The Origin And Significance Of The Great Pyramid:

The Origin and Significance of the Great Pyramid Charles Staniland Wake, 2023-07-18 Wake offers a fascinating exploration of the Great Pyramid of Giza and its place in ancient Egyptian culture. Drawing on historical records, he argues that the pyramid was not just a tomb but a powerful symbol of the pharaoh's divine status and his connection to the gods. This book is a must-read for anyone interested in ancient Egypt and the mysteries of the pyramids. This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. The Origin and Significance of the Great Pyramid C. Staniland Wake, 2002-08 One of the most profound mysteries of the world towers above the desert sands of Egypt: the Great Pyramid. Who built this amazing monument and why? When was the work completed? This book assembles information from numerous sources, including spiritual, mathematical, astronomical, astrological, and religious areas. It reveals that no evidence exists for the Great Pyramid having ever been a tomb, despite the constant reference for it in textbooks. Wake claims the pyramid was a monument of Sabaeism, an early religious cult and of serpent worship. The serpent was immensely important in early Egyptian religion and mythology, but only Wake seems to have drawn a connection between the serpent and the Great Pyramid.

The Origin and Significance of the Great Pyramid C. Wake, 2020-01-05 The subject treated of in the following pages has during the last few years attracted much attention thanks to the influence of Prof C. Piazzi Smyth's important work *Life and Work at the Great Pyramid*. It was to test by the light of history the conclusion accepted by that writer as to the inspired origin of the Great Pyramid that I entered upon a consideration of the subject. That such an origin was required by the facts I did not suppose, but the conviction was forced on me that the structure had much more importance, viewed as a scientific and religious monument, than was generally conceded. I found nothing, however, to show that either its design or its construction necessitated Divine intervention. I was led to the conclusion, nevertheless, that the builders of the Great Pyramid intended to perpetuate certain scientific ideas, and moreover that they had a religious motive in its erection. There is little doubt, indeed, that it is a monument of Sabaeism, the worship of the heavenly host, which had a wide extension in the ancient world and with which Serpent worship was intimately connected. The importance of the Great Pyramid as a religio-scientific structure is still further increased if, as is not improbable, it was intended to mark the substitution of an astronomy based on the passage of the sun through the twelve signs of the Zodiac for the lunar astronomy which preceded it. My endeavour has been to state fairly the historical conditions

of the problem considered and to point out the direction in which its solution must be sought With the question as to the original source from which the wisdom of the Ancients of which the Great Pyramid is so wonderful a monument was derived these pages are not concerned The Serpent enclosed in a pyramid given on the cover is taken from a gem figured in Matter s Histoire Critique du Gnosticism planche II B It is there said to be the Solar Chnouphis or Agathodemo Christos with the seven sons of Sophia Wisdom the seven planetary genii The substance of this little work was read as a Paper before the Hull Literary Club on the 13th March 1882

THE association of the name of the god Seth with the Great Pyramid a structure which appears to embody or to bear a relation to the chief scientific truths recognised by the ancient world throws light on certain ideas entertained as to the nature of that deity The god of intelligence of the Egyptians was Thoth the Hermes of the Sabaeans Hermes was however called the son of Seth and this deity is in some sense to be identified with Thoth In a passage of the Book of the Dead the former has the name Tet which according to Bunsen intimates that Thoth inherited many of the attributes of Seth

The Origin, History & Purport of Freemasonry (Annotated Edition) John Fellows,2013-10-17 The intention of this work is to endeavor to unravel the intricate web in which the mystery of freemasonry is involved by tracing the order back to its source and by showing its intimate connection and similitude to institutions more ancient put it beyond a doubt that it sprang from and is a continuation of the rites and ceremonies observed in those establishments That the writer as a freemason is extremely liberal may be judged from his own reprobation of the oaths imposed upon members He considers a total abandonment of the oaths at the present day requisite He says that the mysteries from which the institution was derived created and that the custom of the times when it was established sanctioned the most horrible oaths The argument used that these oaths are no longer necessary is we think effectual against the existence of Masonry itself

Antichrist Osiris: the History of the Luciferian Conspiracy Chris Relitz,2012-06-01 The Legends of many cultures claim that the world was once destroyed in a cataclysmic flood Many cultures also claim that someday the world will again be destroyed in a similar fashion In the Bible we are told that the disciples once asked Jesus if there would be a warning sign prior to this destructive event He said that there would indeed a sign Jesus said that whatever was happening in the Days of Noah will happen again before the end of this age The Bible has only a few verses about Noah s Flood So we are forced to turn to the ancient flood legends of over 350 other cultures to learn more about this prophecy But Noah s days did not end with the flood he lived for many years afterward He saw the creation of a tower in Babylon This is interesting because the Freemasons claim that their Order originated here Here is the most thorough examination of Freemasonry ever undertaken using their own texts to solve the Days of Noah prophecy
