The Open Secret Sketches For A Missionary Theology:

The Open Secret Lesslie Newbigin, 1978-01 *The Open Secret* Lesslie Newbigin, 1978-01-01 [The Open Secret](#) Lesslie Newbigin, 1978 **The Open Secret** Lesslie Newbigin, 1995-08-28 Aimed at bringing contemporary concerns in mission theology to a wide reading public this volume flows from Newbigin's extensive experience in the mission field and from lectures developed especially to prepare men and women for missionary service Newbigin describes the Christian mission as the declaration of an open secret open in that it is preached to all nations secret in that it is manifest only to the eyes of faith The result is a thoroughly biblical attempt to lead the church to embrace its Christ-given task of presenting the gospel in our complex modern world This revised edition includes a helpful index and a new preface **The Open Secret** Alister E. McGrath, 2008-04-28 Natural Theology explores the knowledge of God as it is observed through nature This book sets forth a new approach to the study of natural theology reestablishing its legitimacy as a distinct aspect of Christian theology Written by internationally regarded theologian and author of numerous bestselling books Alister McGrath Treats natural theology as a cultural phenomenon broader than Christianity itself yet always possessing a distinctively Christian embodiment Explores topics including beauty goodness truth and the theological imagination how investigating nature gives rise to both theological and scientific theories the idea of a distinctively Christian approach to nature and how natural theology can function as a bridge between Christianity and other faiths **Theology in Missionary Perspective** Mark T. B. Laing, Paul Weston, 2012-10-24 Lesslie Newbigin was one of the most significant missionary strategists and theologians of the twentieth century With the breakdown of confidence in some of the central philosophical and theological paradigms that have been shaped and sustained by the culture of modernity Newbigin's approach to a genuinely missionary theology offers fresh insights and approaches providing something of a prophetic model for the global Christian community in new and challenging times In this collection of essays scholars and practitioners from around the world engage with aspects of Newbigin's continuing legacy They explore Newbigin's approach to theological method his theological and philosophical account of Western culture in the light of the gospel and some of the implications of his thought for global mission in the third millennium This collection is essential reading not just for Newbigin enthusiasts but also for all who are concerned to develop a genuinely missionary encounter with contemporary culture Contributors Ian Barns John G Flett Michael W Goheen Kenneth D Gordon Eleanor Jackson Veli Matti Karkkainen David J Kettle J Andrew Kirk Mark Laing Murray Rae Jurgen Schuster Wilbert Shenk Jenny Taylor Geoffrey Wainwright Ng Kam Weng and Paul Weston **Transforming Mission: Paradigm Shifts in Theology of Mission** David J. Bosch, 2011 David Bosch's Transforming Mission now available in over a dozen languages is widely recognized as an historic and magisterial contribution to the study of mission Examining the entire sweep of Christian tradition he shows how five paradigms have historically encapsulated the Christian understanding of mission and then outlines the characteristics of an emerging postmodern paradigm dialectically linking the transcendent and

imminent dimensions of salvation In this new anniversary edition Darrel Guder and Martin Reppenhagen explore the impact of Bosch's work and the unfolding application of his seminal vision **T. F. Torrance as Missional Theologian** Joseph H. Sherrard,2021-06-01 What contribution can T F Torrance make to the discussion of a missional view of the church Theologian and pastor Joseph Sherrard considers how Torrance's theology can inform the church's understanding of its ministry and mission in particular his appeal to the church's participation in the ascended Christ's threefold office as king prophet and priest **The Gospel and Pluralism Today** Scott W. Sunquist,Amos Yong,2015-10-06 This collection of essays explores the legacy of Lesslie Newbigin's classic work The Gospel in a Pluralist Society critically analyzing the nature of Western pluralism and discussing the influence of Newbigin's work on the field of missiology By looking backward this volume advances a vision for Christian witness in the pluralistic world of the twenty first century Landmark Essays in Mission and World Christianity Robert L. Gallagher,Paul Hertig,2009 Gallagher and Hertig have collected a range of seminal articles and papers that offer students insight into thinking by the makers of modern mission and world Christian studies This is a priceless book for the classroom bringing between two covers the most important reflections on these issues in our age This marvelous book answers the prayers of teachers who have struggled for a generation with the problem of providing their students a resource that will offer an entre into the best thinking on the nature of mission and the emergence of world Christianity **Ecumenism and Independency in World Christianity** ,2020-09-07 Ecumenism and independency suggest two distinct impulses in the history of Christianity the desire for unity co operation connectivity and shared belief and practice and the impulse for distinction plurality and contextual translation Yet ecumenism and independency are better understood as existing in critical tension with one another They provide a way of examining changes in World Christianity Taking their lead from the internationally acclaimed research of Brian Stanley in whose honour this book is published contributors examine the entangled nature of ecumenism and independency in the modern global history of Christianity They show how the scrutiny afforded by the attention to local contextual approaches to Christianity outside the western world may inform and enrich the attention to transnational connectivity Evaluating the Church Growth Movement Zondervan,2010-06-01 What exactly is the Church Growth movement This timely volume in the Counterpoints series addresses the history of the movement that has become such an enormous shaping force on the Western church today and it explores in a roundtable forum of leading voices five main perspectives on the classic Church Growth movement Effective Evangelism View presented by Elmer Towns Gospel in Our Culture View presented by Craig Van Gelder Centrist View presented by Charles Van Engen Reformist View presented by Gailyn Van Rheen Renewal View presented by Howard Snyder Each view is first presented by its proponent then critiqued by the co contributors The interactive and fair minded format allows the reader to consider the strengths and weaknesses of each view and draw informed personal conclusions Evaluating the Church Growth Movement concludes with reflections by three seasoned pastors who have grappled with the

practical implications of Church Growth The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair minded and respectful of the biblical text Each volume is a one stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion

