The Open Gate Meditations From The High Country:

High Country Cowgirl Joanna Sims,2018-08-01 A cowboy A woman A horse The road trip is just the beginning Ever since Gabe Brand transported a show horse and its lovely owner to their new ranch home the Montana trainer has had it bad for Bonita Delafuente The DC heiress came to Montana to make her terminally ill mother s Western dream a reality But with her dreams already on hold can Bonita make room in her life for a cowboy with love in his heart The Open Gate Don Ian Smith,1989 Books in Print ,1991 *Three Gates to Meditation Practice* David A. Cooper,2000 This guidebook to Sufism Buddhism and Judaism shows how practicing within more than one spiritual tradition can lead to a true spiritual path Subject Guide to Books in Print ,1975 Forthcoming Books Rose Arny,1995-02 **Country Life** ,1907 The Country Gentleman ,1927 **Chambers's Edinburgh Journal** ,1878 **The Westminster** ,1907 **The Pacific Monthly** William Bittle Wells,Lute Pease,1909 International Journal of Religious Education ,1927 Schwann Spectrum ,2001 **Ballantyne's Novelist's Library** James Ballantyne,1824 **Paperbound Books in Print 1995** Reed Reference Publishing,R5ference Reed,1995-12 The Great Detective: His Further Adventures Gary Lovisi,Marvin Kaye,2013-02-28 Sherlock Holmes That magical name conjures up all that is thrilling and exciting about the classic mystery short story The Great Detective created by Sir Arthur Conan Doyle is without doubt the most well known and popular fictional character ever created and with good reason Doyle s Sherlock Holmes stories are fascinating excursions into scientific detection with interesting well formed characters offering intelligent thoughtful mysteries that all men and women can relate to and enjoy Quite simply Doyle created magic with his Sherlock Holmes stories Writers over the last hundred years have been desperately trying to capture and recreate that magic and I feel that the authors in this book have done just that Here are a dozen well crafted stories nine of them original to this book by writers whose love of the original Holmes stories clearly show in their work So sit back in your comfortable chair and let the fog of old Victorian London swirl around you Once again the game is afoot Note This book has been officially licensed from the Arthur Conan Doyle estate Multidimensional Healing Carol Dignam,2024-12-06 Multidimensional Healing offers a holistic physical psycho spiritual model of healing While the current global healthcare system biomedical allopathy is well suited to support physical healing using objective methods such as drugs it ceased to be well suited to support subtle energetic psycho spiritual healing when its subjective method of psychoanalytic regression was displaced by drugs The author Carol Dignam discovered an ancient narrative describing both physical and psycho spiritual healing in traditional myths When Hero myths describe men using weapons to kill bad guys to heal the kingdom they are describing how allopathic doctors use drugs to kill germs to heal the body When Heroine myths describe weavers meditatively ravelling and unravelling disharmonious threads until the weaving is magical they are describing how meditators unravel psychic trauma until the psyche is harmonious When both myths describe magical beings supporting the journey they are describing the psychic and spiritual parts supporting healing In search of a meditation

supporting holistic physical psycho spiritual healing like the heroines of old the author began weaving together the cross cultural subjective healing methods of shamanic journeying meditation prayer and regression until a universal somatic meditation shone through Likewise in search of an archetypal system that accurately described the psychic parts supporting psychic integration the author wove together the cross cultural archetypal systems until the second golden thread of a universal archetypal system shone through Like the Greek myth of Ariadne whose golden thread led Theseus safely through the labyrinth of his psyche the first golden thread was designed to lead the reader through their psychic labyrinth while the second illuminates the psychic parts therein supporting healing
