(Classic Reprint) Travers Twiss,2015-06-30 Excerpt from *The Oregon Territory Its History and Discovery* The object which the author had in view in instituting the accompanying inquiry into the historical facts and the negotiations connected with the Oregon Territory was to contribute as far as his individual services might avail to the peaceful solution of the question at issue between the United States of America and Great Britain He could not resist the conviction on reading several able treatises on the subject that the case of the United States had been overstated by her writers and negotiators and the perusal

of Mr Greenhow's Official Memoir and subsequent history of Oregon and California confirmed him in this impression as they sought to establish more than was consistent with the acknowledged difficulty of a question which has now been the subject of four fruitless negotiations He determined in consequence of this conviction to investigate carefully the records of ancient discoveries and other matters of history connected with the north west coast of America concerning which much contradictory statement is to be met with in writers of acknowledged reputation About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works [The Oregon Territory, Its History and Discovery](#) Travers Twiss,1846 *The Oregon Territory, Its History and Discovery: Including an Account of the Convention of the Escu* Travers Twiss,2019-03-05 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **The Oregon Territory, Its History and Discovery, Including the Account of the Convention of the Escurial, Also** Travers Twiss,1846 **The Oregon Territory, Its History and Discovery, Including the Account of the Convention of the Escurial, Also, the Treaties and Negotiations Between the United States and Great Britain, Held at Various Times for the Settlement of a Boundary Line** Travers Sir Twiss, 1809-1897,2016-05-05 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or
