The One And The Many In The Israelite Conception Of God

R. P. Gordon

The One And The Many In The Israelite Conception Of God:

The One and the Many in the Israelite Conception of God Aubrey Rodway Johnson,1942 *The One and the Many in the Israelite Conception of God* Aubrey Johnson,2006-09-27 If the argument of this short study is sound we have here a point of view which needs to be borne in mind as an aid to the solution of not only textual and literary problems but even more those problems which are associated with the attempt to employ such terms as polytheism and monotheism in connexion with Israelite thought and also those which are inherent in the question of the prophetic psychology or again that of revelation It may also be argued that along this line we gain a new approach to the New Testament extension of Jewish Monotheism in the direction of the later Trinitarianism At any rate we can see how it was possible for a Jewish Christian to relate his Messiah so closely with the divine Being as to afford a basis for the later and Greek metaphysical formulation of the doctrine of the Trinity from the author s conclusions **The Book of Genesis, Chapters 18-50** Victor P.

Hamilton,1995-09-26 In the Old Testament we read God s word as it was spoken to his people Israel Today thousands of years later we hear in these thirty nine books his inspired and authoritative message for us These twin convictions shared by all of the contributors to The New International Commentary on the Old Testament define the goal of this ambitious series of commentaries For those many modern readers who find the Old Testament to be strange and foreign soil the NICOT series serves as an authoritative guide bridging the cultural gap between today s world and the world of ancient Israel Each NICOT volume aims to help us hear God s word as clearly as possible Scholars pastors and serious Bible students will welcome the fresh light that this commentary series casts on ancient yet familiar biblical texts The contributors apply their proven scholarly expertise and wide experience as teachers to illumine our understanding of the Old Testament As gifted writers they present the results of the best recent research in an interesting manner Each commentary opens with an introduction to the biblical book looking especially at questions concerning its background authorship date purpose structure and theology A select bibliography also points readers to resources for their own study The author s own translation from the original Hebrew forms the basis of the commentary proper Verse by verse comments nicely balance in depth discussions of technical matters textual criticism critical problems and so on with exposition of the biblical writer s theology and its implications for the life of faith today [The Doctrine of God in African Christian Thought](#) James Henry Owino Kombo,2007-05-30 The

Christian faith knows and worships one God who is revealed in the Son and in the Holy Spirit This is the meaning of the doctrine of the Trinity in Christian thought Although Christian orthodoxy defines the doctrine of the Trinity the intellectual tools used to capture it significantly vary At different times and in different places Western Christianity has for instance used neo Platonism German Idealism and the conceptual tools of the second century Greeks Taking elements from the known African intellectual framework this book argues that for African Christians the respective pre Christian African understanding of God and the Ntu metaphysics in particular function as conceptual gates for an attempt towards articulating

the Trinity for African Christian audiences Early Christian and Jewish Monotheism Loren T. Stuckenbruck, Wendy E. Sproston North, 2004-05-27 Early Christology must focus not simply on historical but also on theological ideas found in contemporary Jewish thought and practice In this book a range of distinguished contributors considers the context and formation of early Jewish and Christian devotion to God alone the emergence of monotheism The idea of monotheism is critically examined from various perspectives including the history of ideas Graeco Roman religions early Jewish mediator figures scripture exegesis and the history of its use as a theological category The studies explore different ways of conceiving of early Christian monotheism today asking whether monotheism is a conceptually useful category whether it may be applied cautiously and with qualifications or whether it is to be questioned in favor of different approaches to understanding the origins of Jewish and Christian beliefs and worship This is volume 1 in the Early Christianity in Context series and volume 263 in the Journal for the Study of the New Testament Supplement Series *The Spirit's Relation to the Risen Lord in Paul* Mehrdad Fatehi, 2000 Mehrdad Fatehi studies Paul's letters and shows that the risen Lord is featured in the religious experiences of Paul and the Pauline believers as the present and active lord of the new covenant community These experiences seem to point beyond the notion of a divine agent alongside God to a redefinition of the very concept of God in a way that it would include Christ within itself This is confirmed by the way Paul and the Pauline communities believed themselves to have experienced the risen Lord through God's Spirit In Judaism in general as well as in Paul the Spirit was not regarded as an entity distinct or separable from God but as God himself in his presence and action in and among his people Yet we have clear evidence in Paul's letters that the risen Christ was experienced and conceived of as being present and active through the Spirit bestowing grace and gracious gifts infusing wisdom communicating his will regenerating and transforming his people and dwelling in and among them all through the Spirit in a way which is best understood after the analogy of God's presence and work through the Spirit in Judaism In other words Paul's the Spirit of Christ is best understood after the analogy of the Spirit of God Paul's application of the Spirit language to describe and interpret the Christians experiences of the risen Lord shows that Paul most probably presupposed a redefinition of monotheism in which Christ would be included within the Godhead **A Trinitarian Covenantal Theology of the Church** Soh Guan Chin, 2000-12 The Christian Church faces many challenges today that threaten to disrupt its life and mission A serious biblically based study into what is the nature and mission of the Church is vital This book searches into the value and scope of understanding the Church as the creation of the Holy Trinity through the biblical covenants It analyses the contribution of John Zizioulas and Jurgen Moltmann for this purpose A proposal is then made of how Covenant is a new perspective that may synthesis and expand on their insights The God of Israel R. P. Gordon, 2007-04-19 Collection of essays discussing many unresolved or largely unaddressed issues about this unique deity **Feminist Companion to the New Testament and Early Christian Writings** Amy-Jill Levine, Marianne Blickenstaff, 2001 **The Crucifixion of the Warrior God** Gregory A.

Boyd, 2017-04-17 The Crucifixion of the Warrior God in an epic constructive investigation takes up the set of dramatic tensions between depictions of divinely sanctioned violence in Scripture and the message and life of peace of Jesus centering the New Testament Over two volumes author Gregory A Boyd argues that we must take seriously the full range of Scripture as inspired and the centrality of the crucified and risen Christ as the supreme revelation of God

This is likewise one of the factors by obtaining the soft documents of this **The One And The Many In The Israelite Conception Of God** by online. You might not require more times to spend to go to the books introduction as without difficulty as search for them. In some cases, you likewise attain not discover the revelation The One And The Many In The Israelite Conception Of God that you are looking for. It will no question squander the time.

However below, in the same way as you visit this web page, it will be suitably extremely simple to get as without difficulty as download guide The One And The Many In The Israelite Conception Of God

It will not allow many grow old as we run by before. You can accomplish it even though play a role something else at home and even in your workplace. appropriately easy! So, are you question? Just exercise just what we meet the expense of under as well as evaluation **The One And The Many In The Israelite Conception Of God** what you later to read!
