The Open Door Variations On Biblical Themes:

The Open Door Gerd Theissen, 1991 **A Feminist Companion to Reading the Bible** Athalya Brenner, Carole Fontaine, 2013-08-16 This valuable resource both presents and demonstrates the numerous developments in feminist criticism of the Bible and the enormous range of influence that feminist criticism has come to have in biblical studies The purpose of the book is to raise issues of method that are largely glossed over or merely implied in most non feminist works on the Bible The editors have included broadly theoretical essays on feminist methods and the various roles they may play in research and pedagogy as well as non feminist essays that have direct bearing on the methods or subject matter that feminists use as well as reading that illustrate the variety of methodological strategies adopted by feminist scholars Some 30 scholars from North America and Europe have contributed to this Companion The Nonviolent God J. Denny Weaver, 2013-11-26 This bold new statement on the nonviolence of God challenges long standing assumptions of divine violence in theology the violent God pictured in the Old Testament and the supposed violence of God in Revelation In The Nonviolent God J Denny Weaver argues that since God is revealed in Jesus the nonviolence of Jesus most truly reflects the character of God According to Weaver the way Christians live Christian ethics is an ongoing expression of theology Consequently he suggests positive images of the reign of God made visible in the narrative of Jesus nonviolent practice forgiveness and restorative justice issues of racism and sexism and more in order that Christians might live more peacefully **Encounters in the Dark** Noel Forlini Burt, 2020-10-16 An interdisciplinary study of a familiar patriarchal narrative Encounters in the Dark Identity Formation in the Jacob Story traces the many moments of darkness in the life of Jacob From the darkness of his mother's womb to the darkness Jacob uses to deceive his father and his brother to the night he sleeps on the ground with just a stone for a pillow at Bethel and to the triumphant scene of wrestling God by the Jabbok River the biblical story frequently situates Jacob in the darkness Through an exploration of key moments in Jacob's story Noel Forlini Burt follows Jacob's journey from home to exile and back home again His story symbolizes the larger story of Israel's own wrestling with God in the darkness of exile and return Features An exploration of the poetics and rhetoric of the Jacob story An examination of characterization in its ancient and modern contexts An analysis of individual and collective identity **Jesus and the Victory of God** Nicholas Thomas Wright, 1997-02-07 Shows how the questions posed by Albert Schweitzer a century ago remain central today sketches a profile of Jesus in terms of his prophetic praxis his subversive stories his symbology and the answers he gave to key questions in a debate igniting examination of Jesus aims and beliefs argued on the basis of his actions and their accompanying riddles Reprint *The New Testament and the People of God* Nicholas Thomas Wright, 1992-01-01 Provides a historical theological and literary study of first century Judaism and Christianity offering a preliminary discussion of the meaning of the word god within those cultures and explores the ways in which developing an understanding of those first century cultures are of relevance for the modern world Original The Gospel of Luke Joel B. Green, 1997-10-02 This highly original commentary

part of the New International Commentary is unique for the way it combines concerns with first century culture in the Roman world with understanding the text of Luke as a wholistic historical narrative **Introducción a la Última Cena AETH**

Association for Hispanic Theological Education,2012-02-01 Eliseo Pérez con gran creatividad va tejiendo su libro a partir del campo semántico de la última cena y así como el menú es tan minucioso así también el libro de Pérez está lleno de datos y estadísticas de todo tipo interesantes En torno a la comida el autor hilva el presente y el pasado geopolítico económico cultural y ecológico Todo el menú está cargado de historias sagradas y profanas con sus respectivos datos socioculturales With great creativity Eliseo Pérez weaves through the semantic field of the Last Supper The Last Supper is filled with details full of fascinating data and statistics this book is meticulous in covering all of them Closely examining this meal the author parallels the present with the ecological cultural economic and geopolitical past and offers a look at the meal's histories both sacred and worldly with its respective sociocultural data **The New Testament and the People of God** N. T. Wright,1992-01-01

Provides a historical theological and literary study of first century Judaism and Christianity offering a preliminary discussion of the meaning of the word god within those cultures and explores the ways in which developing an understanding of those first century cultures are of relevance for the modern world Original **Back to the Well** Frances Taylor Gench,2004-01-01

Exploring six Gospel texts in which women encounter Jesus Gench encourages readers to view these stories anew through the eyes of contemporary biblical scholarship The Shadow of the Galilean Gerd Theissen,1987-01-01 Combining NT scholarship with the racy and readable style of a thriller Theissen succeeds brilliantly in conveying the gospel story in the fresh and imaginative prose of a novel Here is a wealth of information about Palestinian life and politics **Jesus for Most**

People Emanuel Polioudakis,2010-12-16 Jesus for Most People is for people who believe God used the Big Bang to create the universe used evolution to create people and sent Jesus to teach The book updates the Enlightenment outlook It summarizes scholarly work on Jesus and the early Church It explains the biological evolution of morality and it looks there for clues about God Some ideas here about Jesus and about the evolution of morality are new but not silly The book builds a solid base for reasonable belief so people can avoid religious and secular wackiness *The Living Church* ,1953 Grey Spaces Jeffrey W. Driver,2022-11-22 Churches around the world have been confronted by shame and culpability in widespread revelations of child sexual abuse In this book Jeffrey Driver who has served the Australian Anglican Church as both a diocesan bishop and archbishop explores some of the underlying cultural and theological influences that may have predisposed the possibility of abuse as well as the defensiveness and cover ups that sometimes followed The first responses of most churches to the revelations of abuse were of necessity mostly structural and programmatic Recognizing the institutional temptation to do only enough to settle a crisis Jeffrey Driver calls for something different from the churches Drawing on the imagery of Holy Saturday he encourages a deeper journey of reflection and change for churches and church leaders to linger reflectively in the grey spaces of loss and shame long enough to hear the voice of God addressing them through the vulnerable and the

wounded once more calling the church back to itself and into a deeper humbler relationship with the world it is called to serve

Christianity and Science Haught, John F., 2014-04-10 There is nothing in Christian faith that should make one afraid of science's widening and deepening knowledge No matter how enormous the picture of the natural world turns out to be it can never surpass the infinity we have always attributed to God In this work John Haught a leading Catholic theological voice in the study of science and religion offers his most systematic theological reflections on the relation between Christian revelation and the unfolding story of the universe In the face of recent discoveries some maintain their faith by clinging to a pre scientific world view others conclude that perhaps the universe has outgrown the biblical God who is said to be its creator For Haught however exploration of the three infinities the immense the infinitesimal and the complex serves as invitation to an unprecedented appreciation for the grandeur of God creation Christ and redemption

Common Life in the Early Church Julian Victor Hills, 1998 This book offers a breadth of focus on community or common life in various Christian eras that is how that life is pictured both in texts and in early Christian art Readers will find opportunity here to become current regarding what has been said and what is being said about how religious communities have defined themselves and how they have been seen by outsiders In addition readers will learn more about the origins of monasticism a claim for a very early date is made about Jewish and Christian relations in the early centuries about house churches and much more
