All Made Up Audrey Brashich, 2009-07-15 Don't believe everything you read Open any magazine or turn on any TV show and you'll be bombarded with air-brushed perfectly styled and made-up celebrities and super models icons of beauty that real women can never match Too often girls measure themselves against these unrealistic images and find themselves lacking But we can all break free from the cult of celebrity and start liking the face we see in the mirror once we understand that many of these images of beauty are all made up In the spirit of *Fast Food Nation* media awareness activist Audrey Brashich delivers an in-depth informative and eye-opening look at the effect the media and pop culture has on young women's self-images

The Bully Society Jessie Klein, 2013-08 Choice's Outstanding Academic Title list for 2013 Through interviews and case studies Klein develops an explanation for bully behavior in America's schools In today's schools kids bullying kids is not an occasional occurrence but rather an everyday reality where children learn early that being sensitive respectful and kind earns them no respect Jessie Klein makes the

provocative argument that the rise of school shootings across America and childhood aggression more broadly are the consequences of a society that actually promotes aggressive and competitive behavior The Bully Society is a call to reclaim America's schools from the vicious cycle of aggression that threatens our children and our society at large Heartbreaking interviews illuminate how both boys and girls obtain status by acting masculine displaying aggression at one another's expense as both students and adults police one another to uphold gender stereotypes Klein shows that the aggressive ritual of gender policing in American culture creates emotional damage that perpetuates violence through revenge and that this cycle is the main cause of not only the many school shootings that have shocked America but also related problems in schools manifesting in high rates of suicide depression anxiety eating disorders self-cutting truancy and substance abuse After two decades working in schools as a school social worker and professor Klein proposes ways to transcend these destructive trends transforming school bully societies into compassionate communities **Stripped, 2nd Edition** Bernadette

Barton, 2017-01-17 What kind of woman dances naked for money Bernadette Barton takes us inside countless strip bars and clubs from upscale to back road as well as those that specialize in lap dancing table dancing topless only and peep shows to reveal the startling lives of exotic dancers Originally published in 2006 the product of years of first hand research in strip clubs around the country Stripped is a classic portrait of what it's like for those who choose to strip as a profession Barton explores why women begin stripping the initial excitement and financial rewards of the work the dangers of the life namely drugs and prostitution and inevitably the difficulties in staying in the business over time especially for their relationships sexuality and self-esteem In this completely revised and updated edition Barton returns to the strip clubs she originally studied to observe the major changes in the industry that have occurred over the last decade She examines how raunch culture affects exotic dancers treatment by their clientele who are now accustomed to seeing nudity and sexualized performance in accessible R and X rated media from a variety of outlets particularly the Internet Barton explores how new media has transformed exotic dancing allowing dancers to build an online brand but also introducing possibilities for customers to take unauthorized nude photos and videos of the entertainers And finally Barton speaks to new dancers as well as dancers she interviewed in the previous edition examining how the toll of stripping still impacts the lives of exotic dancers in a changing industry Incorporating new scholarship new observations and increased awareness of emerging media technology Barton brings a fresh and important perspective on the challenges that women face working in the still thriving world of exotic dancing *Relative Intimacy* Rachel Devlin, 2006-03-08 Celebrated as new consumers and condemned for

their growing delinquencies teenage girls emerged as one of the most visible segments of American society during and after World War II Contrary to the generally accepted view that teenagers grew more alienated from adults during this period Rachel Devlin argues that postwar culture fostered a father daughter relationship characterized by new forms of psychological intimacy and tinged with eroticism According to Devlin psychiatric professionals turned to the Oedipus

complex during World War II to explain girls delinquencies and antisocial acts Fathers were encouraged to become actively involved in the clothing and makeup choices of their teenage daughters thus domesticating and keeping under paternal authority their sexual maturation In Broadway plays girls and women s magazines and works of literature fathers often appeared as governing figures in their daughters sexual coming of age It became the common sense of the era that adolescent girls were fundamentally motivated by their Oedipal needs dependent upon paternal sexual approval and interested in their fathers romantic lives As Devlin demonstrates the pervasiveness of depictions of father adolescent daughter eroticism on all levels of culture raises questions about the extent of girls independence in modern American society and the character of fatherhood during America s fabled embrace of domesticity in the 1940s and 1950s **The**

