Sir Wilfrid Laurier The Great Conciliator:

Sir Wilfrid Laurier Barbara Robertson,1991 **Wilfrid Laurier** Barbara Robertson,1971 Wilfrid Laurier Roderick Stewart,2002-01-01 Wilfrid Laurier s life journey took him from a small Quebec village to the Parliament of Canada He possessed a rare combination of the common touch and political savvy which he effectively used to remain prime minister of Canada for fifteen years 1896 1911 The Order of Canada Christopher McCreery,2005-01-01 In 1966 a project to create a national honour for Canadians was begun The first recipients of the Order of Canada were announced a year later and in the nearly forty years since the Order has become a symbol familiar to and respected by people from across the country The spirit that motivates the Order of Canada celebration inclusion and democracy was born of the memories of Canada s earlier experience with honours From initial distrust and misunderstanding to the awakening of a national identity the development of the Order reflects the relationship Canadians have with their country their government their culture and their heroes The Order itself is a product of national identity politics and history reflected by the significance of its recipients accomplishments Indeed the Order s history is as fascinating as the more than 4000 Canadians who have received it This first book length history of the Order of Canada and first major work on Canadian honours by Christopher McCreery is a celebration of the Order and a close examination of its unique design and various early incarnations McCreery provides both a history of the Order s beginnings and a more general overview of trends in Canadian honours Extensively illustrated with never before published photographs The Order of Canada Its Origins History and Developments pays tribute to the individuals who felt the need for a system of recognition for Canadians The Order of Canada Christopher P. McCreery,2018-05-04 In 1966 a project to create a national honour for Canadians was begun The order recognizes individuals for their outstanding achievements dedication and service to the country It is a product of national identity politics and history and includes such individuals as Atom Egoyan Joseph Boyden and Louise Arbour The second edition of The Order of Canada continues the celebration of the order Christopher McCreery sheds new light on the development of Canadian honours in the early 1930s the imposed prohibition on honours from 1946 to 1967 and new details on those who have been removed or resigned from the Order Extensively illustrated The Order of Canada pays tribute to the individuals who felt the need for a system of recognition for Canadians Indeed the order s history is as fascinating as the more than four thousand Canadians who have received it **Let the Eastern Bastards Freeze in the Dark** Mary Janigan,2012-11-06 The oil sands Global warming The National Energy Program Though these seem like modern Canadian subjects author Mary Janigan reveals them to be a legacy of longstanding regional rivalry Something of a Third Solitude since entering Confederation the West has long been overshadowed by Canada s other great national debate but as the conflict over natural resources and their effect on climate change heats up 150 years of antipathy are coming to a head Janigan takes readers back to a pivotal moment in 1918 when Canada s western premiers descended on Ottawa determined to control their own

future and as Margaret MacMillan did in Paris 1919 she deftly illustrates how the results reverberate to this day Wilfrid Laurier Martin Spigelman, 2000 Wilfrid Laurier is published by Fitzhenry and Whiteside Official Reports of the Debates of the House of Commons of the Dominion of Canada Canada. Handbook of Religion and State Volume II Shannon Holzer, 2023-10-19 The Palgrave Handbook of Religion and State Volume II Global Perspectives addresses issues of Religion and State from a multitude of disciplines The volume begins with the philosophical discussion of perennial issues that have to do with the origin and nature of rights One question centers on the right to use one's religious beliefs to enact laws This discussion alone sets this handbook apart from other handbooks of its type While addressing these perennial questions this volume includes authors who interact with the work of John Rawls Hobbes Rousseau and a host of contemporary philosophers The subsequent sections address the American Constitutional Experiment religion state and law in the Americas **The 20th Century Go-N** Frank N. Magill, 2014-03-05 Each volume of the Dictionary of World Biography contains 250 entries on the lives of the individuals who shaped their times and left their mark on world history This is not a who's who Instead each entry provides an in depth essay on the life and career of the individual concerned Essays commence with a quick reference section that provides basic facts on the individual's life and achievements The extended biography places the life and works of the individual within an historical context and the summary at the end of each essay provides a synopsis of the individual's place in history All entries conclude with a fully annotated bibliography *House of Commons Debates, Official Report* Canada. Parliament. House of Commons, 1902

Nation's Navy Michael L. Hadley, Robert Neil Huebert, F. W. Crickard, 1996 Bounded by three great oceans Canada stands as a maritime nation with rich seafaring traditions Born of both national and British imperial interests in 1910 and maturing in two world wars its navy is a vital national institution that continues to evolve in response to new and complex challenges A Nation's Navy explores the decisive formative forces of the navy's history and illuminates the characteristically Canadian elements and values that have defined it *Prime Ministers of Canada*, 2002 Prime Ministers in Canada have provided critical leadership in defending Canada as an independent and sovereign country in North America and in general as a strong and united nation Sir John A Macdonald Canada's first Prime Minister for example championed the development of a transcontinental railway linking Canada from sea to sea the Atlantic Ocean to the Pacific Ocean against threats of manifest destiny by the United States Lester B Pearson for example helped champion Canada's leadership in constructive

internationalism via the United Nations as an international peacekeeper Pierre Elliott Trudeau for example championed the Canadian Charter of Rights and Freedoms as a critical contribution to civil rights and human rights in association with constitutional law This book supports a critical appreciation of political leadership by Prime Ministers of Canada via their speeches in association with Canadian political history and social constitutional development The editor of the book presents constitutional and other social cultural values that have been defended by Prime Ministers of Canada in the nation building of Canada and that have been threatened by the Neo Duplessis Jean Chretien Prime Ministerial administration The Editor of the cited book is a member of the University of Toronto community including Heads of State for Canada since the seventeenth century Please note The cited book already includes an appendix with a proposed Canadian Language Act Includes also a speech by Prime Ministerial candidate X concerning a proposed Canadian transcontinental bullet train network Crisis of Conscience Amy J. Shaw, 2009-07-01 The First World War's appalling death toll and the need for a sense of equality of sacrifice on the home front led to Canada's first experience of overseas conscription While historians have focused on resistance to enforced military service in Quebec this has obscured the important role of those who saw military service as incompatible with their religious or ethical beliefs Crisis of Conscience is the first and only book about the Canadian pacifists who refused to fight in the Great War The experience of these conscientious objectors offers insight into evolving attitudes about the rights and responsibilities of citizenship during a key period of Canadian nation building The Writers Directory, 2013
