Coffey, 2020-02-28 Between 1932 and 1934 José Clemente Orozco painted the twenty four panel mural cycle entitled *The Epic of American Civilization* in Dartmouth College's Baker Berry Library An artifact of Orozco's migration from Mexico to the United States the Epic represents a turning point in his career standing as the only fresco in which he explores both US American and Mexican narratives of national history progress and identity While his title invokes the heroic epic form the mural indicts history as complicit in colonial violence It questions the claims of Manifest Destiny in the United States and the Mexican desire to mend the wounds of conquest in pursuit of a postcolonial national project In Orozco's American Epic Mary K Coffey places Orozco in the context of his contemporaries such as Diego Rivera and David Alfaro Siqueiros and demonstrates the Epic's power as a melancholic critique of official indigenism industrial progress and Marxist messianism In the process Coffey finds within Orozco's work a call for justice that resonates with contemporary debates about race immigration borders and nationality An Interpretation of the Orozco Frescoes at Dartmouth Churchill P. Dartmouth College is in the unique position of having a magnificent large fresco by the Mexican muralist Jos Clemente Orozco 1883 1949 adorning the campus library Completed by the artist in 1934 and titled The Epic of American Civilization this work was promptly condemned by many alumni as being too critical of the college and academia In response to Orozco s work the illustrator and Dartmouth alumnus Walter Beach Humphrey 1892 1966 persuaded President Ernest Martin Hopkins to allow him to create another mural that would be more Dartmouth in character Humphrey painted his mural four years after the completion of Orozco s frescoes on the walls of a faculty dining hall or grill at the college Based on a drinking song by Richard Hovey Dartmouth Class of 1885 it depicts a mythical founding of the college by Eleazar Wheelock In the first panel Wheelock pulling along a five hundred gallon barrel of rum is happily greeted by young American Indian men whom he introduces to drunken revelry The encounter which takes place as the mural circles the grill room also features many half naked Indian women one of whom reads Eleazer s copy of Gradus ad Parnassum upside down Fast forward to the early 1970s and the introduction of the Native American Program and co education at Dartmouth College the Hovey Murals as the work was known became so controversial that they were covered over and the room itself closed This book aims to provide not only the history and art history of this mural but also its wider cultural and historical contexts The existence of both Orozco s fresco and Humphrey s mural on a college campus provides a unique juxtaposition of certain extremes of 1930s mural art As such their creation represents an important and fascinating historical moment while bringing into sharper focus some of the issues surrounding the politics of art and images This book is intended as a textbook for those studying these murals and also as a guide to understanding how they fit into a troubling and difficult history of envisioning Native Americans by non natives in American literature and popular art *Mumford on Modern Art in the 1930s* Lewis Mumford,2007-02-05 Superbly crafted little essays Lewis Mumford s New Yorker pieces called The Art Galleries well deserve this handsome republication They offer supremely tasteful guided tours of the galleries and museums of Manhattan at the time when the canon of Western art including modernism was being secured against a background of tension between abstraction and realism and between aestheticism and social commitment The essays are a gift for our own troubled times from one of the great humane and versatile critics of the twentieth century they offer the reassurance of urbanity poise and commitment to art as a primary social necessity Alan Trachtenberg Neil Grey Emeritus Professor of English Yale University **The Latino Christ in Art, Literature, and Liberation Theology** Michael R.
