The Orators In Cicero's Brutus Prosopography And Chronology:

The Orators in Cicero's Brutus G.V. Sumner, 1973-12-15 Special problems are presented to prosopographers and historians of the Roman Republic who attempt to determine the chronological structure of Cicero's Brutus. Over two hundred orators who figured actively in Roman politics from the time of the Punic Wars to that of Civil War are cited in the dialogue. Professor Sumner presents their probable birth dates and careers in the form of a register followed by a commentary concentrating on the controversial points in the Brutus to give a systematic basis to our understanding of the problems of the historical aspects of the dialogue and Cicero's organization of it. Professor Sumner has worked primarily from the historian's viewpoint. In his words the study of the chronological structure of the Brutus should be considered the vertebra of the monograph but the body of the work is the prosopographical commentary while the examination of Cicero's prosopographical and chronographic resources and methods is an essential adjunct. For scholars and students of early Rome this analysis is a valuable addition to current knowledge. The Orators in Cicero's Brutus Graham Vincent Sumner, 1973

Brill's Companion to Cicero James M. May, 2002-09-01 This volume is intended as a companion to the study of Cicero's oratory and rhetoric for both students and experts in the field. For the neophyte it provides a starting point for the veteran Ciceronian scholar a place for renewing the dialogue about issues concerning Ciceronian oratory and rhetoric for all a site of engagement at various levels with Ciceronian scholarship and bibliography. The book is arranged along roughly chronological lines and covers most aspects of Cicero's oratory and rhetoric. The particular strength of this companion resides in the individual often very original approach to sundry topics by an array of impressive contributors all of whom have spent large portions of their careers concentrating upon the oratorical and rhetorical oeuvre of Cicero. A bibliography of relevant items from the past 25 years keyed to specific Ciceronian works completes the volume. Brill's Companion to Cicero will become the standard reference work on Cicero for many years. The Roman World of Cicero's De Oratore Elaine Fantham, 2004-08-05

The Roman World of Cicero's De Oratore offers a wide introduction to Cicero's political and cultural world and illustrates by its analysis of his imaginary dialogue between statesmen how he introduced the principles of Greek philosophy and rhetoric into Roman education so that his work became the basis of humanist ideals in the Renaissance and Enlightenment. **The**

Orators in Cicero's Brutus G. V. Sumner, 1973 **The Case for the Prosecution in the Ciceronian Era** Michael C. Alexander, 2002 DIVA reconstruction of the case for the prosecution in the eleven trials in which Cicero delivered an extant defense speech. **Power and Persuasion in Cicero's Philosophy** Nathan Gilbert, Margaret Graver, Sean

McConnell, 2023-01-05 Explores Cicero's thought on a range of issues including political leadership, persuasive rhetoric and the right use of power. Cicero's Role Models Henriette van der Blom, 2010-07-29 A study of the rhetorical and political strategy adopted by the Roman orator and statesman Cicero as a newcomer in Roman republican politics. Henriette van der Blom argues that Cicero advertised himself as a follower of chosen models of behaviour from the past, his role models and in

turn presented himself as a role model to others *Sallust's Bellum Catilinae* Sallust,2007-03 Publisher description

Approaching the Roman Revolution Ronald Syme,2016-10-27 This volume collects twenty six previously unpublished studies on Republican history by the late Sir Ronald Syme 1903 1989 drawn from the archive of Syme s papers at the Bodleian Library This set of papers sheds light on aspects of Republican history that were either overlooked or tangentially discussed in Syme s published work They range across a wide spectrum of topics including the political history of the second century BC the age of Sulla the conspiracy of Catiline problems of constitutional law and the Roman conquest of Umbria Each of them makes a distinctive contribution to specific historical problems Taken as a whole they enable us to reach a more comprehensive assessment of Syme s intellectual and historiographical profile The papers are preceded by an introduction that places them within the context of Syme s work and of the current historiography on the Roman Republic and are followed by a full set of bibliographical addenda