The Missionary Movement in Colonial Kenya James Karanja,2009 **How Odd of God** William H. Willimon,2015-10-09 Election is a strange word when used in theology It brings to mind old debates about what God might or might not have done before the foundation of the world But viewed apart from that historical baggage the word election is about a central gospel idea that in Jesus not only does God choose to be God for us but chooses us to be for God The calling of the disciples in the gospels is a story of election of how God chooses to transform the world by choosing us to be messengers and agents of that transformation So it is says William Willimon that election becomes not just the content of our preaching but the means as well God chooses preachers How unlikelyhow oddis it that God should entrust the proclamation of the gospel to well us This unpredictable electing God reaches out to save the world and then leaves it in the hands of preachers to get the word out Through us through our stammering tongues and faltering hearts the preached word becomes the Word of God If you wonder why you drag yourself into the pulpit every Sunday if you worry that your sermons aren t reaching past the front pew then read this book and be encouraged God chooses God chooses preachers God chooses you **Edinburgh 2010** David A. Kerr,Kenneth R. Ross,2010-04-01 The World Missionary Conference held at Edinburgh in 1910 ranks among the most influential and widely remembered events in Christian history Though the outcomes of the Conference have differed in many ways from the expectations of its participants after a century its momentous significance is clearer than ever While the missionary movement went into decline from its work emerged a world church with deep roots and vigorous expression on every continent As the centenary of the Conference approaches The time is ripe to examine its meaning in light of the past century And The questions facing Christian witness today This book is the first to systematically examine the eight Commissions which reported to Edinburgh 1910 and gave the conference much of its substance and enduring value it will deepen and extend the reflection being stimulated by the upcoming centenary and will kindle the missionary imagination for 2010 and beyond A Missiology of the Road J Kevin Livingston,2014-09-25 David Bosch 1929 1992 was one of the foremost mission theologians of the twentieth century a prolific scholar committed church leader and active participant in the global conciliar and evangelical mission movements His distinctive role in the South African church s struggle against apartheid is less well known however After reviewing Bosch s background and exploring key themes in his understanding of mission and

evangelism Livingston explores Bosch's legacy from the perspective of the missionary nature of the church. The church is God's kingdom community acting as a witness to and instrument of the coming reign of God. The church is God's alternative community simultaneously set apart from the world but also existing for the sake of the world, exemplifying the radical implications of Christ's new community. It is also God's reconciled and reconciling community serving as a sign and embodiment of God's love in Christ. For those acquainted with Bosch only as the author of his magisterial *Transforming Mission: A Missiology of the Road*, this book shows how Bosch integrated his theology and practice in a faithful, contextually relevant way within South Africa and the global church.

The Mission of the Triune God Adam Dodds, 2017-07-31 Lesslie Newbigin was arguably the greatest missionary thinker of the twentieth century. After a successful missionary career in South India, Newbigin pioneered missionary engagement with the secular West and resurgent Islam. He also led the way in arguing that the Church's mission can only be understood in light of the doctrine of the Trinity. Over fifty years ago, Newbigin called for the further development of missionary thinking grounded in the Triune being of God. This work is in response to that call. Adam Dodds provides the first in-depth study of Newbigin's trinitarian theology of mission. Dodds constructs a systematic account of the central features of the mission of the Triune God: the Triune being of God, the mission of the Son, the mission of the Holy Spirit, and the mission of the church. This book contributes to our understanding of the work of Lesslie Newbigin, offers a systematic theological account of the mission of the Triune God, and contributes to the retrieval of Christian mission from the theological margins back to a place of central importance to Christian theology.

The Continuing Conversion of the Church Darrell L. Guder, 2000-03-20 Western society is now a very different, very difficult mission field. In such a situation, the mission of evangelism cannot succeed with an attitude of business as usual. This volume builds a theology of evangelism that has its focus on the church itself. Darrell Guder shows that the church's missionary calling requires that the theology and practice of evangelism be fundamentally rethought and redirected, focused on the continuing evangelization of the church so that it can carry out its witness faithfully in today's world. In Part 1, Guder explores how, under the influence of reductionism and individualism, the church has historically moved away from a biblical theology of evangelism. Part 2 presents contemporary challenges to the church's evangelical ministry, especially those challenges that illustrate the church's need for continuing conversion. Part 3 discusses what a truly missional theology would mean for the church, including sweeping changes in its institutional structures and practices. Written for teachers, church leaders, and students of evangelism, this volume is vital reading for everyone engaged in mission work.

Dictionary of Mission Karl Muller, Theo Sundermeier, Stephen B. Bevans, Richard H. Bliese, 2006-01-30 Conceived and developed by two of Europe's most eminent missiologists in the country where the scientific and sustained study of mission first took shape, the *Dictionary of Mission* represents the finest of the chorus of voices that comprise contemporary missiology. The choice of topics and the authors to address them reflects what Christian mission has become: a genuinely worldwide and ecumenical phenomenon. That there

would be entries on regional theological developments is indicative of how the world church is developing A host of other topics here explored show too how the landscape of mission is changing Taken as a whole then the Dictionary of Mission is a road map through this exciting and challenging terrain from the Foreword
