

Behind every woman is an essence.
Something you can't touch, hold, copy, or recreate.
It's her.
An essence unique to her.
Call it spirit or energy if you like.
It's the spark that fuels the fire, burning heat
Which radiates from every cell of her.
It comes out when she's fired up or makes a stand for something.
It's soft - don't get me wrong,
But for so long, we've been tricked
To see women as weak or shy, when, in fact, her essence says it all.
There's not an ounce of weakness in her breath.
She's pure power, with every ounce of knowing, like a wise sage ready
to step in.
Watch her; she has a voice, and she'll use it forcefully.
