The Expendables The Venom Of Argus:

The Expendables: The Venom of Argus Edmund Cooper, 2011-09-29 The Expendables had struck it lucky at last After grappling with the revolting Death Worms of Kratos the deadly Rings of Tantalus and the weirdly anachronistic military society of Zelos their fourth mission looked an easy one Argus was an earth type planet with one major continent comfortably covered with vegetation But that was before The Expendables encountered the deadly harpoon tree or the low lying plant which grasped greedily at anyone who dared to set foot on it or the hornets that paralyzed their victims so as to enjoy their food in peace Worst of all the lurking horrors of Argus was the deadly hallucinogenic pollen which turned quiet Santa Maria crew members into vicious maniacs The Expendables Edmund Cooper, 1976 **The Overman Culture** Edmund

Cooper, 2011-09-29 A boy's struggle to grasp the forbidden truth about his world Michael was quite young when he discovered that some of his playmates bled if they cut themselves and some didn't For a long time he didn't think about it Nor did it seem strange to see Zeppelins being attacked by jet fighters above London's force field or glimpse Queen Victoria walking with Winston Churchill in the Mall Not at first But later he thought about these things he couldn't help it The world was real and yet unreal It was all desperately worrying So Michael and his friends formed a society to investigate the world around them Despite the terrible things they discovered things that made some of them insane they never actually guessed the truth about the Overman culture Until Mr Shakespeare told them *The Cloud Walker* Edmund Cooper, 2011-09-29 The Civilizations of the First and Second Man have been destroyed by the products of their own technology Now the world is emerging from a new dark age into the dawn of a second Middle Ages Britain is dominated by a Luddite Church and by the doctrine that all machines are evil Into this strange world comes Kieron an artist's apprentice who is inflamed by a forbidden dream to construct a flying machine which will enable man to soar through the air like a bird *Seahorse in the Sky* Edmund Cooper, 2011-09-29 At first he thought it was all part of some crazy nightmare But it wasn't Russell Grahame M P was one of a handful of passengers flying from Stockholm to London One moment flying peacefully in the sky the next lying in an un Earthly green coffin Grahame was the first to emerge from this strange resting place But for him as well as for the others it had been only the ecliptical experience Soon all were to find themselves lost in a bizarre world of Mediaeval knights Stone Age warriors and gremlins caught unalterably in the weirdest cocoon of Time **Science Fiction and Fantasy Literature,**

1975-1991 R. Reginald, Mary Wickizer Burgess, Daryl Furumi Mallett, 1992 Science fiction constitutes one of the largest and most widely read genres in literature and this reference provides bibliographical data on some 20 000 science fiction fantasy and horror fiction books as well as nonfiction monographs about the literature A companion to Reginald's Science Fiction and Fantasy Literature 1700 1974 Gale 1979 the present volume is alphabetically arranged by approximately 10 000 author names The entry for each individual work includes title publisher date and place published number of pages hardbound or paperback format and type of book novel anthology etc Where appropriate entries also provide translation notes series
