Speech Of The Hon Isaac I Stevens On The Washington Oregon War Claims May 31 1858:

Speech of the Hon. Isaac I. Stevens Isaac Ingalls Stevens,1970 **The War on Illahee** Marc James

Carpenter,2025-10-28 How a generation of pioneers and their historians knowingly hid the violent history of Indigenous dispossession in the Pacific Northwest The small mostly forgotten wars of the 1850s in the American Pacific Northwest were part of a broader genocidal war the War on Illahee to seize Native land for Euro Americans Illahee a term for homeland in Chinook was turned into the states of Oregon and Washington through the violence of invading soldiers settlers and serial killers Clashes over the brutality of invasion should it be celebrated isolated or erased left behind accidental archives of atrocity as history writers disagreed over which stories they should tell and which stories they could sell By the 1920s the War on Illahee had been disappeared Drawing on records from the perpetrators themselves the papers of historians and previously suppressed evidence from Indigenous survivors Marc James Carpenter has written both a new history of pioneer atrocities within and beyond the wars on Native people in the American Pacific Northwest and a new history of how these wars were remembered commemorated and forgotten The overlapping distortions have embedded inaccuracies in our histories and textbooks all the way to the present Beyond reshaping the history of the Pacific Northwest this searing book opens broader conversations about settler colonialism historical memory problematic monuments and the historical profession **A Catalogue of the Everett D. Graff Collection of Western Americana** Colton Storm,1968 The Everett D

Graff Collection of Western Americana consists of some 10 000 books manuscripts maps pamphlets broadsides broadsheets and photographs of which about half are described in the present catalogue The Graff Collection displays the remarkable breadth of interest knowledge and taste of a great bibliophile and student of Western American history From this rich collection now in The Newberry Library Chicago its former Curator Colton Storm has compiled a discriminating and representative Catalogue of the rarer and more unusual materials Book jacket **The Cayuse Indians** Robert H. Ruby,John Arthur Brown,2005 In this book Robert H Ruby and John A Brown tell the story of the Cayuse people from their early years through the nineteenth century when the tribe was forced to move to a reservation First published in 1972 this expanded edition is published in 2005 in commemoration of the sesquicentennial of the treaty between the Cayuse Umatilla and Walla Walla Confederated Tribes and the U S government on June 9 1855 as well as the bicentennial of Lewis and Clark s visit to the tribal homeland in 1805 and 1806 Volume 120 in The Civilization of the American Indian Series *Speech of Hon. Isaac I. Stevens, Delegate From Washington Territory, on the Washington and Oregon War Claims* Isaac Ingalls

Stevens,2018-10-10 Excerpt from Speech of Hon Isaac I Stevens Delegate From Washington Territory on the Washington and Oregon War Claims Delivered in the House of Representatives of the United States May 31 1858 On Puget Sound we had extraordinary difficulties to contend with The war first broke out by the murder of a settlement of twelve persons on White river and under circumstances of great atrocity The settlers became alarmed in consequence of the oating rumors that the

Indians were bent on war and had fled from their homes to the nearest town Seattle. The Indians who were their neighbors went to them at Seattle and told them that they were needlessly alarmed. They asked them to go back to their claims and assure them that if any danger should threaten them they would give them timely warning. They returned back but before the morning's sun had risen they were all slaughtered in cold blood and by the Indians who had invited them back. Not men only were murdered but helpless women and tender children. Two children with the mangled remains of their mother were thrown to the bottom of a well. The Indians on that Sound exceeded the whites as five to two. It was time our citizens should take up arms and by energy and vigor endeavor to reduce to subjection the Indians engaged in this terrible massacre and prevent the other tribes joining them. It was done and I have yet to be convinced that it was not done rightly. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
