictions of the Virgin Mary in medieval and Renaissance manuscripts the author rediscovers a time when the Divine Female was very much in evidence and good Christian women were taught to pray to a Holy Mother Topics include the cyclical popularity of Virgin Mary devotional objects such as Books of Hours rosaries and Marian gardens the mystical qualities attributed to the Virgin Mary through centuries of reported divine visions the historical relationships between the Virgin Mary and other religious figures including the Devil and Mary Magdalene as an alternative to the Virgin Mary as a feminine model *Ritual, Images, and Daily Life* Gerhard Jaritz, 2012 Medieval images and their content intentions and functions regularly followed specific strategies rituals and symbols of communication This is true for religious as well as for secular images One can recognize these strategies and rituals through analyzing the patterns that occur in the varieties of image construction image space image messages and their perception This book contains contributions by international specialists whose research interests concentrate on these patterns the rituals associated with them and the influences of these phenomena on the daily life of the image audience Series History Research and Science Geschichte Forschung und Wissenschaft Vol 39 **Medieval Art, Architecture and Archaeology in the Dioceses of Aberdeen and Moray** Jane Geddes, 2016-04-14 Exploring the medieval heritage of Aberdeenshire and Moray the essays in this volume contain insights and recent work presented at the British Archaeological Association Conference of 2014 based at Aberdeen University The opening historical chapters establish the political economic and administrative context of the region looking at both the secular and religious worlds and include an examination of Elgin Cathedral and the bishops palaces The discoveries at the excavations of the kirk of St Nicholas which have revealed the early origins of religious life in Aberdeen city are summarized and subsequent papers consider the role of patronage Patronage is explored in terms of architecture the dramas of the Reformation and its aftermath highlighted

through essentially humble parish churches assailed by turbulent events and personalities The collegiate church at Cullen particularly its tomb sculpture provides an unusually detailed view of the spiritual and dynastic needs of its patrons The decoration of spectacular ceilings both carved and painted at St Machar's Cathedral Provost Skene's House and Crathes Castle are surveyed through the eyes of their patrons and the viewers below Saints and religious devotion feature in the last four chapters focusing on the carved wooden panels from Fetteresso which display both piety and a rare glimpse of Scottish medieval carnal humour the illuminated manuscripts from Arbuthnott the Aberdeen Breviary and Historia Gentis Scotorum The medieval artistic culture of north east Scotland is both battered by time and relatively little known With discerning interpretation this volume shows that much high quality material still survives while the lavish illustrations restore some glamour to this lost medieval world

Push Me, Pull You, 2011-05-10 Late Medieval and Renaissance art was surprisingly pushy its architecture demanded that people move through it in prescribed patterns its sculptures played elaborate games alternating between concealment and revelation while its paintings charged viewers with imaginatively moving through them Viewers wanted to interact with artwork in emotional and or performative ways This inventive and personal interface between viewers and artists sometimes conflicted with the Church's prescribed devotional models and in some cases it complemented them Artists and patrons responded to the desire for both spontaneous and sanctioned interactions by creating original ways to amplify devotional experiences The authors included here study the provocation and the reactions associated with medieval and Renaissance art and architecture These essays trace the impetus towards interactivity from the points of view of their creators and those who used them Contributors include Mickey Abel Alfred Acres Kathleen Ashley Viola Belghaus Sarah Blick Erika Boeckeler Robert L A Clark Lloyd DeWitt Michelle Erhardt Megan H Foster Campbell Juan Luis Gonz lez Garc a Laura D Gelfand Elina Gertsman Walter S Gibson Margaret Goehring Lex Hermans Fredrika Jacobs
