

The Opium Problem

**United States. Delegation to the
International Opium Conference**

The Opium Problem:

The Opium Problem Charles E. Terry, Mildred Pellens, 1928 **History of the Opium Problem** Hans Derks, 2012-04-18 Covering a period of about four centuries this book demonstrates the economic and political components of the opium problem As a mass product opium was introduced in India and Indonesia by the Dutch in the 17th century China suffered the most but was also the first to get rid of the opium problem around 1950 **The Opium Problem** Charles E. Terry, Mildred Pellens, 1928 **The Opium Problem** Charles E. Terry, Mildred Pellens, 1928 **The Opium Problem** Charles Edward Terry, 1983 *The Opium Wars* W Travis Hanes III, Ph.D., Frank Sanello, 2004-02-01 A fascinating look at the other side of the Opium Wars In this tragic and powerful story the two Opium Wars of 1839 1842 and 1856 1860 between Britain and China are recounted for the first time through the eyes of the Chinese as well as the Imperial West Opium entered China during the Middle Ages when Arab traders brought it into China for medicinal purposes As it took hold as a recreational drug opium wrought havoc on Chinese society By the early nineteenth century 90 percent of the Emperor s court and the majority of the army were opium addicts Britain was also a nation addicted to tea grown in China and paid for with profits made from the opium trade When China tried to ban the use of the drug and bar its Western smugglers from it gates England decided to fight to keep open China s ports for its importation England the superpower of its time managed to do so in two wars resulting in a drug induced devastation of the Chinese people that would last 150 years In this page turning dramatic and colorful history The Opium Wars responds to past biased Western accounts by representing the neglected Chinese version of the story and showing how the wars stand as one of the monumental clashes between the cultures of East and West A fine popular account Publishers Weekly Their account of the causes military campaigns and tragic effects of these wars is absorbing frequently macabre and deeply unsettling Booklist *The opium problem* Charles E. Terry, Mildred Pellens, 1970 **The Opium Monopoly** Ellen N. La Motte, 2019-12-10 In *The Opium Monopoly* Ellen N La Motte presents a compelling exploration of the opium trade weaving together personal narrative historical analysis and poignant social commentary La Motte s literary style is characterized by her incisive prose and vivid imagery which bring to life the harsh realities of colonial exploitation and the complex moral implications of addiction Set against the backdrop of early 20th century imperialism the book critically examines the socio political structures that perpetuated the opium trade challenging readers to confront the ethical ambiguities surrounding wealth power and suffering Ellen N La Motte was a trained nurse and an ardent activist drawing from her experiences in the medical field and her observations of the opium crisis in China Her unique perspective as an American expatriate working abroad shaped her views on imperialism and social justice imbuing her work with a sense of urgency and authenticity La Motte s background in public health and her commitment to social reform deeply influenced the thematic concerns of this work as she sought to shed light on the human cost of the opium trade For readers interested in the intersections of colonialism addiction and morality *The Opium Monopoly*

is essential reading La Motte s powerful narrative not only illuminates a dark chapter of history but also invites contemporary reflections on ethical responsibility and the legacies of imperialism This profound examination serves as a reminder of the ongoing struggles against addiction and the socio political implications that continue to resonate today The U.S. Heroin Problem and Southeast Asia John J. Brady,Robert K. Boyer,United States. Congress. House. Committee on Foreign Affairs,1973 The Opium Evil United States. Delegation to the International Opium Conference,1912
