Life of John Knox. 1st complete Amer. ed Thomas M'Crie,1898 The Making of American Liberal Theology Gary J. Dorrien,2006-01-01 In this first of three volumes Dorrien identifies the indigenous roots of American liberal theology and demonstrates a wider longer running tradition than has been thought The tradition took shape in the nineteenth century motivated by a desire to map a modernist third way between orthodoxy and rationalistic deism atheism It is defined by its openness to modern intellectual inquiry its commitment to the authority of individual reason and experience its conception of Christianity as an ethical way of life and its commitment to make Christianity credible and socially relevant to modern people Dorrien takes a narrative approach and provides a biographical reading of important religious thinkers of the time including William E Channing Ralph Waldo Emerson Horace Bushnell Henry Ward Beecher Elizabeth Cady Stanton and Charles Briggs Dorrien notes that although liberal theology moved into elite academic institutions its conceptual foundations were laid in the pulpit rather than the classroom **AB Bookman's Weekly** ,1996 **Huxford's Old Book Value Guide** Bob Huxford,Sharon Huxford,1995-03 Nearly 25 000 titles with current values fill this hardbound book Much more than just a typical price guide the book is a directory with scores of actual buyers listed by the subject matter they are searching for as well as dealers offering the books at listed prices It will put you in touch with a person interested in buying or selling the books you have piled on your bookshelves The First Edition of Keble's Christian Year John Keble,1897 *A Sanskrit Reader: Notes. 1st ed., 1st issue* Charles Rockwell Lanman,1889 **GirlTalk / GodTalk** Joyce Mercer,2008-04 In this refreshing account of the faith lives of adolescent girls and the roles parents play in shaping that faith 50 girls from 12 different denominations tell deeply personal stories about what it means to be young female and Christian **The pilgrim's progress. Fac-simile reprod. of the 1st ed** John Bunyan,1875 John Hick's Pluralist Philosophy of World Religions Paul R. Eddy,2015-06-22 According to John Hick s model of religious pluralism all the world s great religions present equally valid ways of understanding and responding to the same ultimate Reality This book offers an exposition of and critical response to Hick s model Following an introductory chapter that surveys dominant approaches to religious diversity the rise and development of Hick s pluralist interpretation of religions is traced Finally a critical assessment of Hick s mature pluralist model is offered The conclusion Hick s model is ultimately unsuccessful in overcoming the pluralist s most difficult conceptual problem namely providing an adequate account of the fact that the world s religions understand the divine Reality in often contradictory ways Ultimately Hick s own solution threatens two of his long cherished goals a robust religious realism and a tradition neutral religious pluralism **Book Prices: Used and Rare, 1994** Edward N.
