Martins, 2010-08-02 In 1917 three impoverished children from a small town in Portugal are visited by a beautiful angelic being they called the Virgin Mother Lucia and her cousins gather at her feet as the Lady reveals three secret prophecies to the three children The first is a vision of the dark realm some call hell The second is a frightening vision of the future if humanity doesn't amend its corrupted ways The third and most important is a prophetic code that is to remain secret until the time is right Almost one hundred years later in present day Toronto three adults come face to face with the final secret described by the prophecy James Christopher has lost everything his home his job and his wife and unborn son to tragic circumstances Sarah Green is a teenage runaway fleeing a home where her parents are seemingly uninterested in her life Lumar Hirk Tenting Jr is a gang member trying to find the way to a better life They have little in common but they have been
