Pountain, Juan Kattán-Ibarra, 2004-06-01 Modern Spanish Grammar A Practical Guide is an innovative reference guide to  
Spanish combining traditional and function based grammar in a single volume The Grammar is divided into two parts The  
shorter section covers traditional grammatical categories such as word order nouns verbs and adjectives The larger section  
is carefully organized around language functions and notions such as giving and seeking information putting actions into  
context expressing likes dislikes and preferences comparing objects and actions All grammar points and functions are richly  
illustrated and information is provided on register and relevant cultural background Written by experienced teachers and  
academics the Grammar has a strong emphasis on contemporary usage Particular attention is paid to indexing and cross  
referencing across the two sections This is the ideal reference grammar for learners of Spanish at all levels from elementary
