For a History of Opera covering as it does over three centuries in four countries to be brought within the compass of a volume like this it must be either one of two things: something little better than a time table, an annotated list of names and dates; or else a compendious sketch. The former plan might be excusably followed in a school text book, though some grave doubts of its advisability might be entertained even there. But in a book that hopes to be read otherwise than under compulsion it would be a self-stultifying impertinence. The other plan of making the History a compendious sketch is the only one to the purpose. About the Publisher: Forgotten Books publishes hundreds of thousands of rare and classic books. Apthorp,1901 The Opera, Past and the Opera Past and Present, an Historical Sketch (Classic Reprint) William Foster Apthorp,2017-09-12 Excerpt from The Opera Past and the Opera Past and Present an Historical Sketch Only in two instances have I departed from this general plan in the cases of Mozart and Beethoven The puissant genius of these men was too closely in harmony with the fundamental idea of the Opera for them to be negligible although they exerted infinitely little influence upon either their contemporaries or their successors in this field of composition Of two other men again Alessandro Scarlatti and Handel I have said extremely perhaps surprisingly little Though the greatness of their genius is beyond doubt the part they played in the history of Opera was at once unimportant and as far as it went antagonistic to the real evolution of the form About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works The opera, past and present, an historical sketch; by William Foster Apthorp William Foster Apthorp,1901 *A List of Books on the Operas Announced for Production at the Boston Opera House During the Season of MCMXI-MCMXCII in the Public Library of the City of Boston* Boston Public Library,1911 **Historical Sketches of the Native Irish and Their Descendants** Christopher Anderson,1830 Bulletin Seattle Public Library,1905 *Bulletin of the Rosenberg Library* Rosenberg Library,1910 Includes the library's annual reports for 1909 Among Our Books Carnegie Library of Pittsburgh,1901 The Congregationalist ,1915 *Bulletin of the Osterhout Free Library* Osterhout Free Library,1909 **Little Arthur's History of France** ,1899 *Monthly Bulletin of the Carnegie Library of Pittsburgh* Carnegie Library of Pittsburgh,1901 **American History: Comprising Historical Sketches of the Indian Tribes** Marcus Willson,1864
