senior Bobby decides to skip class with his wealthy buddy Rich. It turns out it's both of their birthdays so the boys see no point in going to school when they can party down on Dana Point instead. Rich's grandmother has a mansion there and the old lady's been known to throw some awesome parties. Today is no exception. Ninety-year-old Greta Jane welcomes their arrival and so begins a day of decadence and adventure. Young Bobby has visions of beautiful women and drugs but what he finds is an unfamiliar world of affluence, intrigue, and bizarre fetishes. He grows up fast, embracing the finer things in life with troublemaker Rich by his side. Soon Bobby finds himself having a bit too much fun. Things quickly spiral out of control and a day of birthday ditching threatens to turn downright deviant. Still, Bobby convinces himself that he's a man now; he can handle whatever life throws his way. They skipped school to enjoy a day of freedom, but both boys get a whole lot more than they expected.

K.C. of a Thousand Trails Gay Paris Pratt, 2011-03-29 Have you ever wondered how one person could have crossed paths with you at a convenient time in your life? Some people plan it out methodically from childhood. Others were born to serve a mission on earth from God that endures throughout their entire lifetime. My amazing cat K.C. was one of these beings. Have you ever considered that God's animal beings have missions on earth too? This is a true story of one such sentient being in a cat suit who was assigned by the angels to pounce upon an unsuspecting woman's life that was in shambles in a time when internet and smartphones did not exist. This cat helped save her from choosing death and then devoted his entire life to transforming her into a better human being. This cat had a mission assigned from God. The mission was me. This story is not to convince you but rather to enlighten you as to the possibilities of the divine along with the billions of internet cat and pet videos of people who are trying to share the good news of their intelligence. Animals have souls. This account is to serve as a comfort to anyone who has lost someone, be it your pet companion or human relation, to a serious illness. No one escapes the pain of heartbreak, but to endure such an obstacle course of anguish brings a light of lasting peace that will anchor your heart with joy that exists past this lifetime, being reunited again with beloved pets in the hereafter. It's called love. *The Wrong Grief* Andrea Landy, 2024-04-05 Alice Buchner is an exceptionally smart girl and a brilliant student but an introverted and awkward kid. At thirteen, Alice witnesses the brutal murder of her cherished older sister Marisa by a loved one. Alice is the only eyewitness to the murder, but the authorities are unable to use her testimony because it is tainted with rare traumatic hallucinations that occur during the crime. Alice's support system is a workaholic father and his few bewildered employees, a paranoid schizophrenic aunt, emotionally distant grandparents, and a guilt-ridden detective who, suffering from his own loss, may have botched the case in the first place. Her despair hurts the few good friends she has while her new enemies become monsters. The perpetrator never receives a just sentence, and Alice plummets into a world of alcoholism, drug abuse, and profound mental illness. Throughout her journey, Alice continues to search relentlessly for answers and hopeful retribution for a killer when justice has supposedly already been served. *The Wrong Grief* is a character study that searches deep into the mind of an emotionally troubled and wounded young woman who must decide to either embrace her perpetual
