Smart Guys:

Why Smart Men Marry Smart Women Christine B. Whelan, 2006-10-17 For years it's been common knowledge that once a woman hits thirty her chances of finding a husband diminish to the point of despair That men are intimidated by a woman's career success preferring docile helpmates to ambitious achievers That women are biologically driven to seek a strong provider That the higher a woman's IQ the less likely she is to marry let alone have babies leaving single successful women to ask themselves Are men intimidated by smart women In *Why Smart Men Marry Smart Women* Christine B Whelan shatters the myth that high achieving women are at a disadvantage in the marriage market There's good news for the millions of American SWANS Strong Women Achievers No Spouse that today's smart successful women marry at the same rates as all other women and that more income and education may in fact increase a woman's chances of marriage What's more as Dr Whelan shows through newly released U S Census data a large scale Harris Interactive survey commissioned especially for this book plus extended interviews conducted in cities nationwide this profound demographic shift shows every sign of progressing That means that the success penalty that has endured for generations is as soon as 2010 destined for the history books Accomplished daughters sisters and friends not to mention their mothers can finally stop worrying that the twin pinnacles of personal and professional happiness are inherently unattainable In fact smart men do marry SWANS Ninety percent of high achieving men surveyed want a woman who is as intelligent or more intelligent than they are And two thirds of men said they believed smart women make better mothers Pairing cutting edge research with sound advice Dr Whelan brings to mind what smart women everywhere have long known in their hearts that the goal is not just to get married but to have a good marriage and to lead a fulfilled life

Illuminating Humor of the Bible Steven Walker, 2013-06-18 Humor smiles and chuckles and sometimes laughs so loud in virtually every book of the Bible so it's remarkable how readers manage to overlook it It's also unfortunate Humor graces biblical texts at so many levels that to miss the humor is to miss not only much of the emotional impact of the Bible but much of its meaning Illuminating Humor of the Bible shows how and how much comic elements contribute to understanding the most vital book in our culture Biblical humor has been seriously underestimated We have not begun to appreciate why humor winks with such unexpected frequency and understated significance from this revered text It's time to shine a spotlight on scriptural wit to illuminate the ways humor refracts biblical meaning Unveiled by the frank perspective of humor Bible texts reveal implications that will surprise the most informed readers The reader response lamp of humor lights up dark corners of biblical significance inaccessible until now Awareness of the irony and wit and satire and slapstick enables not just better readings but better ways to read Go where no Bible reader has gone before Try eight fresh and relevant methods of reading the Bible better through the lens of its humor
