Slovakia And The Slovaks

Joseph A. Mikuš

Slovakia And The Slovaks:

Slovakia and the Slovaks Joseph A. Mikuš,1977 **The Encyclopaedia of Slovakia and the Slovaks** Tamara Archleb Gály,2006 **Super Slovaks** Global Slovakia,2021-07-11 This is a book about 48 Super Slovaks and their true stories of bravery and adventure creativity and skill And since there are no heroes without villains this book also represents two stories of not so super Slovaks Together they reveal a history of Slovakia Do You Know Which super Slovak was the last human on the moon Which super Slovak escaped a Nazi prison by jumping out of a window Which super Slovak built the first skyscraper in Asia Which super Slovak changed the course of the Second World War Find the answers And much more inside Super Slovaks **A History of Slovakia** Stanislav J. Kirschbaum,2016-05-10 This classic book offers the most comprehensive and up to date history of Slovakia from its establishment on the Danubian Plain to the present While paying tribute to Slovakia s resilience and struggle for survival it describes contributions to European civilization in the Middle Ages the development of Slovak consciousness in response to Magyarization its struggle for autonomy in Czechoslovakia after the Treaty of Versailles its resistance as the first Slovak Republic to a Nazi controlled Europe its reaction to Communism and the path that led to the creation of the second Slovak Republic Now fully updated to the present day the book examines the vagaries of Slovak post Communist politics that led to Slovakia s membership in NATO and the European Union **Slovakia** Peter A. Toma,Dušan Kováč,2001 From medieval times to the current day historical accounts of Slovakia and the Slovak people have often been either sketchy romanticized versions of a pastoral society or nationalistic exaggerated exaltations of the past Now Slovakia From Samo to Dzurinda at last offers a true history of the Slovak people without prejudice their struggle for national identity their aspirations for independence and economic development and their ambition to become a democratic state The product of painstaking research by the authors one a naturalized American from Slovakia and the other a Slovak historian this book is the definitive volume for readers in the English language who wish to acquire a more sophisticated understanding about past and present Slovakia From the seventh century empire of Samo the first Slav king to the present day struggle for democracy the authors detail all the region s significant history They examine the Slovaks Slavic ancestors and the emergence of a modern Slovak nation the postwar communist dictatorship and the Prague Spring the fall of socialism from the Velvet Revolution to the breakup of the Czechoslovak Federation and the ongoing process of trying to establish democratic institutions in today s independent Slovakia All readers regardless of their ethnic origin or political persuasion will find that this factual and scholarly historical survey of the Slovaks and Slovakia offers an illuminating new perspective on a people whose history has often been clouded by the interests of those who wrote about them BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved **Slovakia in History** Mikuláš Teich,Dušan Kováč,Martin D. Brown,2011-02-03 Until the dissolution of Czechoslovakia Slovakia s identity seemed inextricably linked with that of the former state This book explores the key moments and themes in the history of Slovakia

from the Duchy of Nitra's ninth century origins to the establishment of independent Slovakia at midnight 1992. 3 Leading scholars chart the gradual ethnic awakening of the Slovaks during the Reformation and Counter Reformation and examine how Slovak national identity took shape with the codification of standard literary Slovak in 1843 and the subsequent development of the Slovak national movement. They show how after a thousand years of Magyar-Slovak coexistence Slovakia became part of the new Czechoslovak state from 1918-39 and shed new light on its role as a Nazi client state as well as on the postwar developments leading up to full statehood in the aftermath of the collapse of communism in 1989. There is no comparable book in English on the subject.

The Slovak National Awakening Peter Brock, 1976-12-15. The Slovaks lived under Hungarian rule for centuries with no clear sense of political separateness, preserving Slovak as their spoken language but using Czech as their written language. In the last decades of the 18th and the first half of the 19th centuries the efforts made by clerical intellectuals to develop a language more closely attuned to Slovak needs led to the rise of Slovak nationalism. The Slovak National Awakening describes the three major stages in the development of national consciousness. In the 1780s Catholic intellectuals began to write in the vernacular; a Catholic priest Bernolík produced a Slovak grammar and dictionary and an influential treatise in defence of Slovak as a language separate from Czech. However, while Slovak ethnic distinctness was being asserted, the sense of belonging to the Hungarian nation was not questioned. The next steps were taken by the Protestant intelligentsia who had been pro-Czech since the Reformation. Influenced by German concepts of linguistic nationalism, they began to assert Slovak cultural and linguistic separateness but still within the political framework of the Hungarian State. The third stage in the Slovak Awakening came in the mid 1840s when a group of young Protestant intellectuals led by Ľudovít Štúr rejected their predecessors' Czechoslovakism and advocated a Slovak language and a Slovak nationality. In 1851 the Catholic Bernolík and the Protestant Štúr were able to agree on the language that became the basis of modern Slovak. This study of the relation between language and nationalism will appeal to specialists in European history and will be of interest for the light it throws on modern separatists and anti-imperialist movements.

Slovakia Business Law Handbook Volume 1 Strategic Information and Basic Laws IBP USA, *Slovak Pittsburgh* Lisa A. Alzo, 2006. No other city in the United States is home to more Slovaks than Pittsburgh. It is estimated that close to 100,000 Slovak immigrants came to the area in the 1890s looking for work and the chance for a better life. The hills and valleys of this new land reminded newcomers of the farms, forests and mountains they left behind. They lived in neighborhoods close to their work, forming numerous cluster communities in such places as Braddock, Duquesne, Homestead, Munhall, the North Side, Rankin and Swissvale. Once settled, Slovak immigrants founded their own churches, schools, fraternal benefit societies and social clubs. Many of these organizations still enjoy an active presence in Pittsburgh today, serving to pass on the customs and traditions of the Slovak people. Through nearly 200 photographs, *Slovak Pittsburgh* celebrates the lives of those Slovaks who settled in Pittsburgh and western Pennsylvania and the rich heritage that is their legacy.