Gilligan,Pedro Noguera,2020-01-07 A collection of essays that examine the causes of and provide solutions to the widespread alienation and disconnection that beset modern society Since the beginning of the 21st century people have become increasingly disconnected from themselves each other and the world around them A crisis of connection stemming from growing alienation social isolation and fragmentation characterizes modern society The signs of this crisis of connection are everywhere from decreasing levels of empathy and trust to burgeoning cases of suicide depression and loneliness The

astronomical rise in inequality around the world has contributed to the critical nature of this moment To delve into the heart of the crisis leading researchers and practitioners draw from the science of human connection to tell a five part story about its roots consequences and solutions In doing so they reveal how we in modern society have been captive to a false narrative that takes individualism as a universal truth The new story now emerging from across the human sciences underscores our social and emotional capacities and needs The science also reveals the ways in which the privileging of the self over relationships and of individual success over the common good as well as the perpetuation of dehumanizing stereotypes have led to a crisis of connection that is now widespread Finally the practitioners in the volume present concrete solutions that show ways we can create a more just and humane world This profoundly important book suggests that our innate human determination to bridge differences and live in vulnerable loving relationships is the antidote to rising fear and anxiety Lyn Mikel Brown author of *Powered by Girl* **The Good Girl Revolution** Wendy Shalit, 2011-04-20 Across the country there is a youth led rebellion challenging the status quo In Seattle and Pittsburgh teenage girls protest against companies that sell sleazy clothing Online a nineteen year old describes her struggles with her mother who she feels is pressuring her to lose her virginity In a small town outside Philadelphia an eleventh grade girl upset over a dirty book read aloud in English class takes her case to the school board These are not your mother's rebels Drawing on numerous studies and interviews the brilliant Wendy Shalit makes the case that today's virulent bad girl mindset truly oppresses young women She reveals how the media one's peers and even parents can undermine girls' quests for their authentic selves and explains what it means to break from the herd mentality and choose integrity over popularity Written with sincerity and upbeat humor *The Good Girl Revolution* rescues the good girl from the realm of mythology and old manners guides to show that today's version is the real rebel Society may perceive the good girl as mild but Shalit demonstrates that she is in fact the opposite The new female role models are not people pleasing or repressed they are outspoken and reclaiming their individuality These empowering stories are sure to be an inspiration to teenagers and parents alike Join the conversation at www.thegoodgirlrevolution.com

Domestic Abuse, Homicide and Gender J. Monckton-Smith, A. Williams, F. Mullane, 2014-11-04 Based on research with frontline professionals and domestic abuse and homicide victims this book argues for a re conceptualisation of the female victim to enhance safety management and encourage a deeper understanding of the emotional dynamics and social structures which perpetuate violence *Lectures on the Psychology of Women* Joan C. Chrisler, Carla Golden, 2018-01-12 Twenty two distinct essays prepared especially for *Lectures on the Psychology of Women* present readers with topics often not covered in depth in standard texts Essays are written by feminist psychologists all of whom are active and committed teachers and researchers within the psychology of women More than half the lectures are new to this edition and the others have been significantly updated to include recent research and contemporary examples The book's organization aligns with core texts making it ideal supplemental reading However each lecture stands alone so instructors can assign readings to

meet their own course needs Part I on the diversity of women includes lectures on women with disabilities social class immigration relational race privilege aging sexual fluidity and mothering Part II delves into body images and female embodiment with lectures covering such topics as the sexualization of girls PMS weight and body image media representations of Black women genital anxieties and the hairless ideal Part III addresses women's physical and mental health with lectures on depression multicultural therapy Black women's health in the U S and institutional corruption in psychiatry Part IV focuses on discrimination control and violence against women with lectures on slut shaming online gender harassment and microaggressions Part V on social justice and activism includes lectures on awareness of intersectional identities and the relation between the psychology of women and feminist activism

Sport, Theory and Social Problems

Eric Anderson, Adam White, 2017-07-21 In a revised updated and considerably expanded new edition of Sport Theory and Social Problems authors Eric Anderson and Adam White examine how the structure and culture of sport promotes inequality injury and complicity to authority at the non elite levels of play in Anglo American countries By introducing students to a research led perspective on sport it highlights the operation of power patriarchy and pain that a hyper competitive sporting culture promotes Each chapter includes at least one key social theory which is made accessible and pragmatic The theory is then infused throughout the chapter to help the student engage with a deeper understanding of sport In addition to examining how sport generates otherness distracts children from education and teaches the acceptance of emotional and physical violence this new edition also examines how organized competitive sport divides us by race denies children the right to their own governance and promotes brain trauma and chronic traumatic encephalopathy in those who are too young to consent to play contact sports Sport Theory and Social Problems A Critical Introduction is an essential textbook for any sport studies degree with a focus on the sociology of sport sport and social theory children's health and wellbeing or sport and gender studies

College Women In The Nuclear Age Babette Faehmel, 2011-09-08 In the popular imagination American women during the time between the end of World War II and the 1960s the era of the so called feminine mystique were ultraconservative and passive College Women in the Nuclear Age takes a fresh look at these women showing them actively searching for their place in the world while engaging with the larger intellectual and political movements of the times Drawing from the letters and diaries of young women in the Cold War era Babette Faehmel seeks to restore their unique voices and to chronicle their collective ambitions She also explores the shifting roles that higher education played in establishing these hopes and dreams making the case that the GI Bill served to diminish the ambitions of many American women even as it opened opportunities for many American men A treasure trove of original research the book should

stimulate scholarly discussion and captivate any reader interested in the thoughts and lives of American women
